

Locals

Oregon State college pictures will be shown tonight at 8 o'clock at the Chamber of Commerce. The movies will be shown by Dave Baum, general chairman of all Oregon State booster clubs, who is touring the state consulting with prospective students. The show is free and open to the public, especially prospective OSC students.

Neuman's Painting & Papering, Phone 5654.

Marriage licenses have been issued at Vancouver, Wash., to Wayne Handley, 465 Center street and Mary L. Dulaney, 570 South Winter street, both of Salem; Joel A. Fain and Madeleine Hooper, both of Silverton; Edle E. Buchanan, Burns and Dorothy M. Plasmann, Lebanon and 3 to Walter Cody, Dallas route 1 and Carly Klemme, Monmouth.

Hop pickers wanted. Williams & Thacker, Paying \$2 per hundred, 4 mi. W. of Salem. Ph. 2-1331 or 2-1204.

Governor Charles A. Sprague went to Astoria today to address the state Elks convention. He then will return down the coast to Marshfield, where he will arrive here next Monday.

Savings-insured to \$5000.00—are earning 3 1/2% at Salem Federal, 130 South Liberty.

Mrs. Robert Doan of the Monson addition in Silverton was brought to the Deaconess hospital, Wednesday, for treatment for a badly fractured hip sustained in a fall near the family home.

Problems relating to the administration of state gasoline taxes were discussed at a two-day conference opening here this afternoon of gasoline tax officials and oil company officers of seven western states.

Luts, Florist, P. 5922, 1276 N. Lib.

Calling attention to President Roosevelt's request for American citizens to enlist in a campaign to prevent traffic accidents, Secretary of State Earl Snell Wednesday urged Oregon residents to make every effort to preserve the state's traffic record gained in the early part of this year.

Lots, Neff's subdivision, Ph. 5850.

Registration or licensing of naturopaths on a reciprocity basis is beyond the power of the naturopathic board of examiners, Attorney General I. H. Van Winkle Wednesday advised Dr. J. L. Bounds, Portland, president of the board. Bounds requested an opinion whether the board might license applicants from other states on a reciprocity basis where the educational requirements of such other states equals that of Oregon.

Paint, wallpaper sale, 164 S. Com'l.

The Salem chapter of the Oregon Association of the Deaf held an election August 19. Mrs. Clara Lauby was elected president; Mrs. Chester LaFae, vice-president; Herman Breakey, secretary; Maurice Werner, treasurer and Miss Virginia Winn, chairman of entertainment. Mr. and Mrs. T. A. Lindstrom will entertain members of the chapter at their home in September.

Weather strip that door or window now. Reinhold & Lewis, Ph. 1991.

Dr. Henry Marcotte, former ad interim pastor of the First Presbyterian church, will be guest speaker at that church Sunday morning and night. His morning's subject will be "Three Abiding Things." At the evening service he will speak on "Deeds Begeth Blessings." The soloist at the morning service will be Miss Florence Maxfield and in the evening Miss Violet Carter.

90% FHA and other loans. Rich L. Reimann, 167 S. High, Ph. 9293, 1991.

Lots Maxfield, Turner route, 1, but working at 1142 Hall street, spent the night in the hospital suffering from a slight concussion as a result of the collision of automobiles driven by Everett Wilson Macomber, 427 East 2nd street, Albany, and William John Peterson, 875 Breyer avenue, at Center and Liberty streets at 1 o'clock this morning. Mrs. Macomber, who had facial cuts, refused first aid. Macomber was arrested for failure to stop after accident and his machine was held for bail. Both cars had to be towed from the scene of accident.

Manning Nelson of Chicago has arrived to spend his vacation at the home of his parents, Mr. and Mrs. Theodore G. Nelson on East D street. He is a voice student with Cameron Marshall, former dean of music at Willamette, who is now with the Central YMCA College of Music in Chicago. Harold Nelson.

Townsend Clubs

Silverton—The Silverton Townsend club will meet Friday evening at the W.O.W. hall for regular business after which a short program will be given. Melons will be served for refreshments.

Central Townsend club, No. 6, will meet at the courthouse Friday at 8 o'clock.

another son, is also home after six weeks in the reserve officers' training corps, engineering division, at Fort Lewis. He hopes to return to Oregon State college in September.

For the better roof contact Willamette Valley Roof Co. 191 Cootie club dance Fri. nite. VFW hall.

Edward Roy Cornig, who was bound over to the grand jury yesterday on a charge of indecent exposure and whose bail was fixed at \$250, raised cash bail in that amount today and was released under the bond.

The advanced 4-H club which met at the home of Silas Torvond near Silverton last evening with 35 members present enjoyed games and refreshments and at their business meeting named the following committees to assist in handling 4-H fair arrangements for August 29: Hogs, Junior Miller and Coralee Nichols; dairy, Alice Roberts and Carroll Linn; sheep, Henry Pfenning and Myron Harper; poultry, Jack St. John and Hazel Jungen; rose and flower exhibit, Laurel Krenz.

Rummage sale, WCTU, Fri., Sat. 199.

The advanced 4-H fair and canning exhibit which will be staged tomorrow at the courthouse in the county superintendent's office was bringing in a considerable number of exhibits today and indications were there would be some especially high quality showings. Judges for this fair will be Mrs. Frances Whitehead of Turner and Mrs. Lucile Kennedy of Hayesville. A special feature will be the style revue at 2 o'clock after which selections will be made for Marion county entrants for the state fair style revue.

Bus fair wanted at the Sps. 200.

Formal order extending the boundaries of the Stayton justice of the peace and constable district to include the confines of the Mehama district on and after January 3, 1943, was signed by the county court today. The new district will include the following precincts within the order goes into effect: Breitenbush, Horeb, Mehama, Mill City, Stayton, East Stayton, West Stayton, Sublimity and Union Hill. The order recites that the reason for the change is the very small amount of business done by the Mehama justice court and that virtually all the business originating in the Mehama district now is transacted in the Stayton justice court.

Cracked eggs for sale. Marion Creamery. 200.

The district boundary board today granted the petition of Henry Hansen removing 190 acres of land from the Silver Falls school district and placing it in the Union Hill district. No protest was heard from either district and letters were received from clerks of both districts. The reason for the change is that the Hansen home is nine miles from the Silver Falls school and only four miles from the Union Hill school. They have a child expecting to enter school this year and it was considered unjust to make the child travel such a distance when the other school was more readily available.

Children taking part in the Highland school playground program will engage in a treasure hunt Friday afternoon beginning at 2 o'clock. The hunt will be in charge of Mrs. Hanson and Mrs. McGinnis, playground instructor. Attendance at Highland has been very satisfactory. Harold Hauk, director of recreation, stated today.

Miss Lois Maxfield, 16, of 1142 Hall street, was taken to Salem General hospital early this morning after an automobile accident at Liberty and Center streets. She suffered shock and bruises.

Herbert Van Meter, Chinese missionary, will speak at First Presbyterian church Friday night at 7:30 o'clock. Anyone interested is invited to attend.

There will be an important meeting of the Marion-Polk county humane society Friday evening at 8 o'clock at the Chamber of Commerce.

Four youths, wearing only their pajamas, were reported to the police today as having escaped from the state training school at Woodburn. The boys were listed as Raymond S. Blume, 15; Salem; Victor Hanna, 16; Portland; Harry Fuller (Indian), 16, Siletz; and Walter E. Mollett, 15, Klamath Falls.

British Man o' War In U.S. Shipyard

New York, Aug. 21 (AP)—The British press service announces that the famous battle-scarred aircraft carrier Illustrious, in an American shipyard undergoing repairs and that Capt. Lord Louis Mountbatten, cousin of King George VI, who arrived by Clipper Tuesday, would command the ship and supervise repairs.

The announcement, authorized by the British ministry of information in London, did not disclose the exact whereabouts of the 23,000-ton vessel. British admiralty reports published June 18 said the mighty vessel, a year old and with a speed of more than 30 knots, was almost destroyed in six Italian attacks January 10 near Sicily and again at Malta, where she took refuge.

26 Officials of America to Sail

Tokyo, Aug. 21 (AP)—The Japanese Nyk steamship line was understood today to have accepted bookings for 26 American officials on the S. S. Tatsu Maru, sailing from Kobe for Shanghai on August 28. The bookings were believed to have been taken under foreign office pressure.

Confer to End Kearny Strike

(By the Associated Press)

A second conference with Federal Shipbuilding and Drydock company officials was scheduled by President Roosevelt for 4 p.m. (EST) today in an effort to end the two-week-old strike at the company's Kearny, N. J., plant.

The chief executive conferred this morning with L. H. Kornorff, president of the company, and Myron C. Taylor, former board chairman of the U. S. Steel Corporation, parent firm, and these two later went to the navy department to meet Navy Secretary Knox, Sidney Hillman, OPM associate director, and William H. Davis, chairman of the defense mediation board.

Knox, Hillman and Davis were to go to the White House with Kornorff and Taylor for the 4 p.m. conference.

There were indications, meanwhile, that a development might be expected soon in the city-wide transportation strike tie-up in Detroit. Shortly before resumption of conferences aimed at settlement of the jurisdictional dispute there, Thomas J. Donahue, Michigan labor mediator board chairman, declared: "There are signs of a break."

Psychology Study Urged

An approach can be made toward the better understanding of human nature through study of psychology. Dr. Hugh Bell of Chico State college, stated today during an address before the Salem Lions club. He asserted that considerable progress had been made in the program of working out different methods by which man can be better fitted for life, although serious study of the subject is comparatively recent.

Dr. Bell, who is a graduate of Willamette university, spoke of some of the "fake" methods of determining the line of business human beings should follow. Included in this category was palmistry and phrenology.

The speaker told of the progress being made in the standardization of intelligence tests and asserted that "stability" as well as "ability" was essential in personality.

Virgil T. Golden, president of the Salem Lions club, spoke briefly of his experiences while attending the 1941 sessions of the Lions International convention at New Orleans.

Findings in the case of Omer and Hanna Carlson vs. Guy H. Smith and Carl Holliday find plaintiffs owners of certain property in fee simple and grant \$600 in damages for withholding of the realty.

Complaint for divorce by Otto T. vs. Phyllis Paulson alleges cruel and inhuman treatment. They were married June 27, 1941.

Default decree of divorce in the case of Ruth M. vs. W. P. Roemer grants custody of a minor child to the plaintiff.

Complaint by Virginia Hyett for a divorce from Robert M. Hyett alleges cruel and inhuman treatment. They were married in Clark county, Wash., September 13, 1935.

Complaint to collect money allegedly due on a note and for foreclosure of mortgage has been filed today by Grady & Roberts, Inc., vs. Nora Wickert as administratrix of the estate of Amy C. Adams and others.

Probate Court

George Potts has been named guardian of the estate of Mary J. Nye on petition of Edna Teeve.

Final account on the estate of Anna Hobbs and distributee of \$100 and disbursements of \$607. Final hearing is set for September 20.

Justice Court

Herman Schoen, selling bread not marked with net weight. Plead guilty and fined \$25 and costs, fine suspended, costs paid and placed on probation for six months.

Emma Mae Johnson, on jury trial for drunken driving.

Police Court

A. C. Abell, West Stayton, no driver's license. Bail \$5.

Everett W. Macomber, Albany. Failure to stop. Car held for bail.

Marriage Licenses

Albany—Bernie Clyde Gay, 20, of Brownsville, and Violet Opal Jarstad, 18, Shedd Parents consented.

Robert Warren, 20, service worker air conditioning, YMCA, and Josephine Elizabeth Schneider, 20, elevator operator, 1845 S. Commercial, Salem.

Typos Debate Union Control Of Organization

Vancouver, B.C., Aug. 20 (CP)—The question of whether union organization shall be undertaken by officials of the International Typographical union, or left to local unions was heatedly debated at sessions of the I.T.U.'s annual convention here today.

The issue arose after Jack Gill, referred to the fact that unionization of newspapers in New Orleans had been taken out of the hands of the local union and taken over by the executive council.

"I think it is dangerous and disastrous for an executive council to take over the affairs of a local union unless that union makes a specific request," Mr. Gill said.

George L. Rodemann and Louis Roschum, New Orleans delegates, declared the campaign had already made considerable progress in New Orleans and they asked for a vote of confidence in I.T.U. Representative John J. Conley, now delegated to New Orleans.

Nicholas Di Pietro, Tarrytown-Osening, La., declared the I.T.U. through its appointed representative in New Orleans, was carrying on a fight against "some of the most unscrupulous working conditions on the American continent."

"We are at war with unfair employers," he declared "and we intend to stay at war with them."

Affiliation of the Mailers' District Trade Union of North America with the I.T.U. will probably come before the convention later in the week, following filing of a resolution of Mailers' unions from Chicago, Des Moines, Evansville, Atlanta, Tacoma, Seattle, Indianapolis and Cincinnati, urging they be accorded "the democratic privilege of voting as to whether they desire to remain affiliated with the I.T.U."

Refusal of the I.T.U. to re-affiliate with the American Federation of Labor is given as one of the main disputes between the two organizations.

Four Indians Hurt Train-Auto Crash

Four young Indians were taken to Salem General hospital last night with injuries after their automobile had been struck by a switching Southern Pacific freight train on the grade crossing on Penitentiary road between the state prison and state police headquarters.

The injured were Don Billings, 17, route 2, Salem, cuts and bruises; Frank Norwest, 20, Chemawa, fractured clavicle, cuts and bruises; Herman Hudson, 16, Chemawa, shoulder injury, cuts and bruises; and Gene Hudson, 20, route 2, Salem, small cuts and bruises.

The accident happened about 11:15 p.m.

Two Killed in Auto Accidents

Portland, Aug. 21 (AP)—Two persons died and two were hurt, one possibly fatally, in automobile accidents in this region early today.

Garth Arthur Carr, 21, was sleeping with his head outside a coupe window. He was almost beheaded as the car crashed into a traffic sign after the driver, Frederick H. Erdman, lost control of it.

Shirley Spencer was killed outright when the automobile in which she was riding with Sgt. Loren Dale Collins, 29th army engineers, Portland, crashed into trees. Collins' skull was fractured and he was not expected to live.

Miss Margaret Corn, 22, riding with Miss Shirley and Collins, was suffering from lacerations, head injuries and shock.

Action in Persia Approved by FDR

London, Aug. 21 (AP)—President Roosevelt has approved whatever action Great Britain and Russia deem necessary to purge Iran (Persia) of Nazi influences, an American state department official said today.

The Iranian question, now approaching a climax, was said to have been dealt with thoroughly at Prime Minister Winston Churchill's conference with Mr. Roosevelt. An informant said Mr. Roosevelt showed the fullest understanding of the British view that Iran must be purged of German "tourists" and safeguarded as a supply route to Russia and a source of oil for British middle eastern forces.

100 Fire Chiefs Respond to Alarm

Hull, Mass., Aug. 21 (AP)—Fire which broke out at Pemberton Inn here last night didn't have a chance. Only one alarm was sounded, but 100 fire chiefs responded.

The International Association of Fire Chiefs was holding its annual banquet at the Inn.

Unidentified Body Discovered by Guide

Grants Pass, Aug. 21 (AP)—Fred Paquette, Grants Pass river guide, discovered the body of a red-haired young man, clad only in swimming trunks, floating Wednesday afternoon in Rogue river near Footnot creek. The body was fastened to the bank and state police at Medford were notified, he said.

WPA Pulled Off Roads for Harvesting

WPA officials informed members of the county court today that a shutdown on the south river road project as far as that organization is concerned has been ordered until an indefinite date in the future, probably until after the harvest season, anyway.

This is the last of the county road WPA projects which has been operating in the county and has been extensively this sort of work will be resumed in the late fall when harvest and seasonal work is over is a matter of conjecture.

About 30 men will be laid off in the crew. In the meantime the county will go ahead and do some work on the road which is its share of the job, including bringing to grade and rocking a new piece of the road this side of Roberts station.

Moscow Meet For September

Washington, Aug. 21 (AP)—The Moscow conference of American, British and Russian experts to make long-range plans for "a complete victory" over Nazi Germany, will be held early in September, diplomatic sources said today.

The conference was proposed by President Roosevelt and Prime Minister Churchill.

These sources indicated the date of the conference has been set but is being kept a secret, as are the travel plans of the American and British representatives.

Secretary of State Cordell Hull has declined to discuss details of the meeting, referring all questions to the White House. Some sources said Harry Hopkins, lend-lease coordinator, is formulating the details of American participation in the conference.

Mr. Roosevelt and the prime minister decided to propose the conference after hearing the report of Hopkins on his visit to Moscow where he made a hasty survey of Russian needs.

The government pushed its program of giving immediate aid to the Red Army.

Federal Loan Administrator Jesse Jones indicated that the United States would be willing to lend money to Russia through the export-import bank and revealed that he planned to confer soon with Soviet Ambassador Constantin A. Oumansky.

Russia has been paying cash for all her purchases.

Soldier-Actors in Mimic Warfare

With Second Army in Arkansas, Aug. 21 (AP)—Soldiers turned actors today in the second army's mimic warfare, pretending for the dozens to be wounded, to give the medical troops practice in handling casualties of warfare.

Only the occasional crack of a 30 calibre cannon offered a semblance to actual firing as men feigned being hit by the simulated shooting.

Each medical unit was ordered to go through a session of handling casualties during the second problem of the war games, which found the 75,000 men of the seventh army corps setting up a defensive position along a 15-mile front. An enemy, represented by the 107th (Ohio) cavalry, advanced in attack.

Stretcher bearers scoured the "battlefield" for the "wounded," placing them on stretchers and carrying them to first aid stations.

Coast Shortage of Gasoline Relieved

Portland, Ore., Aug. 21 (AP)—Approaching fall weather will help relieve any shortage of gasoline supply in the Pacific northwest, H. D. Collier, San Francisco, president of Standard Oil Company of California, said yesterday.

Commenting on Interior Secretary Ickes' statement at Spokane yesterday that the northwest, like the east, faced an oil shortage because tankers were being diverted, Collier said:

"Now, naturally, we haven't the number of ships to move oil and gasoline up to Oregon and Washington to carry on the volume of business necessary to supply all demands."

"But we are in hopes that by the utilization of barges, the railroads, and transportation trucks we can relieve the shortage in tankers to a degree that will supply the trade in the area without rationing."

Florence, Alabama, Has Dog Plague

Florence, Ala., Aug. 21 (AP)—Dog owners of Lauderdale county worked today to save approximately 1,200 of their pets—all violently ill.

Dr. G. D. Ingram, county rabies inspector, said the dogs were stricken after injections of what he described as contaminated rabies vaccine.

About 100 dogs already have died, he said.

All were inoculated between Aug. 11 and Aug. 15 under a state law for controlling rabies.

Dr. R. S. Sugg, state veterinarian, came here to assist in saving the ill dogs.

Warn Against Diversion of Gasoline Tax

Gasoline tax officials representing the Pacific coast group of the North American Gasoline Tax conference were warned today against any diversion or reduction of the motor vehicle fuels tax.

The warning was contained in a paper prepared by National President A. B. Tucker of Montgomery, Ala., and read before a conference here of officials representing Oregon, Washington, Utah, California, Idaho, Nevada and the province of British Columbia.

"Any breakdown in the present gasoline tax structure will prevent states from carrying out their part of the national defense program," Tucker said.

"The gasoline tax has relieved motorists of many costly burdens, such as construction and maintenance of highways vital to national defense," State Insurance Commissioner Seth Thompson welcomed the delegates on behalf of Governor Charles A. Sprague.

Charles V. Galloway, chairman of the Oregon tax commission, reviewed Oregon's position of a pioneer in the gasoline tax field in 1917. The state constitution was liberalized in that year, and two years later the gasoline tax became law.

Thomas Cole, surveyor of taxes, department of finance, British Columbia, was scheduled to speak on "Motor Vehicle Fuel Taxation in Canada today under wartime conditions, compared to previous conditions," during the two-day sessions.

Announcement of the so-called "peace formula" came after the mayor had gone before the common council and declared that the city may be forced to take "other action" to end the transportation tie-up.

"Detroit can't go along without a transportation system," said Jeffries before he went to a downtown hotel to resume settlement conferences.

The peace proposal was carried to leaders of the striking AFL-AMalgamated Association of street, electric railway and motor coach employees who called the strike yesterday, demanding exclusive bargaining rights.

False Figures On British Oil

Washington, Aug. 21 (AP)—Ralph K. Davies, acting petroleum coordinator, declared today that "wholly and completely false" figures intended to show that Britain has an ample oil tanker fleet were being circulated in this country, apparently in a deliberate effort to confuse the public.

His statement was issued, Davies said, in reply to unofficial reports that it was unnecessary to transfer American tankers to Britain.

"The inadequacy of British and allied control tankers to fulfill their war need was well established as was the necessity of American tankers to aid in the transportation of oil."

"No one should be deluded about this fact. Every step that has been taken has been essential in our judgment to the job of getting oil to the fighting fronts and to protect our own national security."

Reports that the British have ample tankers and that it is unnecessary to transfer American tankers to aid the British, Davies declared, "do not square with detailed figures submitted by the British."

The acting coordinator told the public "to use caution in accepting figures circulated with a definite purpose by uninformed and unofficial sources," adding that "there are strong indications that misleading figures are being deliberately circulated to confuse the public."

Rosser Called to Testify in Seattle

Seattle, Aug. 21 (AP)—Federal Judge Lloyd L. Black Wednesday signed an order directing the warden of the Oregon state penitentiary to turn Albert E. Rosser, former teamster union leader, over to a U. S. marshal so Rosser can be brought here September 8 to testify before a federal tax appeals board.

The government sought Rosser's testimony regarding transfer of his real and personal property to George F. Vanderveer, Seattle attorney, who helped defend Rosser when he was tried for arson in 1938.

The government seeks a lien on the property for \$9000 income tax Rosser is alleged to have failed to pay. Vanderveer said the property was given him in lieu of attorney's fees.

Negro Convict Stabbed to Death

Folsom Prison, Calif., Aug. 21 (AP)—Frank Clark, 35, negro convict, was stabbed to death last night while returning to his cell after dinner.

Prison authorities said Earl Oliver, 31-year-old negro, had admitted stabbing Clark with an improvised seven inch knife. Clark was slashed in the abdomen and died two hours later in the prison hospital.

Clark was serving 25 years from San Joaquin county for robbery and assault with intent to commit murder. Oliver was serving a life sentence for kidnapping, robbery and assault in Los Angeles. The two men were said to have been enemies in prison.

French Actress Would Be Citizen

Hollywood, Aug. 21 (AP)—Slim, blue-eyed Michele Morgan, French actress who left Brittany after the Germans moved in, today sought American citizenship.

She applied for her first papers in federal court, saying she was born in Neully, France, in 1920. She has starred in 12 French pictures, some of them with Charles Boyer and Jean Gabin. Describing Nazi occupation of Brittany, she commented:

"There is no disorder. It was all very sad and depressing. It seemed like the dawn of a new life when I reached America."

Seek End of Detroit Strike

Detroit, Aug. 21 (AP)—Federal and state mediators, after conferring with Mayor Edward Jeffries and Detroit street railway commission officials, said today they had drafted a "peace formula" for settlement of Detroit's day-old transportation strike.

Chairman Thomas Donahue and Federal Mediator John Q. Jennings said they were taking the formula to AFL and union leaders who called the strike paralyzing the city's bus and trolley service.

"We hope for a brighter afternoon now," they announced cheerfully.

However, Samuel T. Gilbert, chairman of the DSR commission, insisted no proposed agreement had been drafted and expressed belief the rival AFL and CIO unions still were deadlocked.

Announcement of the so-called "peace formula" came after the mayor had gone before the common council and declared that the city may be forced to take "other action" to end the transportation tie-up.

"Detroit can't go along without a transportation system," said Jeffries before he went to a downtown hotel to resume settlement conferences.

The peace proposal was carried to leaders of the striking AFL-AMalgamated Association of street, electric railway and motor coach employees who called the strike yesterday, demanding exclusive bargaining rights
