West Salem River Victim's Body Recovered 'Neath Logs

West Salem, July 21—The body of Lester McDaniel Fitch, 5-year-old son of Mr. and Mrs. John Fitch, was raised at approximately 3:45 o'clock Tuesday afternoon from beneath a log raft moored in the Willamette river by Walter Gerth and Sgt. Sidney Emahiser of the state police. A search for the body began immediately following the drowning which occurred at about 10:50 o'clock when the lad slipped off the log raft upon which he was playing with two older brothers.

Walter Gerth was called to take over supervision of the search early in the afternoon after efforts of Chief of Police Fred Neely, Officer Raymond Flint and Walter Johnson, city employee, had proved futile. With the aid of grappling equipment loaned by the Salem first aid crew, Gerth located the body near the bank of the river. After the body was contacted Sgt. Emahiser took over and raised the lad from between the logs.

C. Henkle, Polk county coroner, released the body to the Rigdon Mortuary, from where services will be held at 10 o'clock Thursday morning. Burial will be in the Lee Mission cemetery.

Mr. and Mrs. Fitch and their six children had moved recently from Odenew, Texas, and had resided at the Riverside camp during the past month while the family was engaged in picking cherries at the R. W. Clarke farm. The father was away and the mother was busy making preparations to move to Eugene when the accident occurred. Garrett Fitch, 10 year old brother of the drowned boy, grasped his brother's hand as he fell from the raft but failed to effect a rescue due to the slippery footing on the logs.

Chief of Police Neely was aided throughout the day in the search by Walter Gerth, Officers Price and Emahiser of the state police, Officer Raymond Flint, Walter Johnson, city em-

ployee, and Mrs. Rust, R. R. guard.

Colorful United Nations Show Slated for Sunday

In the sunken garden on the state capitol grounds Sunday afternoon, starting at 5 o'clock, will be staged one of the most colorful events produced in wartime Salem. The United Nations Festival will feature the national song and dances of the allied nations, with ballads for Americans, the 104th Cavalry band furnishing music, an address by Governor Earl Snell and Irl McSherry acting as master of ceremonies.

With the keynote "Unity for Victory" the big festival will be put on to promote unity among all people who are now, along with this country, fighting for the defeat of the axis. The program, announced its sponsors, is planned to be both educational and entertaining with participants from the various national groups in and about the Salem community presenting their own traditional songs and dances in traditional costumes. There will also be a folk dance production in which a group of Salem children will take part. All individuals who own traditional costumes of the allied nations are urged to wear these costumes and make themselves known.

No Charge to See It. The festival is to be a public event to which all people in the community are invited and there will be no admission charge.

Says Carl D. Gabrielson, chairman of the festival committee: "In this United Nations festival the people of the allied nations demonstrate their unified will to defeat the axis and build a world of better understanding and cooperation amongst all peoples who love and cherish freedom. Let us all join hands on July 25."

Sponsors of the big affair are American Czechoslovak Alliance, Bundles for Britain, Greek War Relief, Norwegian War Relief, Russian War Relief, Inc., Salem Jewish Congregation, Sons of Norway and United China Relief. Have a Coca-Cola = Howdy, Neighbor, 'round the world

... or how to make friends at home or abroad

When the American soldier overseas meets up with Coca-Cola, it's like meeting an old pal. Have a "Coke," says he to a stranger, and in three words he has made a new buddy. From Minneapolis to Melbourne, Coca-Cola stands for the pause that refreshes—has become the mark of the good neighbor, the high-sign of the friendly-minded—has spread from Atlanta to the Seven Seas.

It's natural for popular names to acquire friendly abbreviations. That's why you hear Coca-Cola called "Coke".
