Games Tonight
8:00—Schoen's vs. Square Deal.
9:00—Paper Mill vs. Waits.

Last Night
Paper Mill 9, Kennedy's 3.
Pheasants 8, Waits 6.

The softball boys threw off their swaddling clothes and got down to nine inning business last night as Paper Mill walloped Kennedy's, 9-3, and Golden Pheasant took the measure of defending champion Waits by an 8-6 score.

Again it was a fellow by the name of Willis who held the pitching limelight as the Paper Makers came home winners. Big Bob held the Cleaner boys to three hits, all singles, and whiffed 10 to run his strikeout record in 14 innings to 14, even up. He was wild, though, issuing seven free passes.

The Paper boys really were swinging their war clubs as they bludgeoned Kennedy moundsman E. Bulkeley and J. Comstock for 15 solid hits. They garnered a three run takeoff in the first when Finnell walked, stole second, and scored on Kelley's single. W. Gentskow followed with a scorching two base knock to left that sent Kelley over, and then he subsequently scored on Manager Dunn's infield hit.

Another three run rampage blossomed in the seventh on an error and three hits, the key-note being Dunn's two run double.

The Kennedy's three counters came individually in the first, third and seventh stanzas. Willis' wildness was responsible for all of them. Joe Murray and Dutch Schmeidler collected a triple and single apiece for the Papermen, but Bob Dunn was the big noise with a double and two singles. With men on the sacks they pray when they pitch to Dunn these days.

Lacey drove out a brace of singles for the losers.

The champs had to bow again in the Golden Pheasant-Waits mix. For the second straight night the Meatmen faded in the final innings. It was a big Pheasant sixth that ruined them last night. Hurler Roth was sailing along smoothly when Bennett singled infield to start the sixth. After a sacrifice Walden smashed a screaming double to right, scoring Bennett. Pangle then singled. Forgard doubled. Catherwood singled and Satter did likewise. It amounted to five runs, and proved the winning bulge.

As that the Pheasants nearly threw the contest away in the ninth with a comedy of errors, walks, and a double by Cutler. With four runs over, Pitcher Stebens forced George Seales to ground to the mound, ending the game.

Fleet Al Walden led the winners' attack smacking a pair of two base knocks and a single. Pillette paced the Meatmen with a double and single.

Mr. Whip Joe Louis

June 20 is already a red-letter day in my life. For I truly know that will be the day on which I achieve my supreme ambition, the winning of the world's heavyweight boxing championship. I shall beat Joe Louis. Actually, I will be beating Louis again—for I honestly think I defeated him in Madison Square Garden last February. I was bewildered and surprised when the decision went against me. One of the officials, Tom Shortell, who died a month ago, and other sports experts thought as I did, that Arturo won.

Even the referee and one judge who voted against me in my first 15-round encounter with Louis admitted that the fight was virtually a draw for 10 rounds and that what ground I lost was lost in the closing rounds. I was tired.

That fight was the first I had had in eight months. I had been back in the States only a few weeks from my native Chile. I had hardly had time to become acclimated. And, to top it all, I developed a bad cold not many days before the fight. My temperature was 103. I had to forego several days of boxing when I needed it badly. I couldn't continue roadwork to strengthen my legs. My appetite was affected. I was not at my best and that is why I tired. I was so weary in the 14th round that I just jumped around and clowned to pass away those three minutes.

I have never been really hurt in the ring. None of the punches that Louis or Galento or others have hit me have ever troubled me. Yes, they have hurt, but they haven't hurt enough to trouble me. I have never been knocked out. That is why I am not afraid of Louis. Most of his challengers have been beaten before they left their dressing rooms. But not Arturo. I know I have nothing to fear. He is just another puncher and I can take his punches.

How shall I fight him? That I cannot say. For, first, it would be giving away my battle plans. And, secondly, what if I said that I would fight him in a crouch and then later decided not to, well that would be deceiving you and I shall not do that. How I shall fight Louis depends on how I find him in the first round or so. My manager, Al Weil, and my trainer, Whitley Blumstein, and I have devised several methods of fighting Joe. Which method we shall adopt will depend on what methods Louis employs. He doesn't know what we are going to do and we don't know what he is going to do.

Red Sox Eke Out 8-7 Win, Valsetz

Silverton—The Silverton Red Sox, members of the State league, nosed out a fighting Valsetz ball club, 8 to 7, on McGinnis field last night. Tied 7 to 7 as Silverton came to bat in the last of the ninth, Roy Orren blasted a home run off Johnson to win the ball game. There was one away at the time.

Acorns Regain Leadership of Coast Clubs

(By the Associated Press)

A midseason shakeup jiggled the standings in both divisions in the Pacific Coast baseball league today.

The Oakland Acorns regained the lead and their bay city rivals, the slipping San Francisco Seals, skidded down to seventh place.

Oakland actually advanced to the front yesterday afternoon when San Diego drubbed Seattle, the former leader. The Acorns, however, fortified their lead last night by defeating Portland, 8 to 2.

Stanley Corbett handled the pitching assignment for Oakland, won his 10th victory of the season and handed the hapless Portland Beavers their eighth straight loss.

San Francisco's slide towards the cellar was accelerated last night when Los Angeles won 5 to 3.

San Diego pulled Seattle down to second place with a 9 to 2 win yesterday afternoon. Dick Newsome, San Diego pitcher, recorded his 11th victory of the season while his mates pounded three Seattle pitchers for 11 hits.

Sacramento halted Hollywood 5 to 1 to put an end to the Stars' winning streak which had numbered seven victories.

War Disturbs Grid Ticket Situation

By Eddie Brieis

New York, June 13 (AP)—The war has American colleges up in the air. Most of them have next fall's football tickets printed, but are afraid to distribute them until they know if the tax is going to be upped.

The wolves out in St. Louis have hurried so many pop bottles at umpires recently, the concessionaires have been ordered to serve refreshments in paper cups only.

Brooklyn expects to pop a deal with an eastern club (Boston?) before the June 15 trading deadline.

Ken Overlin makes his next start here against Harry Balsamo, July 11. . . . Sports writers traveling with the Tigers credit Dick Bartell, one of the game's best holler guys, with making the team a contender.

Papers around the country are blasting Jack Dempsey's proposed bout with Cowboy Luttrell, the wrestler, in Atlanta, say it would add exactly nothing to Dempsey's prestige.

Some of the boys are dipping the Cubs in hot water again for paying Dirty Dean's salary while he tries to come back and refusing to pay Clay Bryant's. . . . Of course, Bryant only won 19 games and the flag in 1938.

It Didn't Work
Mrs. George Caster, wife of the Athletic pitcher, was much perturbed over George's failure to get going. . . . So when she came east from California last week she brought George one of the shoes Santa Anita handi-cap. . . . P. S.: Caster lost his next start.

Doctors say Arturo Godoy is in better trim than in the first Louis fight, if that means anything. . . . Freddie Fitzsimmons is only three wins short of his goal of 200 National league triumphs. . . .

Another proposal—to make ice hockey a four-year varsity sport embracing freshmen players—also got the thumbs down vote of the faculty men. Skiing now is the only four-year sport in the conference.

Meanwhile, football coaches of the conference, meeting in separate session, banned use of white or silver uniforms for night games and reaffirmed their opposition to rocker or running shifts involving linemen.

Free Tickets Not for Sale

Sun Valley, Idaho, June 13 (AP)—When member schools of the Pacific Coast conference give free tickets to their varsity football players they do not intend those duets to be sold, faculty representatives of the big far western circuit emphasized today.

The faculty group, meeting in annual summer session here, turned down a member's proposal that the conference code be relaxed to give football players the option of receiving tickets or the equivalent in money.

But the faculty representatives went further. They indicated the code would be amended to prohibit sale of the free tickets, a problem which has been before the faculty men for years but which never has been specifically outlawed.

Varsity squad members now receive four complimentary tickets for home football contests and two for other games.

Harness Events Race Program

For the first time since harness events were revived three years ago at the Oregon state fair racing meet, a futurity race is announced, with more than 40 owners expected to nominate their mares before January 1, 1941. These futurity entrants will race at the state fair meet in 1943.

Meantime, the harness racing phase of the 1940 meet, which will include six or seven harness races and two heats of running events daily, has been outlined by the fair management. The state fair opens Labor day, with the racing program to be one of the big features of the week.

Three stake races and two heats each are scheduled during the week, and in addition to purses, winners will take all entrance fees. The stake races are new this year, and will include the 2:25 race, purse \$350, to be run Monday; the 2:15 trot and pace, purse \$400, Wednesday; and a two-year-old trot and pace, purse \$350, Friday. Entries on the stake races will close July 1.

The other three days, Tuesday, Wednesday, Saturday, will bring six dashes with purses of \$150 each. Besides these, three additional races are scheduled for the trotters and pacers; the free-for-all trot, purse \$250; free-for-all pace, purse \$250; and consolation trot and pace, purse \$100.

Entries are anticipated from stables in Washington, Idaho, Utah and Oregon.
