

STEEL ISSUES LEAD RISE IN STOCK PRICES

New York, April 21 (AP)—Stocks today made their third consecutive advance with volume light.

U. S. Steel crossed 115, against a previous close of 112 1/2. Other steels were fractions to more than a point higher.

New York Central touched 51 1/2, up 3/4. Union Pacific was up a point. Texas corporation, Plymouth Oil and Soco-Vacuum made new highs. United Aircraft, Douglas and Boeing were up more than a point.

Anacostia gained more than 2 points and other coppers were better with improvement in copper metal prices. Gains of 2 points were made by Deere at a new high, Case, Caterpillar Tractor and Oliver Farm equipment. Allied Chemical and du Pont gained 3 points.

National Biscuit, an exception to the trend, made a new low at 28, off 1, when the corporation reported a reduction in net income compared with a year ago.

Dow Jones preliminary closing averages showed: Industrial, 183.60 up 2.16; railroad 61.53 up 0.58; utility 31.15 up 0.15.
