A Modern Picture to Applique

1828

Pattern No. 1828

Don't feel that you can't bring needlework into a modern setting. The simplicity of line and design in this applique picture lends itself to a modern decorative scheme. Two tones of blue form the background against which the snowy white swan is contrasted. Only the swan is applique. The weeping willow leaves in soft green and warm yellow water lilies are embroidered in satin stitch. The materials for the picture cost surprisingly little or perhaps nothing at all if you have the necessary fabrics and flosses remaining from other handiwork. Pattern envelope contains hot-iron transfer for picture, 11 inches square, color chart, stitch illustrations and full directions. Send 11c (coin) for above pattern number to Capital Journal, Needle Arts Dept., 149 New Montgomery St., San Francisco, Calif.
