

# Vikings Ready for Indians

## Hauk Easing Up; Contest Thursday Eve

A lot of work in blocking, kicking and passing, plus some dead earnest scrimmage, has brought about considerable improvement in Coach Harold Hauk's Viking football club. Consequently the red and blacks are expected to give the Chemawa Indians plenty of exercise on Sweetland field Thursday night.

The game, slated to start at 8 o'clock, will be the first of the season for this vicinity. No one connected with Salem high is optimistic enough to believe that anything like the 32 to 0 score of a year ago will be repeated Thursday night. In fact, a lot of Viking fans would be satisfied with a one-touchdown margin of victory.

Coach Hauk sent his club through a brisk scrimmage Tuesday afternoon but will ease up until game time. The usual run of bruises, cuts and strawberries has shown up, but so far no serious injury has marred the Viking training period. Pearline, end, is nursing a charley horse which may keep him on the sidelines, while Nelson has a leg injury. The latter, however, will get into the first game.

A tentative starting lineup calls for Tandy at left end; Wickham, left tackle; Jarvis, left guard; Leedy, center; Yada, right guard; Williams, right tackle; Gosser, right end; Nelson, Walter, Andrews and Quackenbush, backs. Of this crew Williams and Nelson are the only regulars from last season. Nelson and Andrews will divide the kicking honors. The latter did a good job of booting for Leslie last season.

Others likely to see competition against the Indians are Wadsworth and DeLapp, guards; Paulson and Butte, tackles; Traglio and Pearline, ends; Straw, Sullivan and Evans, backs. Harold Biles, getting his first experience at the game, is an excellent tackle prospect, while Bill Shinn, a track man, is an extremely aggressive back.

## Chicago Hi Flash To Gallop Again

Chicago, Sept. 21 (AP)—Bill De Correvont, the nation's most highly publicized 1937 prep football player, will gallop again Saturday on a college gridiron.

While Iowa headed for its inter-sectional game at Los Angeles and Minnesota girded itself for Washington's Huskies, Big Ten football interest around Chicago centered on "the kid" and Northwestern's coming freshman-varsity game.

In De Correvont will make his collegiate debut as the freshman's left back.

He wound up the 1937 season at Chicago's Austin high school with 30 touchdowns, nine in one game, and most of them on long dashes. He scored 211 points and made at least one touchdown in each of 10 games. As a finale he led Austin to a city championship—and a crowd of approximately 115,000 paid its way into Soldier field to see it happen.

## Oregon Normal Plays Soldiers

Monmouth, Ore., Sept. 21 (AP)—At least eight lettermen will be in the opening lineup of Oregon Normal when it takes the field Saturday against Vancouver Barracks. The game will be played at Independence. Coach Cox of the Normal aggregation has a line averaging less than 190 pounds, and is stressing an aerial attack.

Forest Grove, Ore., Sept. 21 (AP)—Headed by Len Gillman, triple-threat man, Pacific University will offer a backfield of veterans against Portland University Pilots at Portland Saturday night. Gillman, all-conference halfback, will carry the brunt of the Badgers' offensive play, along with Lee Pangle, Johnny Taylor, Howard Horner, Clair Jarvis and Ewayn Lleanlen.

## Lebanon Drills For Silverton

Lebanon—Coach Jack Woodard is drilling his squad of Lebanon High Berrypickers with blocking, tackling and pass defense, in preparation for the local squad's first league game with Silverton Thursday night on the Silverton gridiron. The mentor has made several changes in lineup designed to strengthen the local eleven. The changes were based on experience gleaned last Friday night at Hood River when the Berrypickers were blanked 27-0.

## Bank Priming Vandal Horde

Moscow, Idaho, Sept. 21 (AP)—Coach Ted Bank pointed his University of Idaho football squad today for the opening game against Oregon State Saturday with the satisfaction of having the quarterback post filled capably three deep for the first time in many years.

Earl Gregory appeared today to have a slight edge for the starting job, but Letterman Mearle Stoddard and Mac Beall, a junior college transfer from Santa Ana, Calif., will be ready to step in.

Bellingham, Wash., Sept. 21 (AP)—The second game in the play-off series between Bellingham and Yakima for the Western International Baseball League title will be played tonight, barring bad weather. The contest, originally scheduled for last night, was washed out by rain.

## Eyston Rides With Death in Thunderbolt

Bonneville Salt Flats, Utah, Sept. 21 (AP)—Capt. George E. T. Eyston rode five miles today with death tugging at his giant racer, "Thunderbolt." Attempting to raise his own world land speed record of 357.5 miles per hour, the covering over the two right rear wheels of the car fouled and the machine careened through the measured mile at 349.85 miles per hour, sliding on the back corner of its metal shell like a bob-sled.

The car was so badly damaged Eyston said he was through on the flats for the year and would return to England on the "Queen Mary" October 2.

"I had a very bad time," the retired army captain said. "The car broke down just as I entered the mile.

"I was then going well over 350 miles per hour. It dragged all the way through but I kept her under throttle.

"I thought perhaps the car wasn't too badly damaged. But when I let up on the throttle and it skidded to a quick stop three miles short of the north end, I knew my running was over."

## Senators and Seals Victors

San Francisco, Sept. 21 (AP)—The underdogs held the upper hands today after initial games in the Pacific coast baseball league Shaughnessy play-offs for \$10,000 in prize money.

The Sacramento Senators, who wound up in third place in the league standings at the end of the scheduled season, were outpitched 19 to 14 by the Los Angeles Angels, league pennant winners, but won the game, 10 to 6, by piling up an early lead.

San Francisco's Seals, who got into the play-offs by two percentage points, nicked the Seattle Seals' pitching sensation, the juvenile Freddie Hutchinson, for nine hits to win, 4 to 2.

Two Sacramento home runs helped the Senators win. The Senators pushed over four runs in the fourth, one in the sixth, three more in the eighth and one in the ninth. The Angels rallied in the last of the ninth to put over five runs on as many hits, but the Senators cut the uprising short.

Lou Koupal outpitched Hutchinson, but old Pard Ballou, the Seals' relief pitcher who has pulled more than a score of games out of the fire for them this season, was called upon in the eighth to put down a Seattle rally in the eighth when Koupal lost control. A two-bagger by Frankie Hawkins, which sent two runners home, gave San Francisco its margin of victory in the sixth inning.

## Druxman Seeking Hostak Opponent

Seattle, Sept. 21 (AP)—Nate Druxman, Seattle promoter, had Al Hostak's signature today to a contract for a middleweight championship bout here November 1 and was looking around for a likely opponent.

Druxman revealed he has opened negotiations with managers of three likely opponents of the middleweight champion—Walter Woods of New York, Solly Krieger of Brooklyn and Glen Lee of Los Angeles.

Young Corbett and Fred Apostoli, two leading aspirants for Hostak's crown, are not being considered because they are matched for a bout in New York November 18.

Hostak won a three-round technical knockout over Young Stuhley here Tuesday night.

## Hollingbery Has Offensive Plan

Pullman, Wash., Sept. 21 (AP)—In the dark as to what to expect from the Oregon Webfoots in their first game under Coach Tex Oliver, Washington State's football squad is working on the ancient theory a strong offense will be the best defense.

Coach Orin (Babe) Hollingbery has drilled the Cougars intensively this week in offensive maneuvers. Passing has been a major activity. Left Halfbacks Eddie Bayne, Paul Callow and Dick Emerson have been concentrating on the right-hand tossing and Right Halfback Cecil Weichko on the left-hand shots.

## Leslie Squad Builds Anew

Last season Coach Lloyd Girod built up one of the best football teams to represent Leslie Junior high in many years and when the equipment was placed in its proper place along early in November, he looked ahead to considerable success this season. But a lot has happened since then. For one thing virtually all of the boys who had competed last year and who were still eligible for junior high football, have fallen to show up. Barton, an excellent tackle prospect, has joined a CCG camp; Anderson, a guard, and Larkin, halfback, have moved to other communities, while Boatright has entered another school. All of this deflection leaves but two boys who have had experience, Holt, a fullback, and Hathaway, center.

About 40 boys have been working out since late last spring, with fundamentals being stressed. No effort has been made to learn plays or scrimmage. Coach Girod hopes to interest a group of seventh and eighth graders in the game, not so much for this season's competition but for future efforts.

Leslie's field, baked by the summer's sun, was extremely hard to start the season. Efforts to soften it up a bit through the application of water have proved none too successful since mud puddles have resulted. The field has a clay top which prevents water seeping in.

Leslie will take part in the Salem public school intramural program which includes Parrish and two sophomore clubs.

## Ruffing, Hubbell Top Popular Poll

Chicago, Ill., Sept. 21—The pitching staff composed of five men, for the mythical honor team being selected by the fans in the All-American baseball popularity poll, will come from the following ten hurlers:

Bridges, Detroit Tigers; Dean, Chicago Cubs; Feller, Cleveland Indians; Gomez, N. Y. Yankees; Grove, Boston Red Sox; Hubbell, New York Giants; Lee, Chicago Cubs; Newsome, St. Louis Browns; Ruffing, New York Yankees; Vander Meer, Cincinnati Reds.

These ten moundmen put a list of more than 100 nominations. It was announced today by the board of judges for the Kellogg cereal company, submitted in the country-wide contest. The tabulation of pitchers ballots has reached the half-way mark. Five pitchers are to be selected for this team of popular athletes and to each of them will go a new auto.

Of the ten named above, Ruffing of the Yankees and Carl Hubbell of the Giants are staging a neck and neck fight for individual honors. Vander Meer of the Reds is right close on their heels, while every one of the other seven listed has a good chance to land among the fortunate five.

## Dado of Manila Beats McCusker

Stockton, Calif., Sept. 21 (AP)—Little Dado of Manila, California's bantamweight titleholder, used an effective left hand to win an easy 10-round decision from Jimmy McCusker of Bozeman, Mont., last night.

McCusker, Montana state champion, won the 6th, 8th and 10th rounds, but the points piled up on Dado with the aid of his disturbing left, were too much to overcome. Dado weighed 114; McCusker, 116.

Midnight Bell, 161, Portland, Ore., stopped Johnny Foster, 165, Oakland, in the third round of the six-round semi-final match.

## Second Place Main Stake in Baseball Race

(By the Associated Press)  
Even the Yankees' record losing streak can't stir up much interest since the New Yorkers have clinched the pennant. The fans won't be excited about the national league race until the teams are able to come out from under their umbrellas and play a few games. But in the meantime the Boston Red Sox and Cleveland Indians are stirring up quite a lively pair of private battles.

Second place in the American league is their main stake and their leading representatives at the home plate, Jimmy Foss and Earl Averill, are quite in the thick of the fight for the batting crown.

The Red Sox returning to action yesterday after having had two straight doubleheaders washed out, regained a little lost ground by walling the St. Louis Browns in both ends of a bargain bill, 12-8 and 7-2. The Indians took a single game from Washington, 9-1.

The only other game played saw the Yankees establish a new record for Joe McCarthy's managerial regime by losing their fifth straight game, a 5-4 decision to the Chicago White Sox. It was the first time since McCarthy took charge in 1931 they had dropped so many in a row.

The entire national league program again was rained out along with the Athletics-Detroit game in the American. It didn't make much difference in the senior circuit race this time, for the teams still can play the games off in doubleheaders if the rain stops today.

## Salem Bees Play Mill City Friday

The Salem high Bees will engage Mill City high's grid team on Olinger field Friday afternoon at 3:30 or 4 o'clock. The personnel of the Bees will include high school players who did not get into the Chemawa game Thursday night. They will be under the direction of Cotter Gould, assistant high school coach.

An effort to provide games for all high school boys who turn out is being made. Coach Harold Hauk is seeking competition against second string clubs of the larger high schools or "variety" squads of the smaller institutions. Any school which would like to try their luck against the Bees should communicate with Coach Hauk.

## Keene Indicates Aerial Offensive

Coach "Spee" Keene left no doubt of his intention of using the aerial game generously when Williamette opens the season against Linfield Saturday night, when he hustled the Bearcats through a hot passing practice yesterday.

The drill indicated Keene will have five or six accurate passers. Gene Stewart, sophomore, showed well yesterday. Others passers are Bennett, Miller, Chapman, Gigler, Conti and McKeel.

## Expert Fisherman Here Thursday

Roy L. "Doc" Haslett, self-styled "rummy fisherman," expert fly-caster and instructor, will give a demonstration of the art of dropping the lure where it will do the most good, on the courthouse lawn Thursday evening from 4 to 7 o'clock.

Haslett has made a number of appearances in Salem and has given freely of his time in assisting the novice in his fishing problems.
