Decar Outler, market road engineer for the state highway commission, has written County Judge Murphy that he has asked the district engineer to investigate and take action as to a load of sawdust dumped on the secondary highway at Aumsville. The judge had written the commission reporting that about two weeks ago someone with a truckload of sawdust from them headed to the eastern part of the county had run the truck onto a soft shoulder of the road where it became mired and it was necessary to dump the sawdust to rescue the truck. Part of the sawdust is on the highway and part is a farmer's field. Inasmuch as the road is maintained by the state, county judge asked that the commission investigate.
