

Inquest Not To Reconvene

Aberdeen, Wash., March 21 (P)—Coroner John W. Stevenson refused Wednesday to reconvene an inquest into the slaying of Mrs. Dick Law, wife of a CIO union leader, "until investigation of the slaying has been completed."

"We are not taking orders from Law or his attorneys on how to conduct the inquest or the slaying probe," he added. By telegram Tuesday night, Law's attorneys had requested immediate resumption of the inquest to allow them to question ten men Law named as "possible suspects" before the inquest recessed more than a month ago.

"I am informed that while many witnesses have been interviewed, the investigation is not yet completed," Stevenson said. "I intend to reconvene the jury as soon as the evidence is in proper shape to present it, and not before."

Special Prosecutor Paul O. Manley added that the ten men Law named already had been questioned and that there is no necessity for questioning them again at this time.

Stevenson did not elaborate on when the evidence now being gathered might be "in proper shape" to present to the jury.

He was accompanied by his brother Vernon White, who played the piano and mouth harp at the same time.

Other numbers on the program were: several accordion selections by Virgil Lawrence; vocal solo, by Mrs. Cecyl Lucht; vocal solo, by Vernor White. Refreshments followed. During the luncheon Mrs. Magdalene Miller, auxiliary president, read an original poem tracing the last 21 years of the Legionnaire in general and of the six commanders of the Mt. Angel post in particular. All the commanders responded with a few words.

Commanders of the local post since its organization in 1934 include Fred Prosser, Fred Lucht, Merton White, Dr. J. E. Webb, Earl Bertchel, and Frank Walker. Previous to the festivities, separate business sessions were held by the post and unit. Both organizations were advised of an invitation tendered by the Silverton Legion and auxiliary to attend a joint meeting of Silverton, Stayton, and Mt. Angel at Silverton on April 1. The state officers will be present.

At the unit meeting it was announced that the Easter egg hunt for the children of the Legion will be held on the Fred Prosser lawn on Saturday afternoon.

Mrs. Tillie Walker stated that the auxiliary food sale would begin about 9:30 a. m., Saturday, March 23, at Oswald's store, and continue as long as there is food to sell. Hungarian pastries will be a specialty and there will also be all kinds of other cakes and pies.

Plans for the auxiliary dance, scheduled for April 29, were also discussed.
