Utility Gains Feature Day on Stock Market

ranging to more than 2 points in a group of utility preferred issues today featured a quiet, ir-

regularly higher stock market, Demand for utility preferreds was said to reflect belief by traders that recent orders of the security and exchange commission directing utility holding companies to dissolve or reorganize would produce values in excess of present prices.

Some sugars were given a lift. Cuban American, outstanding feature, spurted a point when directors doubled the previous dividend of 25 cents, first paydividend of 25 cents, tirst pay-ment made since 1929. Other sugars generally were higher, with exception of Guantanamo preferred, which lost 2 points.

Steels were dull and narrow loving. Motors gradually made initial losses that ranged to 2 point in General Motors. Railroad issues were steady to easirose in enough instances to send the average up slightly. Oils were steady with Standard of

In the preferred utility sec-tion, gains of 2 points and more were noted in Electric power preferreds and West Penn Elec-tric A stock. Gains of a point and more were made by Ameri-can Power & Light preferreds, Columbia Gas 6 per cent prefer-red and West Penn Electric 6 per cent and 7 per cent. Vanadium jumped a

Vanadium jumped a point near the close. Acme Steel was off 1½ points at a new low of 41.

U. S. Steel had a small net gain and Bethlehem a minor loss.

Copper shares were steady.

Schenley, which appeared on blocks ranging to 2,000 shares, was the most sative issue.

Butter—Cube extras 45c, standards 4cc, prime firsts 42½c, firsts 39½c. Cheese—Oregon triplets 22c ib Cheese—Oregon triplets 22c

was the most active issue.

blocks ranging to 2,000 shares, was the most active issue.

New highs for the year and longer were made by American Machine & Metals, Beatrice Creamery, American Home Products, Beneficial Industrial Loan preferred and Postal Telegraph preferred. Louisville & Nash-ville, with a loss of more than 2 points, made a new low for the year.

Dow Jones preliminary closing stock averages: Industrial, 106,49, up 0.21; rail, 26,00, off 0.19; utility, 11,66, off 0.10; and 65 stocks, 35,53, up 0.02.

Stock sales were 260,640 shares in loss of mage days and shares compared with 291,320 against 50,130 shares in loss of more than 2 to the late of the
