

# SCHEDULE COMPLETED FOR TOURNEY FIRST ROUND

## TED'S HITTING BOOSTS LEAD OF SAN DIEGO

(By the Associated Press) Thanks to the hitting of young Ted Williams, the San Diego Padres' leadership in the Pacific coast league standings was increased to 3 1/2 games today.

Williams poled out a homer in the eleventh inning to give the Padres a 7 to 6 win over the second place Sacramento Senators last night.

Los Angeles still clung to third place in the standings, by the slim margin of one game over the San Francisco Seals, despite a double-header drubbing by Seattle. The scores were 8 to 5 and 7 to 5.

Portland's timely hits off Walter Beck gave the Ducks a 4 to 1 victory over the San Francisco Missions, while Oakland's Jack La Rocca emerged with a 1-to-6 pitching duel win over the Seals' veteran Sad Sam Gibson.

Williams was the big shot at Sacramento, where the fans on Thursday night saw Jack Powell yanked and arrested on a charge of being drunk.

Powell failed to appear in police court yesterday in answer to the charge, thus forfeiting \$10 bail, and League President W. C. Tuttle said at Los Angeles the umpire was relieved of further duties for the season. Tuttle said he would wait for "the official report and, if it is true, Powell is through as an umpire in this league." But to get back to Williams: sent into last night's game in the ninth frame, he doubled with the bases full to send across two runs and tied up the score. His homer came on his next turn at the bat, in the eleventh frame.

Muller of Seattle cracked out a homer in the second game of the Indian's double triumph over Los Angeles.

## PETERSON TO BOX DUNSTAN

Ted Peterson of Independence, who has been looking for better bouts, has been signed by Jack McCarthy to scrap Sailor Dunstan in a six-round preliminary event at the Salem armory on the night of Friday, September 3. The main event on that night will be Tiny Cooper and Gene O'Grady.

Peterson and Dunstan are 145-pounders. In Peterson's ambition to figure in a better class of fights he has got what he wants in Dunstan. Dunstan beat Jimmy Pavolic who fought a draw two years ago with Freddie Steele, prompt world champion. Dunstan fought draws with Paul Smith and Chief Bobby Allen and defeated Don Fraser, Bill Toomey and Leo Dardine.

Peterson has an ambition to get ahead in the fight game, and is well-liked by Salem fans.

## JUNIORS WIN FROM EAGLES

The Junior All Stars, comprising the cream of the Junior circuit players, served notice last night on Sweetland field that some of them are ready for senior play by handing a 5 to 2 defeat to the Eagles.

The senior team was able to collect only four hits off the combined offerings of three all-star pitchers. Larson, starting pitcher for the Juniors, and Smithers, who followed him on the mound, each allowed only one hit and were effective in the pinches.

Mickenham, pitching for the losers, allowed only six hits, but six errors behind him contributed largely to his defeat.

**Laud Sammy Baugh For Bullet Passing**  
Chicago, Aug. 21 (AP)—Gus Dorala, who as a Notre Dame star was one of the first great forward passers in football, says he's seen as good pass toaser as Sammy Baugh, but none so quick at spotting an uncovered receiver as the Texas Christian rifleman.

Dorala, head coach of the college all-stars who will oppose Green Bay's Packers at Soldier Field the night of September 1, said he intends to use an aerial offense against the professional champions.

He had Baugh and Ray Bulivid, Marquette's great star, shooting forwards to all parts of the field with marked success.

A full length scrimmage is scheduled for Sunday morning.

TINY COOPER, state heavyweight boxing champ, who has finally agreed to fight Gene O'Grady on September 3 at the Salem armory. O'Grady has yearned for Cooper's belt many months, and now has a chance to get it.

## AWARDS WON IN BOX DERBY

To Earl Straubough and Kenneth Deacon went first awards in the soap box derby yesterday. The events were part of the playground management's racing program held on Howard street hill.

Straubough used the car that he entered in the all-American derby in Portland a few days ago and he won over Wilmer Graham, who won second place, and Robert Deacon, who was third in the event. Entrants were from 8 to 12 years old.

In the 13 to 18 year class Kenneth Deacon bested Miles Carver and Jack Mudd who were respectively second and third.

In the one-mile bicycle race for boys Lucian Jones, Frank Ransom and Bob Thompson finished in that order. There were 15 entries in the race.

Bruce Rogers and Loretta Deacon were the only entries in the roller skating event and each was declared a winner. The two put on a special race which Rogers won by a small margin.

A special derby event was staged which was won by Earl Straubough, with Kenneth Deacon second and Donald Frank Waters third.

Straubough won first place in judging cars entered by the younger group. Darrell Gemmill won for having the most unusual car. In the older group Miles Carver was adjudged to have the best built car and Jack Mudd the most unusual.

The Mt. Angel team will meet the Portland champs in the state tournament at Salem Tuesday night.

## Noted Golfers Play Here This Afternoon

Horton Smith, Harry Cooper, Jimmy Thompson and W. Lawson Little, internationally known golf players, are playing an exhibition match at the Salem Golf club course this afternoon. Playing was scheduled to start at 2:15 o'clock.

A demonstration of fancy and trick playing was to precede the main event, and 18-hole match. Through arrangements made by the Salem Active club there is no charge for admission.

## Portland and Tucson Scheduled at Okemah

Okemah, Okla., Aug. 21 (AP)—Portland, Ore., will meet Tucson, Ariz., and Omaha, Neb., will meet Okemah in the first round of the sectional American Legion junior baseball tournament here tomorrow.

Charles M. Wilson, assistant national director, announced today. The radio distress call—written SOG—was adopted in 1908.

## YOUNG PLAYERS AND VETS WILL VIE IN PORTLAND

Portland, Ore., Aug. 21 (AP)—The boys who play for fun but who will put their shotmaking ability against that of any professional who ever swung a club, arrived by plane and train and automobile today for the opening of the United States amateur golf association championships Monday.

Practice rounds over the Alderwood Country club course during the past few days have disclosed the quality of the field, and observers were cautious in naming favorites. The scores showed also that while golf is not essentially a young man's game, a number of youngsters who should make the veterans mind their putting are on hand.

Charley Yates, youthful Atlanta, Ga., entrant had one of the best practice rounds yesterday, putting together a 35 and a 34 for a 3-under-par 69.

Freddie Haas, national intercollegiate champion from Louisiana, and Ernie Pieper of San Jose, Calif., each carded approximate 68's.

Jimmy McFate, Jr., of Los Angeles turned in a 71, his third sub-par round in three days.

Johnny Goodman of Omaha, former open champion, made it an even par 72, a stroke more than he needed during two previous rounds.

Al Zimmerman, Alderwood pro, commented after looking over the field that "they really pouned that ball," and that he was amazed at the improvement in the amateur ranks. He predicted a 155 or 156 would be needed to qualify.

Several other better than par rounds were reported, but all could not be taken too seriously as pickups and conceded putts figured prominently in the practice.

Cards were not available for Johnny Fisher, defending champion, Chick Evans of Chicago, Jesse Guilford and Francis Oumet of Boston, who also tried out the course today.

A number of the visiting golfers commented on the shortness of the course, but found offsetting features, described by Bill Holt of Syracuse, N. Y., as "a lot of trouble you don't know anything about."

## TUTTLE FIRES JACK POWELL

Los Angeles, Aug. 21 (AP)—W. C. Tuttle, president of the Pacific Coast league, said yesterday he had "relied" Umpire Jack Powell "for further duties this season."

Powell failed to appear at Sacramento and forfeited \$10 bail on a drunk charge. The action was taken after a telephone conversation with Phil Bartelme, president of the Sacramento club.

"It appears from Bartelme's report," said Tuttle, "that Powell was intoxicated before and during the game. If it is true, the official reports and if it is true, Powell is through as an umpire in this league."

Powell, after a game at San Diego earlier this season, was given a "week's vacation with pay" by the president at that time.

## GEHRINGER AND WANER HIT 'EM

New York, Aug. 20 (AP)—Charles Gehringer and Paul Waner, a couple of pitchers' nightmares, went on the loose with their big bat this week and set the pace for the big league clout parade.

While Ducky Medwick of the Cardinals held a .400 average at the head of the National league for a week ended with yesterday's games, Waner belted 16 hits in 30 chances to boost his average .11 points to .386, and take second place from Gabby Hartnett of the Cubs. Big Poison's drive cut Medwick's loop lead to 14 points.

Gehringer, banging out 14 hits in 25 chances, skyrocketed into first place in the American league. The Tiger second baseman, booted his mark 13 points to .378, while the leader a week ago, Cecil Travis of the Senators, went into the hitting doldrums and sank to a tie for third.

Other hitting stars of the week were Ernie Lombardi of the Cincinnati Reds, who climbed into a tie for fifth place in the National league with 351; Joe DiMaggio of the Yanks, who jumped into sec-

## Much Reputed Smokes Meet Waits in Second Game Monday Night

Complete schedule of games for the first round in the state softball tournament, beginning Monday night, was known today with the completion of all district play-offs. An important development was the win of the Klamath Falls Smokes from Medford, qualifying Klamath Falls for the tournament.

Practice rounds over the Alderwood Country club course during the past few days have disclosed the quality of the field, and observers were cautious in naming favorites. The scores showed also that while golf is not essentially a young man's game, a number of youngsters who should make the veterans mind their putting are on hand.

## PAPER TEAM WHIPS WAIT'S BY SCORE 4-3

Bill Phillips presented the Salem championship softball trophy to Clayton Foreman, Wait's manager, just before the game last night, but the ceremony failed to impress the Papermakers, and they proceeded to knock the champions over 4 to 3 in an exhibition game on Sweetland field.

Crowfoot, starting pitcher for the Papermakers, fanned six men in the three and a third innings he worked, but B. Dunn, manager of the Papermakers, was taking no chances of having Wait's get too good a look at the delivery of his windmill chucker and quickly sent Singer to the mound in the fourth when hits by Steinbock, Bone and Beard produced one run. After one more run scored on an infield out, Singer blanked Wait's until the ninth.

Vern Gilmore, recruited from the Man's Shop team, pitched steady ball for the losers, giving up 10 scattered hits, but the two Wait errors came at the wrong times and contributed to his downfall.

The Papermakers scored twice in the fourth on a walk to B. Dunn, hits by Kelly and Singer, and an error at first. The winning run came in the eighth when Kelly singled, was safe at second on a fielder's choice, and scored on a single by Garbarino, pinch hitting for Parrish.

Wait's started a belated rally with two out in the ninth. Drynan, pinch hitting for Girod, doubled to center field and scored on Gilmore's line single to right, but Adolph grounded to first unassisted to end the game.

## STRUGGLE FOR FLAG BECOMES HECTIC BATTLE

(By the Associated Press) The Cubs from Pittsburgh have suddenly become as hot as the weather. And, with the Cubs faltering, they're joining the Giants in making a strictly two-fronted brawl of it for the National league flag.

As things stood today, the Cubs were only two games in front of the galloping Giants, while the Pirates, in fourth place and only half-a-game behind St. Louis, were some five games back of the New Yorkers.

The momentary breathing spell the Cubs enjoyed after Thursday's victory didn't last nearly long enough for them, for they dropped a 6-4 decision to the Reds last night in Cincinnati. This setback, coupled with the Giants' 21 hit, 13-6 win over the Phillies, and the Pirates' 7-4 edge over the Cardinals on yesterday's bill, made it a horce from a different garage.

The Pirates' particular need at the moment is pitching prowess. They've been coming back with the speed of a rubber check since they began their current drive 11 days ago. In that stretch, they've taken eight decisions in 11 games, relying strictly on a batting bombardment that has netted 126 hits, an average of better than 11 per game.

They were given their best pitching in a week yesterday, when Cy Blanton turned in a six-hitter, and fanned seven, in muffling the Cards, although a 15-hit attack on the part of his mates didn't exactly do him any harm.

For the one day, however, the blast set off by the galloping Giants against the faltering Phillies topped everything in sight. Bill Terry's Terrers turned loose their biggest offensive of the season in running up 13 runs on 21 hits, despite the breaks that side-lined Dick Bartell with an ailing ankle, Clyde Castleman because of the heat, and Dick Coffman with a splined foot.

Paul Derringer personally accounted for the arc-light decision over the Cubs by driving in five runs, thereby making the Chicago lead as slim as a reducing diet.

The Yankees stretched their American league margin to 12 1/2 games when Bill Dickey's 10-inning homer gave them an 8-7 edge over the Athletics. The second place Tigers received a thorough going over and lost to the Browns, 11-6.

The Indians topped the White Sox, 7-6, on Earl Averill's homer. The Senators socked the Red Sox, 3-1, and the Bees noed out the Brooklyn Dodgers, 6-5.

bonnais are listed as probable pitchers for Sunday's game.

## SILVER FALLS & TOLEDO TONITE

Silverton, Aug. 21—Silver Falls expects a tough opponent on McGinnis field Saturday night and Sunday in the postponed game with Toledo as host and the regular of the second half of the baseball series of the state league Sunday.

Toledo is rated as the best team in the state league. On Toledo's fine infield are McClaime, Smith, Mullen, Graser and Mebusus, all good hitters, and their alert outfielders are Trammill, Spiker, Sauer and Grazer with Williamson as utility man.

Silver Falls has been notably strengthened in the last two games played with Bonney, Arlett and Schowab making record plays in outfield.

Wilson will pitch Saturday night for Silver Falls and probably Billlette for Toledo, Jeli and Bour-
