

Nursing Home Makes Added Improvement

Lebanon — Addition of sufficient space to enlarge capacity of the home to two bed wards and addition of a modern well equipped de-

livery room was announced by the Preever Nursing home this week. Work was completed by C. M. Pearson last week on construction and much of the interior finishing has been completed this week. Painting of the exterior will be undertaken

in the near future and will complete the program. The home has taken care of maternity cases in the past and now will take convalescents as well.
