

Stocks Rise But Session Quiet Today

New York, April 21 (AP)—Utilities supplied aviation issues as stock market leaders in an irregularly higher and quiet session today.

Aviations continued active, featured by Martin, but prices slipped off on profit taking. A majority of issues in the main list registered small gains after early losses.

Belief that the administration had relaxed pressure on utilities brought buying into many utility stocks. This belief was enhanced by the president's conference with R.F.C. and S.E.C. officials yesterday on a plan to finance utility company equipment purchases.

Public service of New Jersey gained a point. Electric Power common was relatively active at 8 3/4 up 1/4 and its 7 per cent preferred touched 31 up 2 1/2. Consolidated Edison sold at 20 1/2 up 1/2; American Water Works 8 1/2 up 1/4; North American 17 1/2 up 1/4 and Pacific Gas 25 1/2 up 1/4.

In the airplane group, Martin made a new high at 22 1/2 up 1/4 and then eased to a fractional loss. Douglas fell back to the previous close after touching 44 up 1/4. Interest in the group continued high on word the war department would have no objection to British purchases.

Metal shares were mixed with steels lower and non ferrous issues firm. Steel common ranged between a high of 46 and a low of 44 1/2 and late in the session was at 45 1/2. Anaconda and Kennecott registered small advances. U. S. Smelting gained a point. Noranda Mining broke 3 1/4 points to 14. Homestake was off fractionally.

Some improvement was noted in building issues. Union Pacific gained 1/2 point in the railroad section, where prices otherwise were little changed. Small gains were noted in American Telephone and Westinghouse Electric. American Gas gained nearly 2 points.

United States government bonds continued to advance with the whole list in new high ground for the year. Grains were barely steady. Cotton futures rose a few points.

TO TABLE A MOTION is parliamentary procedure except in case of swift-moving Ruth Hughes Aarons, world table tennis champion seen in Boston during exhibition match. The Stamford, Conn., girl who has conquered own field hopes now for conquest behind footlights with a stage career.

Markets Briefed

(By United Press)

Stocks irregularly higher in quiet trade. Bonds higher and moderately active; U. S. government bonds at new highs for year. Curb stocks higher. Foreign exchange higher; franc lower. Cotton up 40 cents a bale. Wheat unchanged to 1/2 cent lower; corn unchanged to 1/2 lower. Rubber slightly higher.

Walker Nominated For Student Head

Corvallis, Ore., April 21 (AP)—The Greater Orange party composed of fraternities and independents at Oregon State college nominated Bob Walker of Portland for student body president. The progressive party selected Ed Burchell of Lexington. Pauline McGill of Ontario, and Janet Hinkle, Portland, were nominated at the annual assembly for secretary. Neither was connected with the two men's parties.

NEIGHBORS though Poland and Lithuania are, geographically, their political enmity was only recently healed and an exchange of ambassadors arranged. Lithuanian envoy to Poland is Col. K. Skirpa (above).

Some Cities Get Cut in Milk Price

The Dalles, April 21 (AP)—Edgar Smith of Portland, chairman, announced milk price declines of one cent a quart effective at the end of the month at The Dalles, Eugene, Klamath Falls and Astoria yesterday at a state milk control board hearing.

Four per cent milk will retail for 11 cents a quart and 5 per cent milk at 13 cents. Similar reductions occurred recently at Portland.

The Dalles prices went up in October following a board hearing. Smith said the reduction was designed to bring the cost to consumers on a level with other commodities.

The hearing was attended by only a few persons. Mrs. Thelma Gibson said "hundreds of housewives were disgusted" with milk conditions and advocated "10 cents a quart milk with any butterfat content."

Producers appeared divided on whether the 12 cent scale had caused a surplus of bottled milk here.

ers 14-18c, light and thin 9-12c lb., heavy 10c. Bull 10c lb., Canner cow 8-9c, cutters 9-10c lb. Spring lambs 16-18c, old lambs 13-14c, ewes 6-8c lb. Hog—Nominal: 1937 15c lb. Wool—1938 nominal: Willamette valley, med. 17c lb., coarse and braids 15c, eastern Oregon 16-18c lb.

San Francisco, April 21 (AP)—Butter, 2c score 26c, 91 score 23c, 90 score 25c, 89 score 24c lb. Cheese—Wholesale flats 13 1/2c, loaf 15c lb. Jobbers prices: Flats 14 1/2c, 15 1/2c lb. Eggs—Large 19 1/2c, large standards 18 1/2c, med. 17 1/2c, small 13 1/2c dozen.

Idaho River Plays Jackstraws With Logs—Huge logs were piled up like jackstraws against an open drawbridge on the St. Joe river at St. Maries, Idaho, where warm rains set the stream out of its banks. After the drawbridge had been opened, it could not be closed and school pupils at lower left were prevented from returning to their homes. The log jam was dynamited repeatedly to prevent destruction of the bridge. — Associated Press Photo.

Jersey 'Who's Who' Will be Revised

Dallas—Something new and different in the form of a "Who's Who" for western Jersey breeders will soon be available according to an announcement this week from the office of County Agent W. C. Leth. This directory of breeders is for the purpose of advising and directing prospective buyers about the various herds in the state of Oregon, Idaho, California, Colorado, Utah, Arizona and Washington. Leth, with Rex Ross of Mt. Angel and Howard Bertach of Oregon City, will form the Oregon group working with similar units from the other states, in the compilation of the new publication.

The booklet is really an advertising medium for the breeders. Present plans call for the printing of 10,000 copies to be sent all over the country.

Detailed information about the Jersey herd in Polk county will be included. Polk is considered one of the outstanding Jersey counties in the United States and is internationally known because half of the world records in butter fat production were hung up by Polk county animals.

Altruistic Club Sewing for Bazaar

Silverton—Mrs. C. J. Cooley was home hostess to the members of the Pythian Sister Altruistic club Wednesday afternoon with the guests sewing on articles for their spring bazaar and a social hour late in the afternoon.

Missionary Society Meets at Parsonage

Jefferson—The Evangelical Missionary society met in the parsonage. The devotions were led by Mrs. J. T. Jones and the members reported on the institute at Dallas. Mrs. J. T. Jones, Mrs. Ben Davis and Mrs. Nettie Reeves were appointed to plan the mother-daughter banquet in May. Miss Anna Klumpe read a letter from Miss Laura Mauk, missionary to Japan. Rev. A. P. Layton introduced the new study book, "Changing Rural America."

\$3000 Worth of Merchandise Stolen

The Dalles, Ore., April 21 (AP)—Approximately \$3000 worth of merchandise was stolen from the Fossil Mercantile company's store at Fossil Monday night, according to word received here today.

Klamath Frowns on McNary Measure

Klamath Falls, April 21 (AP)—Senator Charles McNary's sustained yield timber bill, now before congress, drew criticism from the Klamath county Chamber of Commerce forest committee in a report submitted yesterday.

FALSE TEETH STAY PUT

Fasteeth, a new improved powder, keeps plates from dropping or slipping. No gummy, pasty feeling. Sweetens breath. Gives real teeth comfort all day. Praised by people and dentists everywhere. Avoid worry. Get Fasteeth at your druggist. Three sizes.

SECRETS don't escape tight-lipped Gen. Baron Alexander von Falkenhausen (above), German advisor to Chiang Kai-Shek, Chinese war leader.

BACHSELER KING. Franz Joseph, 32, now rules tiny Liechtenstein, an independent principality of 65 square miles bordering Austria. He succeeded Prince Franz I, who reigned.

W. W. Turner

Lebanon—W. W. Turner, who was injured in an accident at the Woodruff logging camp near Sweet Home last Saturday morning, died from the result of his injuries at the Lebanon hospital Tuesday evening at 8 o'clock. He underwent an operation for amputation of his left leg on Monday afternoon. The body was sent to Glendale, his former home, for burial.

Deaths

Cranston—Charles K. Cranston, late resident of Pendleton, at the home of Charles Richer on route six, April 20, at the age of 74 years. Survived by widow and a daughter, Helen, both of Pendleton; sister, Lydia Cranston of Los Angeles. Services will be held from the Walker & Howell chapel Friday, April 22, at 2:30 p.m. with Rev. H. C. Stover officiating. Interment Mt. Crest Abbey mausoleum.

Edwards—In this city April 20

Eugene R. Edwards, aged 78 years, of 250 West Rural street, husband of Armina Belle Edwards and father of W.

Fuel Alcohol to be Made at Dayton

Portland, April 21 (AP)—A Yamhill county delegation at a meeting sponsored by the Oregon farm chemurgic council said yesterday that manufacture of fuel alcohol from farm wastes would begin soon at Dayton.

The farmers, business men and chemists met to open a campaign for one of four federal farm research laboratories here.

The Yamhill group said English motor fuels, supplied by a major oil company, were one-third alcohol. Speakers said if 10 percent of the United States' motor fuel supply was alcohol, it would require all the produce of tillable lands in the nation.

James W. Richardson, Dayton, declared "agriculture should be self-helping and not continuously looking for Santa Claus. American agriculture does not want a dictator nor a dole, but a fair price for farm products."

Births, Deaths, Marriages

Deaths—Charles K. Cranston, late resident of Pendleton, at the home of Charles Richer on route six, April 20, at the age of 74 years. Survived by widow and a daughter, Helen, both of Pendleton; sister, Lydia Cranston of Los Angeles. Services will be held from the Walker & Howell chapel Friday, April 22, at 2:30 p.m. with Rev. H. C. Stover officiating. Interment Mt. Crest Abbey mausoleum.

Edwards—In this city April 20

Eugene R. Edwards, aged 78 years, of 250 West Rural street, husband of Armina Belle Edwards and father of W.

FERTILIZE POTATOES for Quality and Profits

USE ENOUGH POTASH

Potash plays a big part in growing potatoes at a profit, because consumers will pay extra for a product of good quality. Potash not only increases the yield of No. 1 potatoes, but rounds out the tubers into desirable shapes, makes the plants more resistant to diseases, and prevents soggy and darkened color in cooked potatoes. Use at least 10% potash in your potato fertilizer applied at the rate of 800 to 1,000 pounds per acre. Potash may also be added to manure before planting or along the rows as a side-dressing at the rate of 200 pounds per acre. Consult your fertilizer dealer. You will be surprised how little it costs to apply the right amount of potash to make your potatoes pay profits.

Write us for further information and literature.
