

Future Farmers Pleased with Rating at County Fair

Silverton Boys Placed Third In Competition

Silverton — Leonard Hudson, Smith-Hughes agricultural instructor, and his Future Farmers came home from the Multnomah county fair well pleased with place No. 3 rating, as the competition was keen.

In the P. F. A. livestock judging at Gresham Monday the Silverton boys placed third competing with 25 other Willamette valley and southern Washington teams.

Six classes of livestock were judged, Jersey cows, Holsteins, Guernseys, Jersey heifers, Duroc Jersey gilts, and a class of market lambs, with 200 points being a perfect score for each class. In the six classes a boy would have a possible score of 1200 points or a three-man team a possible score of 3600.

Silverton's team included Lester Beugli, Silverton Hills; John Lechty, Pratum; and Amos Furness of Valley View. Beugli was tenth high in the contest with a score of 839.4. In a group of 78 boys, he was also third high in judging Jersey heifers, and second high in judging Jersey cows. Silverton placed first in judging Jersey heifers.

Other local youths making the trip beside the team and the instructor, Mr. Hudson, were Dale Herzigstad, Lee Reeder, George Haberly, Dan VanBroeklin and Carl Reed, all members of the Silverton F. F. A. chapter.

Winning listed scores were:

First West Linn	2549
Second Molalla	2447
Third Silverton	2400
Fourth Seaside	2391
Fifth McMinnville	2358
Sixth Amity	2340
Seventh Corvallis	2304
Eighth Gresham	2288
Ninth Vancouver	2273
Tenth Independence	2271

W. C. Leth, Polk county agricultural agent, was official judge and Kirby Brumfield, Gresham agricultural instructor, directed the contest.

During the afternoon the boys were admitted free to the grandstand to see the show which included trick automobile driving, dog acts, trained horses, trapeze artists and other interesting features.

The Silverton boys will compete in livestock judging at the Yamhill county fair, the Clackamas fair, as well as at the state fair. Later this fall they will judge at the Pacific International in Portland.

The Silverton Future Farmers will hold a meeting Thursday night of this week to make final plans for showing livestock, crops and shop exhibits at the Marion county fair of August 30 in Salem and at the state fair, September 2 to 8.

Chicken Thieves Are Reported

Independence — Chicken thieves have been operating in the Independence and Suver districts during the past week.

Two young men giving their names as Kelly from Arizona and Texas, transients, were taken into custody at the Hoover hop ranch where they were camping during the hop harvest, and are being held on a charge of chicken theft in the county jail.

According to reports chickens were missed from the Sloper ranch and a car seen in the vicinity was suspected and traced to the Hoover ranch where a trace of the chickens was found. They made a hasty exit when the officers surrounded their camp but were later apprehended and brought to Independence. They were taken before Justice Weddle on Monday and later taken to Dallas to be held for further trial.

Frank Loughary of the Suver district stated that he lost a few hens last week from his poultry house. He didn't think that whoever got them would find them very palatable as they were some variety that had been confined in a small pen to break them up from setting, and would probably be poor and tough no trace of them has been found.

The parade started at 7 o'clock and was led by the American Legion bearing the colors, followed by the firemen in uniform with a Stayton firm, Porter's radio service, furnishing the music. Following there were decorated floats by the Townsend club, winning first place; Farmers Union, winning second place; Tillamook club; Aumsville Parent-Teacher association; the Aumsville Greenhouse; Higberger's mill, Malone's General grocery. The West Stayton exhibit, in charge of Mrs. Fred Denham, won first place with Aumsville's exhibit in charge of Fred Steiner close behind. Judges were Homer Smith of Marion and Wayne D. Harding of Salem. The judges were unable to determine more than one point's difference between the Aumsville and West Stayton exhibits. Higberger's mill decorated a booth showing a replica of the buildings and grounds and exhibits of grain and feeds.

The Tillamook club had a booth made of quilts, most of which had been made during the past year of the club meetings. Fancy work was exhibited by Mrs. C. D. Boone two quilts, nearly a century old, a call school bell and a pair of scissors more than 100 years old, a baby's dress 90 years old, a pair of hand made gloves were exhibited by Mrs. A. B.
