

Willamette Takes Second Game of Idaho Series, 53-32

Skits and Scratches

Perhaps we are getting hard of hearing, but or meebly "Frisco" Edwards has slipped in the matter of enunciation. But whatever the reason, we certainly got the "wrong pig by the ear" when we said that "Lief Allen" was being sent south to train with Los Angeles of the Coast league. We were put on the right road yesterday when we drove up to Larry Fallin's gas emporium (no charge for the ad.) It is Lee Fallin who has been signed by the Angels for a tryout in the pitching department. Lee is a brother of Larry, 20 years of age, who did some chucking for Coach Harold Hank over at Salem high. Lee has a lot of speed, developed by throwing rocks during his rambles along the streams and over the hills. He got through high school, but fishing and hunting were more to his liking than mathematics, languages and kindred subjects. The out-of-door developed Lee's physique, even if it didn't get him straight A's. So at 20, he's about six feet tall and weighs 178 pounds. Loose jointed and supple muscles make him an ideal candidate for the pitcher's mound. He was scouted by "Dutch" Reuther, who sent him three contracts before Lee finally came to terms. He has been working in the timber over at Valselt and will report to the Angels' camp late next month.

It is likely there will be three officials instead of four to ride herd over the 16 teams entered in the state tournament next March, since the board of control, OHSAA, is reported to have reduced its budget for referees. Last season Buck from Milton-Freewater and Henjes of Portland were brought in to work with Coleman and Piluso, veteran whistle-blowers. The latter have been offered the job for the coming tournament and probably will be asked to name a third man.

While on the subject of officials we would suggest that Coach "Spec" Keene's idea of breaking in so-called "student" referees is a good one. Under "Spec's" scheme, a couple of outstanding younger officials would be added to the officiating staff for each tournament. They would be assigned the less important or consolation games where they would gain valuable experience under tournament conditions. Sooner or later Coleman and Piluso are going to be forced to yield to men with younger legs; either that or the state association will be compelled to invest in a couple of wheel chairs.

Phil Bell, assistant district commissioner for Amateur Athletic Union activities, has been informed that the state tournament will be held in Portland February 25 to March 4, and that it will be up to him to stage a play-off for teams in Marion, Polk, Lincoln, Linn, Yamhill and Benton counties. Eldon Jenne, chairman of the basketball committee, suggests that Phil arrange such a play-off to be out of the way not later than February 18 or 25. Any teams planning to enter such competition should contact the local commissioner in the near future. Incidentally, the Portland tournament will be held in two divisions—one with 16 independent teams and the other with college entrants. The winners in each division will meet for the championship with the title holder being eligible to take part in the national tournament at Denver, Colo., March 12-18.

Suaver Transporting Pupils Next Year

Suaver—At the special election W. J. Kerr was elected to fill the unexpired term as school director of Mr. Spencer, who moved away last month. The vote on whether this school would be discontinued or not was 21 to 8 to transport the students to another school next year, which will probably be to Monmouth or Independence.

Bearcats Turn To Books for Next Few Days

The score wasn't as large as for the first contest, but Willamette's win last night over College of Idaho in a Northwest conference basketball game was just as impressive. The Bearcats, checking a trifle closer, dominated play throughout to win 53 to 32. Coach Howard Maple's boys will turn their attention to exams next week and will not take up basketball again until the night of January 28 when they play Pacific at Forest Grove.

Eberly with his tip-in shots, Skopil and Quesseth gave the 'Cats a 32 to 13 lead at half time. Bill An-ton, way off in his marksmanship, got a single field goal and that came late in the contest. Bob White, after being unable to find the range in the early stages of the game, did somewhat better later on.

Willamette led 15 to 6 after about eight minutes of play and then ran it up to 30 to 6 before Idaho could score again. Thomason who scored the Coyotes' first six points, kept Idaho from being too badly outclassed when he potted five during the second half. The visitors appeared somewhat discouraged early in the game but perked up considerably after the intermission.

The wins Thursday and Friday counted double in Willamette's win column.

IT'S FUN FOR THE FANS but to the men on the ice, this hockey is a downright serious business, as witness the grim faces of these three, battling over the puck during a New York game. Chicago Black Hawks' Goalie Karakas (left) defends the cage while his team-mate Wiebe fights with the New York Rangers' Shibicky (right) for the puck. The Rangers won, 6-0.

Mill City Loses Once in 4 Years

Mill City—Frank W. Smith, coach at the Mill City high school, announces that the basketball game lost to Gates here last Friday night was the first Marion county "B" league game Mill City has lost in four years. Whether or not the game falling on Friday, January 13, had any effect on the outcome is purely a problem for conjecture.

John Henry May Go Limit With Champion

New York, Jan. 21 (AP)—The shrewd old-timers of the boxing clan are nearly unanimous in predicting that John Henry Lewis will give Champion Joe Louis a real run for his money next Wednesday night and still will be throwing leather at the end of 15 rounds.

Not a single manager or former manager interviewed by the writer has come out flat-footed and predicted a knockout for the champion. They admit the possibility, of course, but their best guess is that John Henry, the finest boxer among the big men, will go the route and make a more even thing of it than Tommy Farr did summer before last.

Skiing Reported Much Improved

The Willamette national forest reports that skiing conditions are very good this week-end. At Hoodoo Bend twelve inches of new snow have fallen, bringing the total depth to six feet. The condition of the North Santiam highway is fair, but chains are needed. The Hand Lake ski area also has 12 inches of new snow, making skiing good. Chains are advised above Whitebranch, and the last five miles one-way traffic prevails, with few passing places. The parking space at the end of the road is limited.

Webfoots Win, Beavers Lose, Huskies Lead

Two high-geared basketball outfits, Washington and Oregon, pushed ahead on the title road in the Pacific coast conference northern division today at expense of Oregon State and Idaho.

The Huskies overcame an early lead to hand Oregon State its fourth conference beating at Seattle, 34 to 21, while Oregon was romping over Idaho, 38 to 30, at Moscow. The four teams play on the same floors again tonight.

It was the twelfth straight win, counting practice games, for Washington, which now leads the northern loop with three conference wins and no losses. Oregon, defending division title, has given conference victories and one defeat.

O.S.C. using deliberate set plays that exploded into scoring drives, shocked the Huskies by making three baskets in its first five shots to take a 6-0 lead. Washington called time out, solved the Oregon State system, and tied the count at 11-11 by halftime. O.S.C. regained the lead on a free throw as the second half started, but Washington dominated after that. The Huskies permitted the visitors only two field goals after the opening spurge.

In the game at Moscow, Oregon's Laddie Gale, Wintermute and Dick baffled the Vandals with deadly basket-shooting. Oregon didn't extend itself and Idaho's stalling, defensive tactics merely, kept the score down. Idaho led briefly at one time in the first round, but Oregon was ahead 19-15 at the half and had command throughout. Idaho broke out with a flock of long range goal attempts near the end, but had no luck.

Intramural Clubs In Close Games

One runaway game and two close battles featured play in the Salem intramural basketball league yesterday. Parrish dominated the Woodworkers 43-8 while the Oregon School for the Deaf nooded out Future Farmers, 22-21. Leslie beat the Soph Reds 27 to 26 but it took an overtime period to accomplish the trick.

Jackson, Kroeger and M. Peters contributed baskets during this frame.

After running up a score of 38-12 at the three quarter mark, Coach Adams sent in fresh men who continued to pile up points. Independence second string cagers outpointed the Dallas Bees 24 to 12 in the preliminary. Primus with 12 and Byers with 8 points led the scoring for Independence.

Page Sparks Salem to Win Over Eugene

Sparked by Frankie Page in the second half of the ball game, Salem high turned in a 39 to 25 win over the Eugene Axemen last night on Willamette floor. The first half saw the Axemen play a rather indifferent brand of ball, although they managed to keep ahead of the visitors, the score being 11-9 at the quarter and 17-13 at the half. B. Robertson and Smith tied it up at 17-all shortly after the opening of the second half and at that point Page took the floor. Eugene didn't tally again during the third period but the Hawks, with Taylor, Gosser, Page and Sebern finding the range brought their string up to 26.

Gosser played a more aggressive type of ball last night brewing up the basket to connect for five field goals. He missed several more. Sebern, the workhorse of the crew, also collected five baskets. Page checked in four in seven attempts.
