Manager, Players Near Agreement

New York, Feb. 21 (AP)—President Ed Barrow of the New York Yankees figures his five unsigned players all will come to terms before the first contingent of ball players leaves on Saturday for the St. Petersburg, Fla., training camp.

The five are Joe DiMaggio, Frank Crosetti, Bill Dickey, Red Rolfe and Joe Gordon.

"We are only a few points out of line with these players," said Barrow. "Before the end of the week we'll likely have every player under contract."

Dallas Plays Last WVI League Game

Dallas—Finis will be written to the high school Dragons' WVI league schedule for 1938-39 when they close their season against Silverton at Silverton Tuesday night. The game is an important one from the Dragons' point of view as a win will definitely assure them of at least a tie in the league standing when all games have been played.

Molalla, their rival for the title, has still two games to play and should they win both and Dallas defeats Silverton, Molalla and Dallas will hold the title jointly.

The Buckaroos have confirmed the prediction Coach Dwight Adams made before the season opened that they were a tough ball club. Since losing their first two games they have won consistently and put a real damper on the hopes of the Dragon crew when they turned in a 33-32 win on the Dragons' home floor.

With the Silverton game out of his system, Adams will begin preparing for the district tournament which opens at Monmouth March 1. Dallas will play the first game against Hillsboro high, top ranking team in Washington county.

Against Silverton the Dragons' regular line-up of Williams and Low at guard, Jackson at center, and Dornhecker and A. Peters at forward is expected to take the floor.

O'Hara Holds up Request From WPA

Alderman David O'Hara wasn't satisfied with the way the WPA, through the municipal research bureau, handled the agreement with the city for a compilation of city ordinances and weeding out of obsolete ones, so he temporarily blocked a WPA request last night for two city maps to be used in listing all non-tax paying property in the city. The council voted to ask for more information before deciding whether the request shall be granted.

O'Hara said the council was led to believe the ordinances would be compiled and weeded out at very little expense to the city.

"But," he said, "towards the end of the year we received a bill for $500. It hasn't been paid yet and there isn't any fund to pay it from."

Two Stowaways Offer Problem

Portland, Feb. 21 (AP)—If a British steamship company will accept the advice of United States immigration authorities as to the disposition of two Vancouver, B. C., stowaways it might save itself some cash.

The youths, Edgar Hibbs and William B. Dolby, were removed from an English ship when it docked last week. The government held it was not obliged to meet deportation expenses because the boys were not here of their own choice. The steamship line has three alternatives: Pay the boys' expenses while they are in custody, advance funds for transportation home, or take them half way around the world to the next English port of call.

The government recommended it would be most economical and practical to pay the bus fare to British Columbia.

Bucs Return to Winning Ways

(By the Associated Press)

The two-game losing streak of the Pacific coast hockey league leaders, the Portland Buckaroos, ended last night when the Bucs defeated the cellar dwelling Vancouver Lions 3 to 1 in Vancouver.

The Bucs lost to Spokane Sunday night and to Vancouver Friday night.

The Lions went into the lead in the second period when Mory Rimstad scored on a pass from Tip O'Neill but their lead soon vanished.

Aubrey Webster scored the Bucs 10 minutes later on a pass from Louis Holmes and Eddie Oulette. Walter McCartney broke the deadlock early in the third period and then added a goal for good measure.

He scored first on a pass from Holmes. His second score was unassisted.
