Man Who Split Atom Summoned

Cambridge, Eng., Oct. 21 (U.P.)—Lord Rutherford, 66, the distinguished scientist, died Tuesday night after an abdominal operation. As director of the famous Cavendish laboratory and professor of experimental physics at Cambridge university, he was the first man to "split" the atom. Lord Rutherford made three fundamental discoveries—the nature of radioactivity, the nuclear structure of the atom and the electrical nature of matter. He was awarded the Nobel prize for chemistry in 1908.

Sour Risings In Throat Burned Like A Hot Fire!

In Misery After Meals with Painful Gas and Bloat, Awful Sourness in Stomach—Now Describes Quick Relief With Great Van-Tage!

Mr. Frank Roberts, of 1835 Bellevue Ave., Seattle, Wn., is now adding his name to the long list of widely-known people who praise and endorse VAN-TAGE the Amazing New Medicine now being introduced to crowds daily in this city at the Fred Meyer Trolley and Remedy Shop, 170 N. Liberty Street.

MR. FRANK ROBERTS

Read every word of this Prominent and Well-Known Man's Remarkable Statement, which follows:

Bloated Stomach Felt Twice Normal Size

"I was troubled with a bad stomach condition after my meals," said Mr. Roberts. "This seemed to be worse after my evening meal, and I sometimes bloated up until my stomach felt like it was twice its normal size and it felt like my stomach was weighted down. A lump of gas formed in my chest and would almost choke me. My food laid in my stomach and turned sour and a fluid like hot vinegar would come up into my throat and burn like fire! At night I couldn't sleep on account of this painful gas misery. I also had dizzy spells and spots before my eyes. Finally I started taking Van-Tage and it's simply amazing the way this medicine cleared the gas and sourness from my stomach. Why, almost before I knew it, my food began to agree with me and digest more like it should and now I enjoy my meals and don't suffer afterward, because the spells of gas bloating and sour stomach are relieved. It's wonderful to eat a real meal again and not bloat up with gas like I used to! Even the dizzy spells have been relieved and I have gained weight again soundly at night. I got such wonderful relief from Van-Tage that I feel like it is my duty to tell others about this Great Medicine, and I am glad to give it my public endorsement."
