Club Leaders' Meeting Calls Large Turnout

Dallas—The largest Polk county leaders' association meeting ever held in Polk county was the verdict of many of those present at the meeting at Falls City.

Over 200 leaders, parents, and club members were in attendance to witness the exhibition of demonstration work by a team of 4-H club members from Benton county who accompanied their county 4-H club agent, S. A. Jackson, to the meeting. Jackson also spoke briefly on 4-H club demonstrations, their purpose, and how to develop them.

Also of special interest at this meeting were the try-outs for the Polk county 4-H club radio broadcast to be staged over station KOAG Monday evening, April 1, at 7:30 p. m.

About thirteen or fourteen clubs were represented at this meeting, all of which took part in the radio try-outs. Announcements were not made as to the ones to be selected by Josiah Wills, Polk county school superintendent, who, this year, has charge of this broadcast. With the assistance of W. C. Leth, Polk county agent, Wills announced that he would report those selected in a few days.

The meeting started with a no-host dinner at noon at which it was necessary to make two settings of the tables due to the extremely large crowd present. Mrs. Mary Adams, president of the Polk county association, presided during the meeting. The radio try-outs were under the direction of Wills, who acted as chairman during this period.

According to those present, the Falls City grange, the organization which sponsored this meeting at Falls City, did a most remarkable job of caring for the large number present, and that this was appreciated is indicated by the rising vote of thanks given them at the close of the meeting.

The next meeting is to be held at the Brush College Grange on the third Saturday in April, April 29, and the one following month is to be held at Independence.
