

East Salem Clubs Taking Part in Mercy Campaign

East Salem, Feb. 21—All East Salem clubs are making their plans to help in some way the coming Red Cross drive. Friday afternoon, members of the Garden Road Neighborhood club met at the home of Mrs. Ralph Werner on Garden road for the regular February meeting. At the business meeting members voted to donate \$5 to the Red Cross in the coming drive. Mrs. Frank Ricket, one of the members, who has been in the hospital with bronchial pneumonia, was reported to be at her home now and much better. There were 13 members present and one special guest, Mrs. Glenn Larkin. Mr. and Mrs. Larkin have recently moved into their new home on the acreage they bought from Dr. Marion Mayo on Garden road. They came to Salem from Willamina.

The acreage on Garden road known as the Hamilton home has been sold to Mr. and Mrs. H. A. Greer.

The Friday afternoon program at Swegle school assembly was given by members of the eighth grade. It was a play written by the pupils of the grade, "Checking Black Market," and was a lesson on the war-time hazards. The characters, butcher, butcher's helper, Mrs. Teller, Mr. Honesty, Mrs. Wanting, FBI men, Hawkshaw Clever, Tiny Tuff and customers, were taken by Richard Dalke, Leonard Remington, Mildred Schultz, Marvin Eucker, Joan Lake, Dan Steele and Robert Hensell.

Ruth Biles, an eighth grade student, is absent from school because of an infection, and the three Cozad pupils, Robert, Marilyn and Donald, are out of school because of measles.

Wounded Saved By Blood Donors

Thousands of American fighting men will be decorated with the purple heart award this year as a result of the continued support of the people of Salem and nearby communities at the blood donor center, where otherwise would come reports of "lost in action," according to Milton L. Meyers, chairman of the Red Cross blood donor committee.

"Washington's birthday is a day well suited to remind the public of its life-saving obligation to the men in service," he stated. "Not only was the purple heart originated by George Washington in 1782, but the men wounded in action carries the image of the first president, and first general of our armies."

"From Salem and nearby communities alone, there must be dozens of soldiers and sailors now wearing the purple heart who are alive today only because someone gave to the Red Cross a pint of blood from which life-saving blood plasma was processed."

"The 1944 goal set by the national chapter is nearly 11,000,000 pints of blood, approximately did not close in rural schools until Friday night and the total for Swegle was \$2,922.60, and Auburn, \$1,760, or the purchase price of 27 parachutes."

mating one pint for every man in the service. During the visits of the mobile unit in Salem through January, 634 persons can say, "I was there." Since the first visit on April 27 of last year through the end of January, 1944, a period of nine months, Marion county contributors have donated 7,917 pints. Of these contributors, 891 have donated twice; 535 three times; 227 four times and 48 five times. The unit visits Salem every Tuesday and this Tuesday is Washington's birthday, and, Mr. Meyers continued, "we would like to make it a 'Purple Heart' day. Let your pint of blood mean the purple heart decoration for some man who could not otherwise survive."

Relief At Last For Your Cough

Chronic bronchitis may develop if your cough, chest cold, or acute bronchitis is not treated and you cannot afford to take a chance with any medicine less potent than Creomulsion which goes right to the seat of the trouble to help loosen and expel germ laden phlegm and aid nature to soothe and heal raw, tender, inflamed bronchial mucous membranes. Creomulsion blends beechwood creosote by special process with other time tested medicines for coughs. It contains no narcotics. No matter how many medicines you have tried, tell your druggist to sell you a bottle of Creomulsion with the understanding you must like the way it quickly allays the cough, permitting rest and sleep, or you are to have your money back.
