BEARCATS PLAY FIRST HOME GAME THURSDAY

Skits and Scratches

Capital Journal Sports Editor

If improvement in facilities and atmosphere means anything, Salem high school athletes should clean up everything in sight next year. The contrast between the dressing rooms, showers and atmospheric conditions of the present high school and the one which is virtually complete at 14th and D streets is startling to say the least. The transition will be about as great as would be the case of a youngster reared in the slums of New York being elevated to Park Avenue.

Few persons outside of students and coaches have realized the condition of the shower and dressing room facilities of the old high school. The wonder is that the health department hasn't interfered. The only ventilation existent is through an open door or window. Steam from the shower room pours into the dressing room and the little cubby hole which is set aside for use of the coaching staff. Street clothing becomes damp and mouldy if permitted to hang for any length of time while the odor is overpowering. Nothing about the place would make anyone want to turn to athletics.

The new layout, while not elaborate, is a tremendous improvement. The atmosphere inside the dressing rooms should be almost as refreshing as that out of doors, providing all of the apparatus constructed fulfills its functions. Although housed in the basement, natural light is plentiful in both boys and girls sections. The basket system for handling gymnasium and street clothes has been installed. When not in use, gymnasium suits are placed in drying rooms. Perhaps the most improvement is shown in the shower department, where tiled floors and gutters make for cleanliness. With 17 shower heads available in each shower room, the waiting line will be cut down materially. For those who like to soak themselves occasionally there are two nice white bathtubs, one for the girls and another for the boys.

One of the largest doors in captivity is found in the well-lighted gymnasium. This door, which is of the folding type, is 21 feet high and 76 feet wide. It is used to divide the large gymnasiums into two sections, one for boys and the other for girls. When the entire room is to be utilized as a single unit, an electric motor is used to fold the door back into a recess on one side. Skylights provide a maximum amount of natural lighting.

The gent who planned the spectator seats must have been of the long-geared type, for the average fan will not be able to reach the floor with his feet once he sits down. There are no backs to the plank seats seats which are nailed directly on top of the risers. But as one gentleman, who has been interested in the project, said "the games are supposed to be so hot they will keep the spectators on the edge of the seats." Balcony seats are available along the west side and both ends of the playing court. No provision has been made for seats on the floor which is probably a good idea. The floor will be kept in good condition that much longer. When money becomes available and if there is sufficient demand, disappearing bleacher seats can be installed on the floor.

However, everything considered, the new physical education plant, immediately adjacent to the athletic field, is so much superior to the old one, there is scarcely any comparison. There should be few "conscientious objectors" to participation in physical education next year.

Fishers Surprised With House Warming

Stayton—A group of friends surprised Mr. and Mrs. John Fisher when they gathered at their home Friday evening to give them a house warming. Tables were made up for cards followed by a late supper. Mrs. Lawrence Smith and Mrs. Herman Broderson held the high scores at the close of the play.

In the group were Mr. and Mrs. Wendell Weddle, Mr. and Mrs. Luke Hurd, Mr. and Mrs. Lawrence Smith, Dr. and Mrs. Burl Betzer, Mrs. Herman Broderson, Mr. and Mrs. Hal Cuffel, Mr. and Mrs. Virgil Tuel and Mr. and Mrs. George Duncan.

Teacher is Hired

Millersburg—Mrs. Neva Ayers of Lebanon has been hired to teach the Millersburg school the coming year at a recent board meeting. She will replace her sister, Mrs. Ina Stewart, the present teacher of the school, who will teach near Corvallis next year, where she taught for a number of years before coming to Millersburg. Plans for wiring the school house for electricity were discussed. Members of the school board are J. W. Pugh, Fred Kreger and Floyd Fisher, with Mrs. L. W. Drager, clerk.

PARRISH LOSES

Parrish junior high lost the opening game of the intramural softball season Tuesday afternoon, being beaten by Sacred Heart academy 7 to 4. Gentzkow, pitching for the winners, gave up seven hits, while Long for the losers was nicked for nine.

OREGON NORMS TO FACE KEENE SQUAD AT 3:15

Making their first home appearance (weather permitting) Willamette university's diamond experts will play Oregon Normal on Sweetland field at 3:15 Thursday afternoon. The Bearcats have a record of three wins over Oregon State, one over Oregon and a loss to the Webfoots.

The teachers have been none too strong this season, although they have been handicapped, like all others, by lack of practice. They blew an eight run lead yesterday to lose to Oregon State 13 to 12.

Coach "Spec" Keene expects to make his pitching selection from a group of three candidates—Tom Hagar, Larry Nunnenkamp or Jack Criswell. The decision will rest, to a large extent, upon the showing made during the warm up period and upon the Normal batting order. Hagar hasn't drawn an opening assignment as yet and the coach is anxious to determine what he will do under fire.

Because they were rained out of their initial engagement with the state prison crew, Willamette tossers may not be able to play within the big walls this season. Coach Keene states that Saturday is the only open date he has for the prison engagement and is hopeful the prison management can arrange their schedule accordingly.

SILVERTON, FROSH IN 7-7 DEADLOCK

Silverton — Forced to abandon their contest in the seventh frame due to rain and cold, Silverton high school's baseball team and the frosh from the University of Oregon ended the affair in a 7 to 7 deadlock Tuesday afternoon. High, Silver Fox chucker, and Robertson, frosh moundsmen, were wild. The former issued 10 walks and hit a batter while Robertson walked six and hit one.

Oster, Silverton shortstop, hit safely three times out of four. Two double plays were turned in by Silverton—Hatteberg to Specht to Simmons, and Hatteberg to Johnson.

Silverton won its first league game last week by defeating Molalla 9 to 2. Friday afternoon West Linn high will come here for a league game and on Saturday Oregon State Rooks will play on the local diamond at 10 a. m. Schwab and Bonney, well known in local ball circles, are members of the rook club. Next Tuesday Woodburn will come here for a mix with the Foxes.

Lineups yesterday: Silverton — Johnson 2b, Grace cf, Oster ss, Specht lf., Kuenzi 1b, Busch rf, High p, Hatteberg 3b, Simmons c; Frosh—Jackson cf, Cox rf, Jones 2b, Quinn ss, Fisher 3b, Goode cf, Kelley c, Dick 1b, Robertson p.

Special music by the choir included a solo and chorus, Rev. Ben Davis singing the solo. In the evening Rev. Davis preached at the Union services in the Methodist church.

Mrs. Louis Wampler will entertain the group at that time, Wednesday, April 28, at her home in Howell Prairie. Mrs. Lydia Scharf will have charge of the program. The special stewardship emphasis program began in March and will be continued for the next three months. The 1937 reading course has begun and members are urged to bring in their reports on reading accomplished.

Ruth Regular Fan, Snags Foul in Yanks Stadium; Tony and Joe Make Up

By EDDIE BRIETZ

New York, April 21 (AP)—He's still tops. Babe Ruth visited the Yankee stadium yesterday and stole the show right away from the Yanks and Senators. He got the biggest hand of the day when he walked into his box. In the fourth inning, the great man reached across the railing and snagged a foul off Frank Crosetti's bat. He chuckled as he stowed it away in his hip pocket, just like any other Yankee fan.

Opening day notes: Frank Hogan, Washington catcher, and Walter Brown, Yankee pitcher, the biggest men in baseball, posed for pictures together. Something Hogan would never do before because he was so much bigger than Brown. Which shows you how he has reduced. Early in the second inning, Willerd Mullins, crack cartoonist of the World Telegram, said: "The official attendance will be 45,880." In the seventh it was announced as 45,850. Willard must be slipping. When the parade to the flagpole passed the right field bleachers, 3,000 fans began to chant: "We want Ruffing." Col. Ruppert's blood beried, as they say in Brooklyn. Tony Lazzeri and Joe DiMaggio, who have been on the outs, made up just before the opener. Max Kase, Journal sports writer, brought them together.

Benny Leonard picks Tony Canzoneri to lick Lou Ambers and win the lightweight title for the third time. . . . Clara Mortensen, the grapplerette, has been booked for ten weeks on the coast under the "Toots" Mondt banner. . . . Nearly 1,000 pounds of beef will be tossed into the Hippodrome ring next week when Jack Torrance, 260, fights Abe Simon, 250, and Arturo Godoy, 210, takes on Tony Galento, 220.

It's difficult to take the Brooklyn ball club seriously even though Business Manager John Gorman insists the Dodgers are at least 20 percent better than last year and Manager Burleigh Grimes thinks they'll win five more games than the seventh-placers did in 1936.

But to the analysts of baseball, there is considerable individual merit strung out along the Brooklyn front.

It is doubtful that there is a more effective pitcher in baseball than Van Lingle Mungo, the ex-bad boy who is certain to profit (or else!) by the experience and disciplinary measures Grimes is passing out. The rumor is that Brooklyn wouldn't swap Mungo for the Cardinals' Dizzy Dean—even Stephen. If I owned Mungo, I wouldn't give him up for the greater Dean, either, because of Van Lingle's comparative youth and his all around ability.

Receiving the highest Brooklyn salary—$15,000—since the Dodgers paid Vance $16,500 toward the end of the Dazzler's career, Mungo is a satisfied young man who promises to win 23 games this season. He won 18 last year and figures the "amateurs" around the keystone bag cost him at least five games.

The Brooklyns have one of those rare, overstuffed clouting catchers—Ernest Gordon (Babe) Phelps, who pounded the apple to the tune of .367 in 115 games last season. Grimes is downright enthusiastic over the Babe's backstopping, which has improved with advice from Burleigh.

Phelps reported to the Brooks' Clearwater, Fla., training camp with 20 pounds melted off his huge frame, scaling in at 216. Naturally, with all this heft the Babe has a distinctly individual style of backstopping, but he doesn't mop up as much dust as does Cincinnati's Ernie Lombardi, for instance.

The Brooklyns have Eddie Wilson back in shape, showing no ill effects from the skull fracture he suffered when struck by Pitcher Mace Brown in Pittsburgh last August. Wilson, called in from Allentown last mid-season, was a sensation at bat in the National league until Brown laid him low. Eddie batted at a .304 clip in 54 games for Allentown and .347 in 52 games for Brooklyn against National league pitching.

Wilson is either extremely hard-shelled or he is one of the gamest guys in baseball. Two years ago in the N. Y.-Penn league he was kayoed at the plate by Joe Shoffner. Next time Wilson faced Shoffner he got a triple. That's Burleigh Grimes' kind of ball-player.

LINFIELD BEATEN BY OREGON, 8 TO 4

McMinnville, Ore., April 21 (AP)—A disastrous first inning when Oregon scored five runs led to an 8 to 4 defeat for the Linfield college baseball team in its first home game this season.

Gammon, who pitched the route for the university, allowed ten hits but kept them well scattered. Fletcher, who relieved Larsell of Linfield in the first, permitted only six bingles in the remaining eight innings.

Monmouth, Ore., April 21 (AP)—Oregon State college pounded in 11 runs in the seventh and eighth innings to defeat the Oregon Normal Wolves 13 to 12 in a game here which turned into a slugging bee.

The Wolves led 10 to 2 going into the seventh but the Orangemen pounded Mohler for four scores in that inning and garnered eight more off Moore in the next session.

Liberty Boys Beat Brooks Grade Team

Liberty—The Liberty grade school boys defeated the Brooks kitball team by a score of eleven to nothing. This is the second time Liberty has downed the Brooks team in league games. Liberty in all probability will represent the south half for the county championship. They still have one game to play with the West Stayton team on the home diamond. Liberty has defeated West Stayton on Stayton's home diamond in a previous game.

The Liberty girls also carried away the laurels of the afternoon by defeating the Brooks girls to the tune of 24 to 23. It was an overtime game. It was scheduled for seven innings, but they had to play ten to determine the winner. It was a game of hit and run, both teams' fielding being very ragged.

PADRES ADD TO LEAD, BEATING SOLONS, 5 TO 1

(By United Press)

San Diego's Padres strengthened their lead in the Pacific Coast league yesterday by defeating Sacramento; the San Francisco Missions trounced Oakland and Los Angeles defeated last year's pennant winners, the Portland Beavers, in the first game of the second week of series play.

Rain postponed the San Francisco Seals-Seattle Indians game at Seattle yesterday but both teams hoped for a break and a game today.

The Portland team, with the 1936 pennant tacked up on the wall, failed to produce for its home town when its hurler wilted under an attack from Los Angeles stick swingers. The Angels took the top of a 4-3 score.

A night game saw the tail enders of last season, the San Francisco Missions, gain percentage by scoring six runs and at the same time holding Oakland down to two runs.

In San Diego the home-town boys opened their series by holding the Sacramento Solons to one run and piling up 5 runs for themselves.

MORAN DOWNS JOE GUNTHER IN ARENA

Sailor Moran toppled Joe Gunther in last night's main event of the weekly wrestling show at the armory. The sailor used his favorite punch, a smash over the heart to down the Nashville grappler. Prior to that the two men had divided two falls.

Tommy Tassia took two out of three falls over Fritz Ludwig in the 45 minute special event. The preliminary went to Otis Clingman when he took two straight from Tex Porter of Port Angeles.

KARR PINMEN WIN BOWLING PENNANT

By winning two out of three games from Willamette transfer at the Bowl-Mor last night, Karr's pinmen won first place in the city bowling league. The league closed its season last night. Acme Wreckers took three straight over Cline's. Kay of the transfer men rolled up a series score of 611 points, while E Poulin of Karr's took game honors with 247.

All checker players are invited to participate in this exhibition. A small charge will be made and players are requested to bring their own playing equipment if possible.

PHELAN TO CLIMAX TRAINING SEASON

Seattle, April 21 (UP)—Coach Jimmy Phelan planned to climax spring training for the University of Washington grid forces with a full intersquad game Friday, and today named tentative lineups.

The veteran line—with two reserve ends—includes Sheldrake and Wise, ends; Worthington and Kindred, tackles; Slivinski and Means, guards; Erickson, center; Newton, quarterback; Cruver, fullback; and Johnston and Captain Waskowitz, halfbacks.

First string ends Dick Johnson and Frank Peters and Tackle Vic Markov, all veterans of last year's team, were missing.

A second lineup included Phillips and either Larry Yarr, Nelson or Bower, ends; Zemee and Grabenhorst, tackles; Garretson and Bird, guards; Elliott, center; Bond or Bechtol, quarterback; Merle Miller or Don Thompson and Joe Dubsky, halfbacks, and Bill Hill, fullback.

ATTENDANCE SMALL SEASON'S OPENER

Portland, April 21 (UP) — The smallest coast league baseball crowd here since 1921 saw the Portland Beavers lose their first home game of the 1937 season to the Angels 4 to 3 on a rain drenched diamond here Tuesday.

The hometowners twice overcame a one point jump before Don Hurst, Los Angeles first sacker, poled one over the right field fence in the eighth to break a 2 to 2 tie. The Angels grabbed another in the ninth, but Portland came back with a score in their half of the last session. Burnett, Beaver pinch-hitter, fanned for the final out with the tying run on first base.

Official attendance was 7,610.

Pupils at Dallas Make Good Record

Dallas, Ore.—Three students from the high school brought additional laurels back from the annual Willamette university declamatory meet in Salem Saturday. Paul Sams, Polk county champion in the dramatic division, was awarded first place in this bracket in the meet in the capital city, while Marjorie Waters annexed honors in the humorous division. Miss Waters tied for first place in the dramatic division at Willamette a year ago. Jeanne Hartman, ranked second in extempore speaking.

FOUR HURLERS SHOW OLD TIME FORM IN OPENER

New York, April 21 (AP)—Four pitchers, all of whom had more or less fallen from glory in the past two years, were back on top today as the result of yesterday's opening games of the 1937 baseball season.

These four, Darrell Elijah (Cy) Blanton of Pittsburgh, Hal Schumacher of the New York Giants, Elden Auker of the Detroit Tigers and Monte Weaver of the Washington Senators turned in some of the most sparkling feats on the six-game program which attracted a total of 181,016 cash customers.

The seventh game on the general opening slate, which followed Monday's previews in two cities, was rained out. Chicago's White Sox and the St. Louis Browns, weather permitting, will make their debuts today.

Blanton, who won 18 and lost 13 for the Pirates in 1935, suffered last season from the second-season letdown that afflicts many rookies.

In spite of that, Manager Pie Traynor shoved Blanton into the opener against the Chicago Cubs yesterday, and Cy pitched a five-hit shutout, 5 to 0.

Schumacher won 19 and lost 9 two years back, but he almost threw his arm out of joint on every pitch and last year had trouble with his right elbow.

Even during the 1936 world series, Schumacher didn't have his old control. But it was there for the 1937 opener and Hal limited the Dodgers to five hits as the inter-borough rivalry was renewed before 32,387 fans. In addition, he drove in the ninth-inning run that brought the Giants a 4 to 3 victory.

Tuesday's results:

American—Detroit 4, Cleveland 3; New York 2, Washington 3; Philadelphia 5, Boston 11; St. Louis-Chicago rained out.

National—Cincinnati 0, St. Louis 2; Chicago 0, Pittsburgh 5; Brooklyn 3, New York 4.

MISS FERY SEATED AS CHIEF RANGER

Stayton—Miss Edna Fery was installed as chief ranger of St. Mary's Court No. 1000 of the Women's Catholic Order of Foresters at a special meeting of the group held jointly with the Sublimity organization at Sublimity. Other officers installed were: Mrs. John Fery, chief vice-ranger; Mrs. Leo Odethal, recording secretary; Mrs. John Murphy, financial secretary; Miss Katherine Brand, treasurer, and Mrs. Alva Fery, Mrs. Ernest Dozler and Mrs. Gilbert Wourms, trustees.

About 34 guests were present for the installation ceremonies and for the social evening which followed. At the close of several games of cards, Mrs. Lawrence Smith and Rev. George Sniderhorn held the high scores. Mrs. Billy Dechateau was awarded the consolation.

May 5, the organization will be host to all women of the Catholic parish over 16 years old at a special program and social evening.

Hazel Green Beats Brooks Club, 9 to 6

Hazel Green—The boys' softball team of the local school played its third league game with the Brooks team on the Brooks diamond and was winner by a score of 9 to 6. A return game will be played on the Hazel Green diamond Friday, April 23. Marvin Van Cleave acted as umpire. This was the first game played with Brooks. The first two were played with the Hayesville team and were victories for the local team.

Archie Rutherford is captain and pitcher; other players are Keith and Frank Miles, Donald Zielinski, Raymond Duda, Joseph Yada, Sanford Mio, Gene Rutherford, Irwin Kasper and Billy Woelke.

PARKER'S JUNIORS WIN FIRST CONTEST

With Smithers pitching one-hit ball, Parker's junior softball club defeated Valley Motor 5 to 2 in the opening round of the series Tuesday evening. Kuescher, Valley Motor moundsman, yielded but four hits. However, eight errors were too many to overcome.

Alpha Psi Delta nosed out Pade's 11 to 10 in a free scoring contest.

Alpha Psi	11	12	5

ANGELS AND PILOTS WILL PLAY SUNDAY

Mt. Angel—The Mt. Angel college baseball squad is practicing for its first game with the University of Portland Pilots since 1925 which will be played here Sunday afternoon at 2 o'clock on the downtown diamond.

The Pilots will be out to avenge the defeats suffered at the hands of the Angels during the basketball season. Starting on the Angel's lineup will be Welton or Moore in the box with Piennett on the receiving end while the Portland boys will probably start Carlin and Curran.

With only two veterans on the squad in Welton and Christensen, Coach Galer has been working on a lot of new material, a number of whom are showing up well in practice. Welton might be replaced as pitcher by Moore as he has been bothered with a sore arm all spring and may not be ready to throw.

This will be the Angels' third game this season and about four more games have been scheduled although the season's schedule is still incomplete.

ALLENS ARE MOVING

Mill City—Mrs. W. W. Allen and son and daughter, Bob and Marian, are in the process of moving into the house here owned by Mr. and Mrs. A. L. Baker, former Mill City residents. The Crawfords, who have occupied the Baker home for some time, are moving into the Albert Tolman place.
