

Henry . . . . . By Carl Anderson

Magic Spring by ALLEN EPPES

Warren smiled up at her. "That's nice of you," he said, "postponing your trip. But I'll be all right."

"All this calls for a celebration, it seems to me," she said. "You bet it does!" Margo agreed.

"I've been seeing it for some time," Polly retorted. She walked out into the upper hall. David was right behind her.
