How To Hold Loose
FALSE TEETH
More Firmly In Place
Does your dental plate annoy and bother you by rocking and wabbling when you eat, talk or laugh? Just sprinkle a little FASTEETH, the alkaline (non-acid) denture powder, on your plate. This pleasant powder holds false teeth more firmly in place. No gooey, oily, pasty taste or feeling. Mildly alkaline FASTEETH doesn't sour or cause nausea. Also checks gum soreness due to chafing of a loose plate or to excessive acid mouth. Get FASTEETH at any drug store.

Monmouth Civic Club in Session

Monmouth—The Monmouth Civic club held its April meeting Thursday afternoon in the city hall. The women were given a talk on "Landscaping with New Shrubbery" by F. A. Doerfler, landscape architect of Salem.

The resignation of Mrs. Donald Searing as treasurer was accepted, and the secretary was instructed to serve as treasurer for the remainder of the club year. Election of officers will be held on May 8 and a nominating committee was named as follows: Mrs. James Tilton, Mrs. Phillip Schweizer and Mrs. O. A. Wolverton. The club plans to be represented at the state federation of garden clubs at Grants Pass, May 14 and 15, and arranged for a part of the expense of a delegate.

A call for suggestions for civic projects returned a number of replies which were read. The matter was placed in the hands of a committee, which will study the proposed projects and report to the club later.

At the May 8 meeting only business matters will be transacted. The speaker, Miss Helen Breithaupt, is unable to be present, but can come on the 15th, which is the club's guest day. Miss Breithaupt will talk on "Flower Arrangements."

Five dollars was voted for the Fir Crest cemetery fund.
