his debate teams, who were in Los Angeles the first of this week for the annual Western States Speech tournament at George Pepperdine college, will return to the campus next week after having met with the representatives of over thirty colleges from the western part of the United States. Members of the Willamette debate squad are Miss Emogene Russell, Miss Marjorie Waters, Ralph May Glenn Olds, Myron Pogue, Ancil Payne, Wesley McWain, Clarence Wicks and Zeral Brown.

The early part of December is the date set for the annual one set play contest, which is under the direction of Mrs. Chester Oppen of the Willamette dramatics department. The plays will be student directed and all parts will be taken by students. Making for keener competition is the new ruling which limits the number of experienced actors or actresses who may appear in one play production.

Immediately following the holidays Miss Emogene Russell and Glenn Olds who have been chosen by the speech department to represent Willamette university in the state oratory contest in December will begin preparations for the event. December 12 is the date set for the finals in the annual Keys oratorical contest sponsored by Tau Kappa Alpha. At this time the three contestants selected from the preliminary contest held December 4. In the speech room will compete in chapel before the student body for the prizes donated by the Hon. Walter Keys for the event. The contest is open to all students in the university.
