College Capers

Betty-Sue McCready

Oregon State College—"Nickel a dance! Nickel a dance!" is the theme song of women's living groups, this week-end. The traditional nickel hop held every year during the fall term proved so popular this year it will be repeated Friday night. These dances are affairs where the co-eds stay home and play hostess to all the "Joe Colleges" who go from living group to living group paying five cents for 15 minutes of dancing. The hops will start later than usual tomorrow night, as the Oregon State and Oregon basketball teams will clash on the maple court, starting at 7:30 p.m.

Honor at last to those students who studied faithfully and thoroughly all through the term, not waiting until finals to start to "dig in" and really concentrate. Kenneth Caise was one of four students in the sophomore class to receive A's in all his subjects. Darle Dudley also made a perfect record for his fall term's work. Alice Cunningham, Kenneth Clark, Charles Warren, Dorothy Butte and Leonard Shoen were listed on the roll of honor as receiving a grade point average of 3.5 or above.

Who will be acclaimed the most popular, the most beautiful and the most charming girl in the junior class? The co-ed chosen will rule

as queen of the Junior Prom to be held January 28. Gordon Black has been appointed assistant chairman of the decorations committee for this ball. Art Clemens will work on the publicity committee.

Eleven per cent gain in women student enrollment over last year is the data announced by Registrar Lemon. The sophomore class contains the largest number of students (Concluded on Page 9)

GRIPPED BY MISERY OF A SORE THROAT!

(DUE TO A COLD)

Do this NOW—go after it with direct treatment. Melt a small lump of Vicks VapoRub on the tongue. Feel the comforting VapoRub vapors trickling down—bringing irritated membranes... bringing blessed relief—where you want it—when you want it.

Then TONIGHT—massage throat, chest and back with VapoRub. Its poultice-vapor action loosens phlegm—clears air-passages—eases coughing—relieves local congestion.

This 2-STEP METHOD is one of the proved ways of using VapoRub that have made it a family standby in more homes than all other medications of its kind.

MEN LOVE GIRLS WITH PEP

If you are peppy and full of fun, men will love you to dance and parties.

BUT if you are cross, listless and tired, men won't be interested. Men don't like "quiet" girls. When they go to parties they want girls along who are full of pep.

So in case you need a good general system tonic, remember for 3 generations one woman has told another how to go "smiling thru" with Lydia E. Pinkham's Vegetable Compound. It helps build up more physical resistance and thus aids in giving you more pep and immune defense from female functional disorders.

You'll find Pinkham's Compound WELL WORTH TRYING!
