

Lebanon Park Camping Site Of Boy Scouts

Lebanon—Over 100 Boy Scouts of Marion, Linn and Polk counties, comprising the Cascade area council, will gather at the city park here Friday evening for the ninth annual all-council Camporee, to be conducted under the direction of Ronald Rudiman, scout executive.

The Camporee is a public demonstration of the ability and training of Scouts to set up camp, cook their meals, and to show leadership and organization. The program also includes field competitions of a scouting nature.

The patrols of Scouts arriving between 3:30 and 6:30 o'clock Friday will erect a "tent city," which will be torn down Sunday.

There will be two types of competitions. In campcraft the patrols compete against standards—A, B and C, in their ability for organization, equipment, menus and cooking, and performance. The other competitions include field contests with representatives or teams from the various troops attending, to be judged on a first, second, and third place basis.

There will be contests Saturday morning, and afternoon. In the evening will be the big council fire gathering with songs, yells, stunts and stories. Sunday morning a short undenominational chapel service will be held, after which the Scouts will attend the church of their faith.

The final ceremonies at which the certificates of campcraft ratings will be presented will be at 2 p. m., Sunday, after which the camp closes, according to the program announced by Rudiman.

Sugar Problem At Silverton

Sprague wired Leon Henderson, federal price administrator urging that the allotment of sugar for canning purposes be increased. The governor said he had received many protests from housewives and fruit growers.

Walter Geren, ration board clerk at Silverton, emphasizes that the value of one stamp is always one pound. Stamp No. 1 must be used by May 16, and stamp No. 2 by May 20, Mr. Geren reports.

In the Silverton rationing district, which includes 23 school districts, 6318 sugar books were issued. District No. 4, the Silverton, city district, claimed 3136 of these. Mr. Angel issued 910 and at Scotts Mills 294 were issued. The total applications in the entire district was 8803, showing almost 2500 more applications than books issued. In the Silver Cliff district No. 35, only three applicants had more than six pounds per person, according to the records turned in at defense headquarters.
