gleaned from tablets recovered by Holy Land archaeologists. The legend told of mysterious desert trips by members of a Syrian family who handed the process of Damascus blade creation to the eldest son of each generation, with the last of which the secret died.

Following the legendary tale step-by-step, Dr. Carnes recounted how the artisan would take a giant Nubian slave on a midnight desert trek, and then with charcoal fire

proper "air-tempering" followed as the maker swung the blade about balles to Portland, study the state his head with a muttered incantation, the dentist said. According to the legend if the blade then would the voters, and endorsed John C. sever the slave's head without being knicked a true Damascus blade bad been created. had been created.

Dr. Carnes, an amateur metallur-gist, showed his recreation of the famed blades, testing flexibility by touching point to hilt then proving

temper by shaving hair from his arm with the same blade. He developed the modern and less colorful process, Dr. Carnes said, by producing a tempering solution with constituents similar to blood

## JEAN WILEY IS

University of Oregon, Eugene, Nov. 30—Jean Wiley, freahman at the University of Oregon, was one of the assistants at the Associated Women Students auction heid on the steps of the old library Novem-ber 24.

women Stadents auction heid on the steps of the old library November 24.

Harry McCall, wielding an old-fashioned gavel over the suction stand, conducted the sale of lost and found articles collected in the University depot for several terms past, the proceeds of which went to the AWS.

Two hundred and twenty-six separate pieces of merchandise with articles ranging in value from a pair of white shoestrings to books, fountain pens, and jewelry, were auctioned off to the highest bidders. Included among the books were English handbooks or revision, speech texts, English compositions, French, Germany, Spanish, and Italian books, English literature, biology, Shakespeare, nutrition, business principles, a history of America, college reading prose, writing and thinking, hysiene, and physical education, and freshmen readings.

Wearing apparel included raincosts, sweaters, jackets, searfs, hats, caps, gloves, and tennis shoes.

Miscellaneous articles were umbrellas, shoestrings, glasses, term papers, a knitting bag, rulers, keyrings, an architect's drawing set, a biology drawing, set, and notebooks.

Miss Wiley, daughter of Mr. and Mrs. H. A. Wiley of Salem, is a liberal arts major at the university, and a piedge of Delta Delta Delta Selta Delta sorority. She was graduated from Salem high school.

1937 TOURIST

Portland, Nov. 39 (P)—The 1937 tourist to Oregon will be, decidedly, a marked person. The board of directors of the

would heat his already forged blade.

Slow heating until sunrise gave the proper tempering degree to the ted metal and this, the dentist, explained, will be color with the center poing the color with the center poing the color with the center of the rising sun.

Then the Artisan plunged the blade through the slave's heart, an action translated by Dr. Carnes as sudden cooling in a liquid with the correct chemical constituents to give the unique qualities.

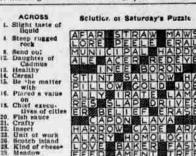

Proper "air-tempering" followed as the maker swung the blade through the slave's heart, an action translated by Dr. Carnes as sudden cooling in a liquid with the correct chemical constituents to give the unique qualities.

Proper "air-tempering" followed as the maker swung the blade his head with

Study of the program for improve-ment of the upper Columbia, and development of the Idaho-Oregon-Nevada highway was suggested to

LYONS HAS SERVICE Lyons—A candle lighting service at the Methodist church Thursday night ended the day with thanks by producing a tempering solution with constituents similar to blood and discovering the proper top-heat by comparison with the rising sun's intensity.

Purther tests of the metal's hardness included hammering pieces of it through sheet steel and by cutting slices from steel spikes, without harming the blade's razor-edge.
