Mrs. Stevenson Better

Silverton—Reports from the Silverton hospital show that Mrs. Henry Stevenson, for many years a resident here, is doing as well as could be expected and shows slight improvement. Mrs. Stevenson submitted to the amputation of her left leg below the knee during last week. She has been in ill health for a number of years. Being treated for infection on their hands are C. Stiber and E. Bigler, both improving nicely.

Alcatraz Felons Appear in Court—Doomed to death, if present charges stand, two Alcatraz prisoners, James Lucas (second from left), and Rufus Franklin (in long-visored cap), were led into federal court in San Francisco to be arraigned on charges of murdering Senior Custodial Officer R. C. Cline during an attempted escape from Alcatraz May 23. Both men declared they wished legal counsel and were returned to the island prison immediately after the hearing. — Associated Press Photo.

Waldo Mills Chef de Gare

With opposition only in connection with the office of chemist and delegates to the grand promenade at Pendleton, the annual election of Marion county voters 153 of the 40 et 8 society of the American Legion was a comparatively quiet affair last night. Officers unanimously elected Waldo Mills, chef de gare, succeeding Irl McSherry; B. E. (Kelly) Owens, chef de train; Les Wadsworth, correspondent; Hans (Curly) Hofstetter, conductor; Sim Elzel, Stayton, garde de la porte; King Bartlett, lampiste; Herman Brown, commis voyageur and Dr. V. A. Douglas, medicin.

Chemists are McSherry, Harry Wilson, Silverton and Jack Brady. Delegates to the grand promenade are McSherry, Dr. J. O. Van Winkle, Jefferson; Dr. G. E. Prime, Herman Brown and Kelly Owens with alternates Hofstetter, George Man-

ils, Silverton, Mem Pearce, Brazier C. Small and R. H. Bassett.

Dr. Laban A. Steeves, general chairman of the picnic committee, said everything is in readiness for the affair which will be held at Silver Creek Falls state park all day Sunday. A feature will be a softball game between Marion county voters and a team composed of voyagers from Rose City post No. 35 in Portland.

The picnic will be held in the new section of the park, with entrance through the regular South Falls park, George Manolis reported.

Dr. Van Winkle, retiring medicin, reported the voters had immunized 283 children. Congressman James W. Mott, a member of the voters, spoke briefly.

2 Governments Approve Treaty

Buenos Aires, July 21 (AP)—The governments of Bolivia and Paraguay today formally approved a treaty initiated by their foreign ministers July 9 submitting their century-old dispute over the Gran Chaco to arbitration by six neutral nations.

The agreement was reached after three years of effort to end quarrels over the almost worthless territory.

Formal signature of the accord will take place tomorrow. Then presidents, or their representatives, of the United States, Argentina, Brazil, Chile, Uruguay and Peru will meet to fix the Paraguayan-Bolivian boundaries through the Gran Chaco.

The way was paved for final approval of the treaty when Bolivian and Paraguayan delegations to the Chaco peace conference signed a memorandum definitely accepting the plan for arbitration.

The treaty provides for re-establishment of diplomatic relations between the two countries within 30 days after the neutral committee rules on the boundary line.
