Employees of the Railway Express agency were taking it a bit easier today. Not because all of the spare automobile tires had been checked and shipped, but because the supply of necessary forms had been exhausted. It is expected business will be resumed next week since an extension of time has been granted motorists who failed to get under the wire earlier.

Christmas cards. Order now. Cooke's Stationery, 370 State. 281*

A number of physical examination clinics will be conducted next week by the Marion county department of health. The schedule for the week includes: Monday, 9-12 a.m. and 1-2:30 p.m., physical exams at Englewood; 2:30-4 p.m., immunizations and vaccinations for school and pre-school children, Englewood; Tuesday, 9-12 a.m., physical exams, Englewood; 9:30 a.m., second toxoid doses, Eugene Field school, Silverton; 1:30-3 p.m., second toxoid doses, St. Mary's academy, Mt. Angel Wednesday, school clinics at Stayton, 10-12 a.m. and 1-3 p.m., and at health department, 1:30-3 p.m.; Saturday, 9-11:30 a.m., vaccination and immunization clinic at health department.

Legion dance. Public invited. Salem Armory every Sat. nite. 278*

The 36th annual Christmas seal sale for Marion county which will open next Monday, will be featured by a kick-off luncheon at the Chamber of Commerce, at noon. Dr. Thomas Meador, city health officer for Portland, will be the principal speaker. Tinkham Gilbert, president of the Marion county public health association, will preside.

Lutz Florist, 1276 N. Liberty. *

County Engineer Hubbs reported today that the Wheatland ferry which has been down for several days because of high water resumed operations. However, the Buena Vista ferry which ceased running a few days ago when the anchor tree for the cable pulled out, was still not operating today but might be back in commission early next week. It was expected the line might be up today with possibility of the ferry resuming its trips by night, but probability of adjustments being required made it more likely it would be the first of next week before it would again be running.

For Home Loans see Salem Federal, 130 South Liberty. *

Sheriff's sale of Laura Belle Addy property under mortgage foreclosure this morning brought only one bid in writing from Callie B. Heider, mortgagee, for \$1943.50. The property in question is 2 1/2 acres with improvements near Donald.

It costs no more to use the best! Re-roof now with Fabco Roofing. No down payment, 12 mos. to pay. R. L. Elfstrom Co., 375 Chemeketa St. *

Deeds were ready for the county court today covering 13 parcels of properties in the city of Salem, some of the parcels including more than one lot which are being taken over by the city of Salem for \$966.16, which covers various costs and taxes aside from city taxes. Most of the lots are in Pleasant Home addition, but some are in Nob Hill annex, Rosedale addition, Seventeenth street and North Salem additions.

Russians Dislodge Nazis in Caucasus

Moscow, Nov. 21 (AP)—Successfully storming heights at Stalingrad and in the Caucasus, the Russians were reported showing fresh strength today in their bloody give-and-take with the German invaders. During the night red army units dislodged the enemy from a strongly fortified

War Power Bill Amended

Washington, Nov. 21 (AP)—A house ways and means subcommittee agreed today on the draft of a substitute bill giving the president wartime power to suspend laws governing tariffs, immigration and transmission of information to and from the United States, but with limitations described by Chairman Jere Cooper (D., Tenn.), as "proper safeguards."

The new measure was agreed upon unanimously by the subcommittee after it had heard pleas for approval by representatives of the war and navy departments and other war agencies. Cooper described it as "strictly a war measure."

The full ways and means committee earlier this week had tabled a much broader bill specifically requested by President Roosevelt after objection had been raised to the sweeping powers it contained. The full committee will consider the revised bill on Tuesday.

The measure imposes limitations which would provide that: Only such aliens as are "necessary to the war effort" shall be admitted to the country irrespective of immigration laws. Their free movement shall be permitted only upon application of the secretaries of war or navy department or other specially designated war agency officials.

Dr. Henry E. Morris, of Salem, will be in the Silverton office of Dr. Donald Simpson, optometrist, every Friday evening until Dr. Simpson, who is ill, is again able to meet his patients.

Legion dance, public invited. Salem Armory every Sat. nite. 278*

The Gervais dancing club will give another of its dances in the Gervais high school auditorium Saturday night with the five Oregonians furnishing the music. The club holds dances the first and third Saturdays of the month.

Yanks Advance West Flank on Guadalcanal

(Continued from page 1)

partment communique No. 196. "2. On Nov. 19: "A. U. S. patrol activity on Guadalcanal resulted in the advance of our outpost line. About 35 Japanese were killed. U. S. forces suffered few casualties.

11 Attack Missions "3. On Nov. 21: "A. Eleven attack missions against enemy installations on Guadalcanal were carried out by our aircraft.

"B. Ground forces engaged in minor activities on Guadalcanal. "4. A recent dispatch from Vice-Admiral Halsey, whom the president nominated yesterday for temporary promotion to the grade of admiral, has confirmed that the damage inflicted on the enemy, which was announced in navy department communique No. 195 is in addition to that reported in navy department communique No. 194."

Thus the communique officially established that Japanese losses in last week-end's Solomon's naval battle were 28 warships and auxiliaries sunk against eight American warships lost. Secretary of Navy Frank Knox also announced this yesterday.

Sub Launched In Wisconsin

Manitowoc, Wis., Nov. 21 (AP)—The submarine Peto, fit and ready for immediate war duty, was accepted formally by the United States navy today.

The first modern undersea craft built on the Great Lakes, her commissioning was a triumph not only of the Manitowoc Shipbuilding company workers, many of whom have never seen salt water, but thousands of other Wisconsin factory hands whose toil went into her machinery, controls and instruments.

The Peto was launched by Commander R. F. Hans, who represented Rear Admiral John Downes, commandant of the ninth naval district.

Peto, launched here April 30, will be taken to tidewater by way of Chicago, and the Illinois and Mississippi rivers.

Peace Cries Greet King Emanuele

New York, Nov. 21 (AP)—Cries of "Peace" greeted King Vittorio Emanuele of Italy when he went to see bombed ruins in Genoa and Milan recently and the demonstrations led to the dismissal of the city's governor, the British radio reported today in a broadcast heard by CBS. The broadcast did not indicate how its information was received.

A number of county officials including members of the county court, County Clerk Lee O'Hart, County Recorder Lanke and County Engineer Hubbs were back at their offices Saturday after attending conventions of officers representing their various offices over the state. County Judge Murphy stated considerable business was done at the meeting of judges and commissioners, the principal resolution passing being one relating to setting up a reserve fund out of surplusses which will arise principally in county road funds. A reserve will be necessary, he said, as after the war roads and machinery will probably be badly depreciated and broken down. Among resolutions passed by the county clerks and recorders was one dealing with the state paying expenses of circuit and justice courts, rather than their being borne by the counties, inasmuch as they are solely for the adjudication of state statutes.

Jerry Owen, secretary of the state bonus commission, state director of civilian defense and editor of the Oregon Legionnaire, who has served on the national publications committee of the American Legion, was reappointed for a term of three years at a meeting of the national committee in Indianapolis. Sixteen Legionnaires of Oregon received recognition from National Commander Roane Waring, whose appointments were ratified Friday. Carl Moser, formerly of Silverton and past state adjutant, was chosen vice chairman of the World War II liaison committee to study problems in connection with enrollment of new veterans having honorable discharges from the present war. Ralph Hargett, of Sweet Home, was named to the committee on veterans' preference.

3 Youths Held for Car Theft at Albany

Albany, Nov. 21 (AP)—State police Sergeant Earl Houston last night arrested Jerome L. Olaf, 16, Joseph A. Zinna, 17, and Nelson P. McCombs, 15, all of Seattle, on charges of automobile theft.

The officer said the arrest followed a chase after he and Albany Police Chief Perry Stelmacher recognized plates of a car reported stolen in Portland. They thought the escaped Truman and Glenn Wilson from the state penitentiary might be in the car and fired at the tires. The youths stopped and were arrested.

Poison Deaths at Hospital Probed

(Continued from page 1)

dose of sodium fluoride contained in the roach powder was mixed with the scrambled eggs has not been determined. Lansing said, adding that he was working on the theory that the powder was brought into the kitchen on the day of the poisoning. The last time the powder was used for its normal purpose was over a month ago, according to present information, he said.

"When we determine who brought the powder into the kitchen," said Lansing, "we will have got to the bottom of this case."

Governor Charles A. Sprague, who has been keeping in close touch with Lansing's work, said he was confident a solution would be reached.

Dr. John C. Evans, hospital superintendent who has been assisting Lansing, particularly with the questioning of the patients, had little to say regarding the progress of the case. His chief concern was with the welfare of his stricken patients, all but a half dozen of whom have recovered, and these are improving.

"We are having trouble keeping them in bed," he said. "They want to be up and around."

Nazi General Bitter on Hitler

London, Nov. 21 (AP)—Gen. Ritter Von Thoma, the first captured German general to arrive in London, is reported by the Daily Mail's military writer to have held in talks with the British that "Hitler has ruined the reichswehr."

The officer disclosed "remarkable facts about the bitter feeling prevalent in the inner circles of the German general staff," the writer said.

Captured by the British November 4 while serving as commander of the Nazi African corps under Marshal Rommel, Von Thoma was described as one of the school of professional German soldiers who "dispute any encroachment in their sphere by civilians or politicians and all members of the Nazi party, including Hitler himself."

"He is believed to have said that Hitler's assumption of the supreme command spells disaster to the war machine built up by the devotion of the great general staff," the writer said. "Hitler's economic policy also has been severely criticized by Von Thoma. This agrees with recent reports from neutral sources."

Seek Slash in Telephone Rates

Washington, Nov. 21 (AP)—The federal communications commission today ordered the American Telephone and Telegraph company to show cause why its long-distance rates and other charges should not be substantially reduced.

The commission said figures reported to it by the long lines department of the company indicated earnings on net book investment at a rate of 24.37 per cent annually before making provision for federal income taxes, and a rate of 14.92 per cent after providing for the new federal normal and surtaxes.

A. T. & T. was ordered to answer the commission's order by December 1 and to appear at a hearing on December 16.

The investigation, the FCC said, "will cover not only rates but all charges, classifications, practices and regulations in connection with the communication service rendered by the long lines department."

The company's figures for the first nine months of this year indicated excess earnings ranging from \$47,000,000 to \$82,000,000 for the full year, depending on how federal income taxes are figured, the commission said.

"These excess earnings bear heavily at this time both on the cost of the war and on the cost of living," FCC Chairman James Lawrence Fly said in a statement.

Peace Cries Greet King Emanuele

New York, Nov. 21 (AP)—Cries of "Peace" greeted King Vittorio Emanuele of Italy when he went to see bombed ruins in Genoa and Milan recently and the demonstrations led to the dismissal of the city's governor, the British radio reported today in a broadcast heard by CBS. The broadcast did not indicate how its information was received.

A number of county officials including members of the county court, County Clerk Lee O'Hart, County Recorder Lanke and County Engineer Hubbs were back at their offices Saturday after attending conventions of officers representing their various offices over the state. County Judge Murphy stated considerable business was done at the meeting of judges and commissioners, the principal resolution passing being one relating to setting up a reserve fund out of surplusses which will arise principally in county road funds. Ralph Hargett, of Sweet Home, was named to the committee on veterans' preference.

Poison Fatal to Prison Inmate

Thomas O'Connor, 35, an inmate from Deschutes county, died of poisoning at the Oregon State Penitentiary Wednesday, Warden George Alexander disclosed today.

The warden said the case had no relation to the mass roach powder poisonings at the state hospital the same day. He expressed the belief O'Connor, in search of alcohol, had drunk an anti-freeze or cleaning fluid.

An autopsy examination to fix the cause of death was interrupted when state doctors were called to the hospital for the insane to care for the poisoning victims there.

Mrs. Saidie Orr Dunbar wishes to call attention to three special broadcasts concerning "Women at War Week." The programs are the "Saturday night Bond Wagon," this evening, from 7:15 to 7:45 p.m., over the Mutual Broadcasting system; a "Special Women at War Week" program, Sunday, November 22, over the Mutual Broadcasting system, from 4 until 4:30 p.m. and "Women at War" over the Columbia Broadcasting system, Sunday, November 22, from 4 until 4:30 p.m.

Gas Rationing Hard on Realtors

The effect of gas rationing upon the realtors came in for considerable discussion during Friday's luncheon of the Salem Realty board. The upshot of the discussion was that while the national association had been informed that dealers in real estate would be granted at least a "B" rating, the local rating board had the final say. Most of the realtors taking part in the discussion were convinced that they would be forced out of business unless they were able to obtain additional supplies of gas than called for by an "A" rating.

F. H. Weir was placed in nomination for the presidency of the Salem Realty board by the report of the nominating committee today. The election will take place December 11. O. E. Rae was nominated for vice-president, Wm. Blivin secretary, C. V. Johnson treasurer, and George Alderin as member of the appraisal board.

Mrs. Winnie Pettyjohn was named to head a committee which will arrange the program for the annual Christmas party of the realtors, December 18, at the Marion. Doreen Baker will assist.

W. G. Hardy, president of the board, distributed copies of his firm's closing statement in making a sale of real estate. Hardy explained that the statement brought all phases of the financial transaction to all those concerned in the transaction. He expressed the opinion that a detailed statement resulted in bringing public respect to the real estate profession.
