Rev. Thomas MacDonald, general secretary of the European Christian mission, a man who knows Europe, will preach Sunday morning at the First Baptist church, Marion and Liberty streets.

Rev. MacDonald has traveled widely for the work of the mission, not only in North America, but also in Great Britain and on the continent of Europe, having visited the fields of England, Hungary, Austria, Czechoslovakia, Germany, Poland, Italy and France several times.

Rev. MacDonald speaks with authority backed by his knowledge of personal experience in eastern, central, southern and western Europe. He has pictures taken during a time of crisis in Europe and wherever these unusual pictures have been shown they have enlightened and stirred many.

The "European Christian Mission Inc." originated in 1904, and has for its aim the evangelization of the 400,000,000 white people in the field which extends from Russia to Spain.

Rev. Thomas MacDonald is a preacher, Bible teacher, and missionary. Interested and enthusiastic audiences, in crowded churches at times, over the country continually hear his message.

IF COMFORT MEANS A LOT to you when you choose a car, don't fail to see the Ford we've built this year!

You'll find front seating width that's equal to the seat width of three good-sized chairs. Run a tape from windshield to rear window and you find more inside length than you'll get anywhere else in its field. Add up all the measurements that spell comfort, and you find the Ford first in its field this year in actual passenger space.

But that's only part of it! Slip behind the wheel and take the road and you find something new in riding comfort, too. There's a soft, quiet, level big-car glide to this year's Ford, even over rough roads. A kind of ride lots of people say beats any ride they ever had in a low-price car before.

Be sure to spend a few minutes in a Ford. As a car, it has more to offer than any Ford before—and you'll find your Ford dealer a good man to talk "trade" with!
