Music Week Proclaimed By Mayor

National Inter-American Music Week is announced for May 3 to 10. The theme this year is "Fostering Hemisphere Solidarity Through Inter-American Music Week."

The idea is extremely timely and stimulating. Founded on good will, and dedicated to local interests as well as interests common to all the American peoples, Inter-American Music Week should be an effective expression of the "Good Neighbor Policy." Our own country's keynotes are: "American Unity, through Music, and Music Maintains Morale."

I hereby proclaim the week beginning May 3 through the 10th as National Inter-American Music Week in the city of Salem and call upon all our people to aid in celebrating this week in an appropriate manner.

W. W. Chadwick, Mayor, City of Salem, Oregon.

A Pair of Dickeys to Embroider

PATTERN NO. 1770

Dickeys are fashion favorites this season when suits are all-important. How much easier it is to launder one of these simple vestees embroidered with colorful cottons than to "do up" a complicated blouse replete with tucks, frills and turbelows, and how much newer and smarter it looks! Two styles are included in the pattern—a Peter Pan type collar for high neckline and a convertible collar for either high or V-shaped neckline. The simple cross-stitch embroidery takes little time to make. Pattern envelope contains tissue pattern pieces and hot-iron transfers for 2 styles; color chart and full directions. Pattern comes in small, medium and large. Please state desired size. Send 10c (in coins) for above pattern number to Capital Journal, Needs Arts Dept., 149 New Montgomery street, San Francisco, Cal.
