Two Cooks Will Provide Lunch For Students

Silverton—With the coming to Silverton Monday forenoon of Mrs. W. Poorman and Mrs. Frances Coleman of the Salem WPA office, plans were completed for two cooks to serve in the new hot dish lunch-room and kitchen recently opened for the grade and junior high school pupils of the Eugene Field and Washington Irving schools.

The officials met with five members of the executive committee, Mrs. J. J. Lewis, Mrs. J. W. Jordan, Mrs. F. M. Powell, Harold Davis and Harry Cameron in the office rooms of Mr. Cameron, and made possible the beginning of serving of hot lunches this week, either Wednesday or Thursday.

Local workers were found eligible for the positions as cooks and were arranged for during the visit of Mrs. Poorman and Mrs. Coleman, Monday morning.

Mrs. Lewis, president of the PTA, who has spared no time in making a reality the dream of years for the kiddies who have to bring cold lunches to school, is expressing gratitude to all who have donated material or work in finishing and supplying the kitchen.

The project was to have been in operation the first of this week but an unlooked for delay made this impossible. However, the serving was delayed only two or three days through the help of the Salem officials.

The lunchroom project is the most inclusive of any move ever undertaken by the Silverton Parent-Teacher association.

West Stayton—The carnival at the schoolhouse was a success. A good crowd was in attendance, considering so much illness in the community.

Mayors Standing Pat Upon Race Forfeiture Claim

Lebanon—By right of forfeit, Mayor T. W. Munyan of Lebanon and Mayor Max Landon of Sweet Home each claim victory of a ski race which was scheduled but not run at Hoodoo bowl Sunday. Mayor Landon asserts the race was timed for 3 o'clock, and should be conceded victory because his Lebanon honor had not arrived at the playground by that hour, while Mayor Munyan argues the time agreed upon was 3:30 and the title is his, because he was there at that hour, but Landon refused to compete. The two officers will settle their debate next Sunday when they'll line up to await a starting gun to be fired at 2 o'clock sharp.
