Communion Service Thursday Night

The First Presbyterian church will observe its fourth annual pre-Easter communion service Thursday evening at 8 o'clock.

This service, held in the candle-light sanctuary, where absolute silence is maintained, has come to be very meaningful to great numbers of people in the community as well as to the church congregation itself. The chorus choir, under the direction of Virginia Ward Elliott, will

sing appropriate music. Approximately 50 new members will be welcomed into the church at this time, the group meeting with the session just prior to the evening service. Rev. W. Irvin Williams, pastor of the church, will give a very short meditation and administer the sacra-

ment of the Lord's Supper.
Victory Quint Heard
Woodburn—The Victory Quintet of Atlanta, Ga., presented a concert of negro spirituals in the Woodburn high school auditorium last week. The quintet has presented concerts in the northwest during the fall and winter months and is now making a tour of the high schools.
