

Keizer Pupils Gaining Health

Keizer—Ninety-eight pupils were absent from school on Monday because of illness, mostly flu, but Wednesday this number had dropped to 70 and most of those absent are expected to return to school Monday.

Hot lunches are now being served daily. Mrs. Paul Young is in charge, and two cooks, R. H. Boyd, and Herman Ruppel, have been provided by the WPA.

The pupils of the five upper grades will present a pageant at the Christmas program which will be given on Friday, December 20, at 8 o'clock in the new school auditorium. The stage setting will be an altar with a stained glass window as a background. A vested choir of 40 will sing, and there will be other musical features.

The following students were on the honor roll in the third grade for the third month of school: Vernon Minty, Tsukey Yoshimoto, Floyd Allen, Roberta Hamilton, Roma Rae Teets, Blanche Bechtold, Nona Lee Ruppel, Vera Nell Wilmatt, and Neola Martin.

The school newspaper, "The Keizer Journal," was read during the last meeting of the Golden West Health club by members of the newspaper staff. Varian Carrow, Jim Shawver, Howard Saucy, Don Sun, and Julius Numata. Gray Robinson and Ruby Yoshimoto were appointed as the room captain.

First aid demonstrations were given by James Green, Bill Durham, Ross Shannon, and Nathan Schlenger, showing methods of assisting and carrying injured persons. Only half of the members of the Happy Sewing Seamsstress were present at the last meeting because of "flu." The girls are planning a Christmas party to be given at the home of their leader Miss Verle Saucy.
