

15 CCC Youths In Hospital from Truck Crash

Grants Pass, March 21 (AP)—Fifteen CCC enrollees were rushed to Josephine General hospital this morning. An attendant said they suffered "broken arms, legs, injured chests and backs. We don't have the names. There are three doctors treating them and we will be busy all day."

A salesman said a CCC truck overturned near Hayes hill on the Redwood highway southwest of here.

Lt. Micky at Camp Gasquet, 68 miles from here in northern California, said he had just been notified that the injured youths were from his camp. He said they had just completed their enrollment and were being brought here to en-train for their homes in Alabama, Louisiana, Mississippi, Tennessee and North Carolina.

State Officer Jay Williams said he was told the driver of the leading truck in a caravan of three dinged at the wheel. There were skid marks at a curve, Williams said. The canvas-topped truck turned upside down but its wooden stakes held it off the 23 passengers.
