Earnestness Is Keynote of Silverton Talk

Silverton—Rev. James Osborne of McMinnville, a favorite with Silverton audiences, built his Armistice day address at the armory Saturday around the thought, "All Ye Who Pass By" in a plea that Armistice day should never be forgotten in America. He advocated for the progressive Americans to be students, get into politics, use franchise and rededicate lives for freedom of speech, press and worship.

W. P. Search, program chairman, introduced as special guests from the platform Mrs. R. L. Gourley, representing the Woman's Relief Corps, past department chaplain, and past patriotic instructor of the WRC; Mrs. Dora E. Reeves and Mrs. Richard F. A parade, made up of the color bearers of the Veterans of Foreign Wars and their auxiliary, the American Legion and auxiliary color bearers, a group of veterans, a full quota of the anti-tank platoon of the Headquarters company, 162nd Infantry, in command of Captain Harry Riches and Lieut. Locker Raiders Get Surprise On Viewing Loot

Silverton—"My revenge would be more than complete if I could watch them view the contents of the stolen packages," said Walter Morgan, in commenting on the theft of supposedly frozen meat from his locker in Silverton.

Morgan, by the way, forgot to lock the container after placing packages wrapped in the same manner as different cuts of meat. These packages were taken without leave with the locker as bare as the proverbially empty Mother Hubbard's cupboard, when Morgan went to get the feed for his hungry mink of which he has a large group on a farm adjoining town.

Mink, it was learned from Morgan, thrive splendidly on tripe, in plain common parlance, cow stomachs, and the contents thereof, given free or with very little charge at the slaughter houses. He had just obtained a new supply and these are what the thieves carried away.

Seven Weeks' Driving School Offered Dallas

Dallas—A seven weeks' driving school will begin November 14, with an experienced examiner in charge. The driving school is being sponsored by Earl Snell, secretary of state, and is a part of his statewide campaign for traffic safety.

Classes will be held each Tuesday at 9:10 o'clock for the seven weeks' course and persons 15 years of age or older may enroll. At each class session one phase of driving is taken up and between classes the students are urged to practice what they had learned at the previous lesson. During the opening class the instructor will outline the work to be covered and will discuss rules and regulations pertaining to operating vehicles in Oregon.

Turning and backing, parallel parking, stopping and starting on hills, use of the clutch, the proper method of starting a motor, and the general care of the car will be taught in subsequent classes.

All class work with the exception of the first session will consist of actual driving instruction with the student at the wheel of the car. These schools are based on the theory that the person who learns to drive under a competent instructor will be a safer driver than one who learns in a haphazard method.

During the past two years Snell's office has sponsored 118 such schools in 62 Oregon communities with an enrollment of approximately 4500 persons.

Two Adopted Citizens Are Proud of Nation

Silverton—With Armistice day bringing to mind anew the pleasures of a nation at peace and the increasing need of patriotic demonstrations, Silverton is fortunate in having two elderly gentlemen, both born in Europe, who are sufficiently appreciative of their adopted country, the United States, that they fly the American flag at their homes on practically every day of good weather.

This is a reminder that some of the American born can learn a lesson in respect to the flag.

Julius Alm, coming to the United States from Norway when a young man in his teens, and now having the distinction of being here the longest number of years as a local merchant, never fails to fly a large flag at his West Hill home, and for this reason, many citizens speak of the hill as Liberty Hill. Woodburn Post Has Full Day Of Celebration

Woodburn—A very successful Armistice day program was put on at Woodburn under the direction of Woodburn Post No. 46 of the American Legion.

The day's activities began with a parade at 10:45 which included the Woodburn military company, followed by Mayor H. M. Austin, Hartley Le Febvre, commander of the Legion, and Commander Stevens of Elias Hutchinson Camp, Spanish American War Veterans. The latter flag of the Second Oregon proudly borne by members of the Spanish war veterans, followed two Gold Star Mothers, Mrs. Jeanette Zimmerman and Mrs. Ed Renn, in an automobile occupied a place of honor in the procession.

Next came the color guard of the Legion and Legion members, the auxiliary colors and members, Woodburn Boy Scouts, the high school band in their snappy blue and white uniforms, high school booster girls and students, Washington Junior high school, Lincoln school, Hall school and the Woodburn fire department.

At 11 o'clock the parade halted while taps was played followed by a blast from the fire siren.

After the parade disbanded a large crowd congregated in the auditorium at the Lincoln school where a splendid address was given by Leslie Scott of Portland, who spoke on "Consecration to Americanism," stressing present day conditions and the part played by the American Legion in keeping America safe.

Preceding the address Mayor Austin gave a short address of welcome, and Rev. W. C. Cronk gave the invocation. An exercise "Lost We Forget," was given by Mary Helsel, Chloe Matthews, David Olson and Bob Pillsbury, a poem by Anita Miller and a vocal solo by Ernestine Nathman.

At noon a jolly dinner was served by the American Legion auxiliary in the afternoon. A football game in the afternoon between Chemawa and Woodburn resulted in a victory for Woodburn 13-6 and the day closed with a big dance at the armory.

Polk Leaders Club Projects Are Summoned

Dallas—The first Polk county 4-H club leaders association meeting for the coming year has been scheduled for Saturday, November 18, at 1:30 p.m. It is to be held at the Rickreall grange hall.

Each club represented at the meeting is being asked to give a report on what has been accomplished during the past year by members of the club. Leaders may bring their club members with them to the meeting.

It is quite possible, states W. C. Leth, Polk county agent, that several club members will be in attendance because of the information they might receive on how some of the active clubs carried on their 1939 program of work.

Any new clubs being organized for the first time, or any new leaders or parents of club members, are invited to attend these club leaders' meetings. Assistance will be given those who need help in organizing new clubs.

As this is the first meeting for the new club year election of officers will also take place. Present officers of the organization are as follows: President, Dr. C. L. Blodgett; vice-president, Mrs. Mary Adams, and secretary, Josiah Willis.

The residence occupied by Mr. and Mrs. D. M. Gillenwater on South Main street is being painted. One of the large trees in the yard near the house has been cut down, which gives the residence more light.

Clear Lake—The Clear Lake Evangelical church will hold a supper and bazaar Friday, November 24. All those interested are invited to attend. A large crowd is expected.
