

MEMORIAL DAY PROGRAM DATED

Memorial day services, to be held Monday, May 31, have been arranged by the Federated Patriotic societies, according to William Bliven, president. These will open with memorial services at the GAR circle in City View cemetery at 10 o'clock, followed by the usual parade and program at the armory.

Col. Carl Abrams will be grand marshal in charge of parade events. A. H. Dewey, past commander of H. H. Hibbard post, Spanish American War veterans, will be the main speaker at the armory at 2 o'clock following the parade.

Prior to this the annual water service for sailors, marines and soldiers who died at sea will be held from the Marion-Polk county bridge under the direction of the Women's Relief Corps.

As a part of the observance, speakers will be assigned the city schools next Friday.

GOVERNOR TO BE AWAY FORTNIGHT

Governor Charles H. Martin will see little of his office here the next two weeks, he said today, when announcing a full schedule of events.

He will leave this noon for The Dalles where tonight he will address a public meeting on the Bonneville issues. From there he will go to Arlington to remain over night.

Tomorrow he will attend a meeting of pea growers at Milton, returning to Salem Sunday. Sunday afternoon he will be in Eugene where he will talk over the National radio hook-up on the state highway booster program.

Monday morning the executive will review the P.O.T.C. troops at Corvallis prior to leaving for Roseburg for dinner that night. The next day, Tuesday, he will join the caravan for California where he will remain until the middle of the next week.

Martin Will Talk With Candidates

Appointment of a state school superintendent to succeed Charles A. Howard, whose resignation will become effective September 1, will be deferred until Governor Martin interviews personally the leading candidates for the position.

The executive office reported that at least 12 names would be considered by the governor, eight of whom were declared to be democrats and four are republicans. The retiring superintendent is a republican.
