

State Baseball League Makes Plans for Coming Season

Salem and Sheridan Quints Winners in Willamette Valley CYO Tourney

If Salem wants semi-pro baseball now is the time to act. Not next week or some time in May, but right now. State league officials and club representatives here yesterday were unanimous in their belief that the capital city should support a baseball club. One of them, W. L. McGinnis, a booster of the national pastime in Silverton, has offered the use of his park for all "home" games and the cost will not be more than actual expense of operation. The offer, while constituting a fine gesture on the part of Mr. McGinnis, should make Salem fans hang their heads in shame. Silverton with a population of less than 5000 persons, providing a ball park for a city with approximately 30,000 souls! If the offer doesn't create a spark of enthusiasm among the Salem fans, we might as well continue to enjoy the title of being the most unenthusiastic aggregation of humans on the Pacific coast.

Frank Nelson, who had no idea of getting back into baseball until shortly before yesterday's meeting, has agreed to see "what he can do." He lives at 1063 North Church and plays or others interested should call on him there. But do it during the evening hours; he's too busy with his own affairs during the daytime. Two or three years ago we had a number of good ball players. But dropping out of organized ball for a season has resulted in these men scattering. Some are playing with Silverton; others have advanced to higher class baseball. A guarantee of \$100 will have to be put on the line before Salem can enter the league. This will be returned at the end of the season, should the club finish the schedule. In addition to the \$100, the league voted to levy an assessment of \$25 against each club for publicity purposes. An expense of not to exceed \$10 will be charged against each unit of the league to care for the expenses of the president, who heretofore has been digging into his own pocket for travel charges.

Figures have not been made available, but it is evident the absence of Portland from the state tournament had little effect on the total attendance. In spite of the fact that Amity was the sole survivor of the championship round from the Willamette valley, interest in this year's show held up well. The gymnasium was not packed Saturday night but it is doubtful if more than 100 additional persons could have found seats. The efficiency of the organization developed by Coach R. S. Keene has become proverbial and this year's program was carried out like clockwork. The physical plant is in need of additions and betterments. These will come in due course if the tournament is to continue to grow and remain the outstanding amateur sports event of the year.

Horseshoe Club Statistics Given

Statistics have been compiled by the Salem Horseshoe club showing the standing of all players who have participated in record round robin games during the season so far. The figures date from last fall when the club occupied its new building near the women's mill and including the games played last Thursday night. A class members play for record every Thursday night and B class every Monday night.

A total of 19 players has participated in tournament games. H. E. Donaldson continues to lead, both in percentage of games won and in ringer averages, as he has done for several years. Donaldson has played an even 50 games of record so far this season and has won 47 of them. He has pitched 2974 shoes of which 1723 dropped around the pin, a ringer average of 57.9.

In second place is Clyde Riley, who has played 45 games, 24 wins and 21 losses and a ringer average of 49.7.

Don Brooks has played in more games than any other member, a total of 61 and has thrown 3700 shoes with 1738 ringers.

Players holding ringer averages of 40 per cent or better are: Donaldson 57.9, Riley 49.7, Pearson 48.6, Campbell 47.6, Brooks 47, Harland 43.4, Huntley 40.4.

Players in the first division of wins, that is 500 per cent or better, are as follows, the list being both Class A and Class B players: Donaldson 940, V. Mentzer 750, E. Harland 750, Vick 733, Campbell 622, Fisher 568, Gettman 550, Pearson 535, Riley 533.

Salem, Albany May Return to Bush Circuit

George Wilhelm of Eugene was re-elected president of the Oregon State baseball league as representatives of a number of clubs met here Sunday for their initial spring conference. W. L. McGinnis of Silverton was named vice-president, and Ray Brooks, Portland, secretary.

The league will have at least five clubs this season—Bend, Toledo, Silverton, Eugene and Hills Creek. Salem and Albany may enter the circuit, depending upon financial and player response. A second meeting to determine the league setup will be held at Albany within the next two or three weeks.

Woodburn, Sweet Home and Reedport will not enter the league this season, while Coquille, a possible entrant, has also decided not to participate. Inability to get jobs for players at Coquille was the reason advanced.

The league voted to demand guarantees of \$100 from each club to insure completion of the schedule while \$25 additional will be contributed from each unit to provide a fund for publicity and incidental expenses. An expense account of not to exceed \$60 was voted the president.

The league adopted an official ball which will bear the name of the organization and President Wilhelm. Rules governing players and elimination of spectators from the players bench will be worked out by the league officers and sent to individual clubs.

It is probable the league will use officials from the umpires' association, an organization which was represented yesterday by Bill Hayden of Portland.

Frank Nelson, business manager for the Senators, will investigate the possibility of placing a Salem team in the league. Vice-President McGinnis has offered the use of the Silverton field for all "home" games for Salem should the latter decide to enter. A small charge, covering expenses, would be made the Salem entrant.

Nelson has little idea as to the availability of players, consequently he has suggested that players who believe they are capable of playing State league ball, visit him at his home 1065 North Church street, evenings.

Buckaroos Voted Out of Puck Title

Portland, March 21 (AP)—The Portland Buckaroos, even up with Vancouver in the Pacific coast hockey league semi-finals, were out of the running today.

League President Fred Taylor last night announced the semi-final victory had been awarded to the Vancouver Lions, who will open the final play-off against Seattle in Vancouver tonight.

The action followed a controversy over the use by Portland last week of Louie Holmes of the Seattle Clippers to replace Chubby Scott, who was injured. Guy Patrick, Vancouver manager, protested Portland's victory claiming Holmes had not played Scott's regular position.

President Taylor said the matter was referred to a vote of league directors, who upheld the protest.

He said he had ordered the game replayed, but Rowe had refused.

"I'm wondering if they (Seattle and Vancouver) are playing for the league title or for the championship of Vancouver," Rowe said last night.

Spring Practice Started by Oliver

Eugene, March 21 (AP)—The University of Oregon's football new deal gets underway today with 45 candidates scheduled to report to G. A. "Tex" Oliver, successor to Prince Callison as head coach.

Oliver will be assisted by Ralph W. "Bill" Cole, newly appointed line coach, Mike Mikulak, backfield coach, and John Warren, freshman mentor.

Graduation casualties left a ragged Webfoot line, minus Vernon Moore and Denny Bream, centers; Tony Amato and Joe Huston guards; and Chuck Bracher and Bill Eaten, tackles. Arleigh Bentley, Dale Lasselle and Don Kennedy will be absent from the backfield.

Oliver said his first objective would be to get acquainted with his material, and that players would be put through basic drills and some new formalities this spring.

Baker Takes Trophy To Eastern Oregon

Baker, the "air conditioned city" of eastern Oregon, held the championship of the basketballers today. Not since 1931 when the Pendleton Buckaroos rode to the throne under the direction of Coach Fritz Kramer,

has an eastern Oregon outfit been able to win all four games of a state tournament series until the Baker Bulldogs came through Saturday night to clear Amity, the final obstacle, 27 to 18. St. Helens, making his first appearance in tournament play in many years, captured third place by easing McLoughlin out of the picture in the consolation finals 39 to 16.

Amity's zone defense kept Coach Allison's Bulldogs at bay during the first half, in fact the cagers from Yamhill county placed such a tight cordon around their basket that their opponents were able to pierce it but three field baskets and as many foul shots for a total of 10 points. In the meantime Amity had succeeded in scoring 10.

The second half saw Baker fulfill the predictions of the knowing ones when the Bulldogs entered the tournament—the team to beat—and Amity wasn't able to accomplish it. Whipping the ball about in rapid fashion, Baker eventually cracked the tight zone defense and Ragsdale, Sowers and Colson either broke through for close in shots or stood back of the foul circle to pot long ones.

St. Helens had virtually no difficulty in downing the club which had previously won two "sudden death" engagements. After a slow first period which found Mac high leading 4 to 3, Coach Frantz' boys got down to business and were out in front 16-4 at the intermission.

St. Joseph's 5 Places First, Senior Games

Mt. Angel—In the finals Sunday afternoon in the Mt. Angel college gym the Willamette valley CYO independent basketball championships were carried away by the St. Joseph's squad of Salem when they defeated Beaverton 30 to 18 in the senior division and by Sheridan's quint, who downed St. Paul 21 to 14 for the junior championship.

In the consolation plays Sheridan seniors won over St. Vincent of Salem 25 to 21 and Woodburn 20 to 9 out Beaverton juniors 21 to 20.

In the St. Joseph-Beaverton tip-off, the Salem lads started the scoring and held the lead throughout the entire game. Score at half-time was 17 to 12.

After the score was tied twice in the first half Sheridan led St. Paul 8 to 4 at half-time and kept the lead during the entire second half.

In the senior consolation game the score was knotted five times, at 2, 4, 9, 11 and 21. Sheridan was leading St. Vincent 14 to 11 at the half.

Having trailed the Woodburn juniors 12 to 8 at the end of the first period, Beaverton's scrappy five were not quite able to close the gap during the second half, coming within one point of the winner's score at the final whistle.

The awarding of the trophies will be made at a meeting of the Holy Name society, sponsors of the tournament.

The varying points of view of 31 coaches, officials and sports writers at the 19th annual state high school basketball tournament met here Saturday at one common point—Leonard Gard, stellar forward of University high school of Eugene.

Gard, who rang up 80 points in four games for a new tournament record, was picked as the most valuable player to his team and was the only unanimous choice for a position on the first all-star tournament team.

The same all-star team was named by players of the 16 participating schools.

Amick, Washington, Wins Ski Event

Government Camp, Ore., March 21 (AP)—Don Amick of Washington Ski club, Seattle, beat out a favored team of German ski runners to take first in the men's slalom event of the Cascade Ski club's spring tournament Sunday.

Hans Graze, Washington Ski club, who failed to place in the slalom, took combined honors in the men's division with 202 points on the strength of victory in the downhill race Saturday.

Virginia Bowden, Washington Ski club, took women's combined honors with first in the downhill and scored in the slalom. Don French, Cascade Ski club, Portland, led the juniors.

Amick nosed out F. Machler of Germany in the slalom. The nine Germans, who with Amick were marooned at Timberline lodge by snow Saturday and missed the downhill event, showed brilliant form Sunday and placed four men among the first ten.

Bulldog Club One of Best In Cage Play

The majority of spectators, players and coaches congratulated the Baker Bulldogs today as one of the fastest and smoothest combinations to win a championship in the 19 years of state high school basketball tournaments.

The Bulldogs, the second eastern Oregon title winner in history, dropped in 47 field goals in 147 attempts, establishing a four-game average of 320. Beilfountain averaged 306 in capturing the championship last season and Corvallis 317 in 1936.

Baker's rapid fire attack discarded dribbling and substituted sharp passing. The fact that Waymon Colson, the Bulldogs' highest scorer, was only the fifth in the individual point list bore out Coach "Stub" Allison's claim that the combination was a well-balanced scoring unit.

Leonard Gard, University high of Eugene, easily swept individual scoring honors. Gard, who won the most valuable-man trophy, averaged 20 points in each of his four contests.
