The health department inaugurated a program of physical examinations for Parrish Junior high school students this week under the direction of Dr. Vernon A. Douglas.

Yesterday he examined 44 of the seventh, eighth and ninth grades, of whom nine were found free from defects. Only 14 had been immunized against diphtheria, considered a low percentage. However, 30 had been vaccinated against smallpox. Eighteen had had dental corrections made, 10 had tonsils removed and four had vision defects cared for. Fifteen were found to be in need of dental attention. In addition to the physical examination, the medical staff gave 24 vaccinations, and 1720 tuberculin tests which will be read back Friday.

Dr. Estill Brunk has filed as candidate for democratic precinct committeewoman from Salem No. 25.

Coach Stiner On New Code

Coach Lon Stiner of Oregon State college in addressing the Salem Lions club today noon stated, in his opinion, the "Atherton code" recently adopted by the coast conference will work out in a satisfactory manner. However, he added that it would probably take two or three years to determine whether it would prove beneficial or detrimental to the smaller schools such as Oregon State and the University of Oregon. "One thing is sure," Coach Stiner said, "since my visit with Mr. Atherton at Corvallis yesterday, I know that he means business. Hereafter if there is any violation of the rules 'I'm sorry' won't do much good."

Stiner said it was entirely up to the student now as to where he attends college. Once he has made known his choice, however, the institution he has selected will be in a position to aid him in working his way through.

Members of the Salem high school basketball team, who won the state championship last Saturday night, together with Coach Harold Hauk, were guests of the Lions club today. Coach Hauk praised his players and said they were a fine bunch of boys.

district, and Eugene Finlay.

Mr. Finlay has been a farmer in Oregon for 25 years, a member of the Grange for 32 years and for a lesser time affiliated with the Farm Union. He was formerly engaged in general farming and fruit raising, but of recent years has specialized in production of foxes, operating one of the largest fox farms in the state near Jefferson.

The filing of these two brings the number of republican candidates for state representative up to four—the number to be elected—the other two being J. L. Ramage and George R. Duncan. Three others, Allan Carson and John Steelhammer, Salem attorneys, and Rudolph Berning of Mt. Angel have signified their intention of running.

A single democrat, Francis Manley, has completed his filing.

Opens Garner Drive

United States Senator Morris Sheppard, of Texas, is scheduled to launch the Oregon speaking campaign on behalf of John N. Garner for the democratic presidential nomination. It is announced by former Governor Charles H. Martin, director of the Garner movement in this state.

Senator Sheppard will be heard from 5:45 to 6 p. m. this Saturday afternoon, March 23, over radio station KGW in Portland.

General Martin also announces that organization of a state-wide committee sponsoring Garner's candidacy has been completed, and that the names of the committeemen will be announced in a few days.

PGE Reports on Profit for 1939

Portland, March 21 (AP)—A 1939 net profit of \$1,509,266 was reported yesterday by the Portland General Electric company.

The profit, except a \$25,000 dividend to the Portland Electric Power company, the holding company, was used for plant expansion and debt reduction.

Guaranty Trust company of New York, claiming the right to vote PGE stock, intervened recently in PGE's attempt to have the subsidiary included in the holding company's reorganization under the federal bankruptcy act.

Mountain Climbing Record Broken

Eugene, March 21 (AP)—Four University of Washington youths today revealed they have climbed the Middle Sister, towering 10,000 foot peak in the Cascade range east of here. The ascent, March 18, is believed to be the earliest made up any of the three peaks guarding the snowbound McKenzie pass.

Those who braved the ice and snow fields were Walter Dyke, Walter Price, C. H. Jarvis and Wayne Hutchens.

Capone Goes to Florida Home

Baltimore, March 21 (AP)—Dr. Joseph E. Moore, physician who has been treating Al Capone, ailing former Chicago gangland overlord, said today Capone had left Baltimore.

"Alphonse Capone has left Baltimore," Dr. Moore said. "It is understood that he has returned to his home in Florida. He is still ill and will continue under medical care."

Miami Beach, Fla., March 21 (AP)—Much activity and lights that blazed throughout the night led to the belief today that Al Capone might be behind the sheltering walls of his luxurious Palm Island estate, kept prim as a needle for nearly a decade awaiting him.

The Miami Herald quoted an unnamed source as saying the former Chicago gang leader had returned to his Florida home, and Capone disappeared from the House in Baltimore he had occupied since January 8.

Dan Coughland, caretaker at the Palm Island estate, denied that Capone was here and refused admittance to newsmen.

Under Florida law, Capone must register as a former felon within 48 hours of his arrival.

The scar-faced former gangster was discharged from federal prison at Lewisburg, Pa., Nov. 16, to which he was transferred after serving seven years at Alcatraz and Terminal Island prison for evading federal income taxes.

No Candidate In Control Says Secretary Ickes

Washington, March 21 (AP)—Secretary Ickes, who advocates a third term for President Roosevelt, said today that no democratic presidential candidate now in the field could control enough delegates to win the nomination.

He included Vice-President Garner, Federal Security Administrator McNutt and Postmaster General Farley.

Ickes made the one sentence statement to his press conference in reply to a question, and declined to elaborate.

In reply to another question, he declined to give an opinion as to whether the democratic national convention would draft President Roosevelt.

"You might want a girl to marry you," he parried, "but that is no assurance she would have you."

Ickes was questioned also regarding Farley's unreserved announcement of his candidacy yesterday.

"Every American citizen has that right," he said, "and Farley is a fine man."

He replied that "Jim can be depended on to do the right thing" when asked whether Farley, in view of his announcement, should resign as chairman of the democratic national committee.

The liberals, he said, would continue to work for the renomination of Mr. Roosevelt regardless of all candidates.

This, he said, was proved to him during his recent trip to California. That state, he added, "is overwhelmingly for a third term."

Talk on a Hull-Farley democratic ticket was revived on Capitol Hill today as discussion of the post-war general's unreserved announcement of his candidacy ran the gamut of interpretations.

Most senators expressed the opinion that the cabinet officer, in saying flatly his name would be presented to the democratic national convention did so believing that President Roosevelt would not be a candidate for a third term.

A few, talking privately, interpreted the announcement as placing Farley in the same category as Vice-President Garner—a candidate whether the president runs or not.

First Lookout Of Season Posted

Bend, Ore., March 21 (AP)—Deputies national forest officials today planned to post the season's first lookout, as continued warm temperatures brought increasing danger of forest fires. They said moisture content in wooded areas was far lower than usual at this time of year.

Salem Store Leads All Sears Coast Outlets

For the second time in consecutive periods the local Sears, Roebuck and company store has been declared the outstanding merchandising unit of all the company's northwest outlets. That information was announced to the employees of the local store at a special banquet at the Marion hotel last night.

The banquet was given the employees as a part of their reward for winning the district's number one position. "Sears, Roebuck appreciates efforts expended by employees in furthering the progress of the company," Lou Oliver, northwest advertising and merchandising manager, told the audience. "To that end the officials desire to reward the employees of the Salem store for the excellent showing made during the just completed 'King for a Week' campaign. As the first part of this portion of the program it is my privilege to present to your assistant manager, Kenneth Gollet, the S. W. Donogh watch for successfully skipping you through this campaign."

The watch is an annual award given to the assistant manager in the northwest district who turns in the best merchandising report during a given period. Mr. Gollet's was inscribed "King Ken—1940—King Week Supremacy from S. W. Donogh." Mr. Donogh is managing director of the company's northwest division.

Merchandise awards and bonuses were presented by G. A. Vandenberg, local manager, and Mr. Gollet. In addition to Mr. Oliver, the Seattle district office was represented by Roe Golsch, division manager of plumbing and heating. Bert Bernhard, local advertising manager, acted as master of ceremonies.

Music for the program was supplied by the Sears' Syncopters, a hillbilly group of 10 employees that was organized for the King for a Week campaign. The orchestra has now become a regular part of the Sears' employe business and social program.

The lecture by Robert Tyler Davis, who spoke at the Art Center Tuesday night on "Artists of the People," drew a large audience of art lovers and followers, which filled the main gallery of the center.

Contracts Let For \$440,000 Highway Jobs

Portland, March 21 (AP)—The state highway commission whipped through a routine session of bid opening today after seating Herman Oliver, John Day.

Oliver, formerly a board of higher education member, was appointed by Governor Sprague to succeed E. B. Aldrich of Pendleton, who resigned.

The commission also promised early improvement of the coast highway north of Newport; took under advisement a Roseburg request that the commission maintain the North Umpqua highway to Diamond Lake, and considered a request for improvement of the Tiller Trail highway in Douglas county, which taps a sugar pine region soon to be opened by the forest service to sustained yield cutting.

RADIO Day by Day

New York, March 21 (AP)—Fashions on parade will have their usual part in the annual Easter broadcast on Sunday, Fifth Avenue, New York, and Atlantic City and Buenos Aires all will contribute a share.

WEAF-NBC plans to link New York and Buenos Aires in a two way description of Fifth Avenue and Avenida Alvear. MBS will set out its coach and four, used heretofore as a mobile transmitter, to tell about Fifth Avenue, and then switch to Atlantic City for the boardwalk parade.

In keeping with plans to augment its television schedule, NBC this week is starting a series of sound-broadcasts in addition to its picture programs for the New York area, which now includes nearly a 90 mile radius of W2XBS. The sound programs, picked up from the network, are to run three hours a night. Five days a week, except when a regular telecast is under way.

Also for its first Easter, television is planning an extensive schedule to include two half-hour religious services, a 30 minute program of the Fifth Avenue parade, a choral program, a special movie and the third edition of the NBC Face Book, telecasts.

Announced for a relay from London on March 20 by CBS is another talk by Winston Churchill, first lord of the British admiralty.

Programs tonight: WJZ-NBC—6:30, America's Town Meeting, "What Should Government Spend For?" WJZ-NBC—8:15, Rep. Sam Hobbs on "Our Melting Pot."

What to expect Friday: WJZ-NBC—10:30 Dr. C. H. Tobias on "Problems of the Negro."

Court News

Demurrer to the amended complaint has been filed in the case of National Surety Co. vs. Guy H. Smith and others.

Judge Lewelling yesterday afternoon in the case of James Henry Watson and others against George F. Clinton as administrator of the estate of James Watson and others, gave judgment for \$1788.41, the amount asked in the complaint, less \$100 for reimbursement to the defendant. The plaintiffs charged that Clinton failed to comply with the terms of a decree in making distribution of estate funds, while Clinton claimed he had made advances for care of the plaintiff's father and brother and was to be repaid under terms of a verbal agreement. He said he was willing to take distribution at any time he was reimbursed for the payments made.

Motion in the divorce case of Bernice E. Cuffel vs. Harold W. Cuffel asks that the defendant be required to pay \$100 attorney fee, two \$25 payments for support of herself and child. Defendant is employed as a census taker at \$150 a month, according to an affidavit by the plaintiff.

Default judgment for \$256.97 in addition to \$30 attorney fee and \$31.90 costs has been filed in the case of Frank S. Richards vs. A. I. Sutter.

Complaint asking for an accounting and liquidation of a turkey raising agreement has been filed by Gertrude Dickinson McKee as administratrix of the estate of Samuel J. McKee vs. Capital Dairies and Alton D. Hurley. She asks for a liquidated settlement of \$2000 or whatever is due her for raising of turkey poulters in 1938 which she says was done under an agreement with the defendant.

Helmer G. Peterson asks damages of \$1931.15 from Ialo R. Smith for injuries he alleges he sustained in an automobile accident at Berry street and Rural avenue December 31. He asks \$1500 general and \$256.15 special for damage to automobile and \$25 for medical services.

Order of dismissal has been signed by Judge Lewelling in the case of D. M. Simmons vs. Leola W. Howland based on a stipulation of settlement.

Arnold C. Duky pleaded guilty before Judge McMahan today to an indictment charging him with opening and reading a sealed letter addressed to another, was sentenced to six months in jail and paroled, a condition being he make restitution. He was represented by Attorney George Mowry and was paroled to him. The letter was written by Mel Lettmark and addressed to Frieda Harbeck.

Order overruling a demurrer in the case of National Surety company vs. Guy H. Smith and others has been filed with permission to have five days in which to further plead.

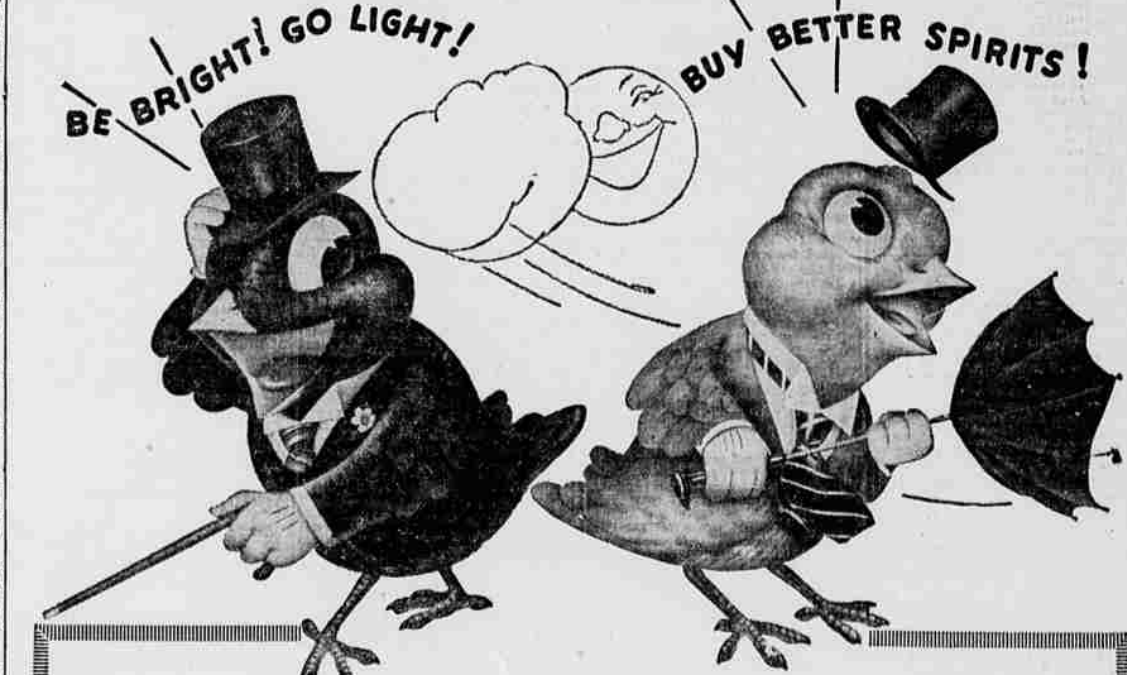

Order allowing an answer to the amended complaint stating separate defenses of payment and mutual misfeasance has been filed in the case of Frank Doolittle vs. Howard Clark.

Decree modifying a decree has been filed in the case of J. M. Queenberry vs. Emily Queenberry, the plaintiff being given custody of a child, it being stipulated he shall pay Mary Miller \$325 for full settlement for care of such child, the money to be paid in designated payments.

Judge Lewelling continued taking testimony today in the case of Fred Roberts vs. E. Beatrice Bolter involving settlement of liens claimed by various parties.

Edwin Keech, attorney for W. T. Richardson, former county treasurer, said today he doubted if the retrial of Richardson on a charge of larceny
