

New Ward Boundaries to Be Fixed by City Council

Mayor I. M. Doughton Monday night referred to the ordinance committee of the city council the job of working out new ward boundaries, involving Wards 2 and 6, to conform to the new city precinct, No. 27, created by the county court.

Alderman L. F. LeGarde mentioned the matter as necessary for immediate attention, and City Recorder Alfred Mundt said it would have to be taken care of at the next meeting of the council to get under the wire for the approaching May election.

The First National Bank of Portland was successful bidder for \$39,000 airport refunding bonds. The bid was 100.01 for each \$100, the city to pay interest of 2 1/4 per cent on bonds maturing from 1945 to 1949, inclusive, and 1 per cent on those maturing from 1950 to 1957, inclusive. Other bidders were Blythe & Co., and Fordyce & Co. An accompanying resolution authorized the calling of the outstanding bonds.

Park Building Rented
The council approved renting the building in Pringle park to the Salem Deaconess hospital for worship purposes. The city

approved petition for a light at Broadway and Hickory "if and when materials are available." On recommendation of the public buildings committee the council will file for future reference all applications for appointment to the office of building inspector. Three applications have been received.

Petition was received for a street light at 16th and Waller. May 1 was set as the date for a public hearing on the vacation of East avenue from Garnet to the Southern Pacific tracks. A resolution initiating the vacation proceedings was introduced.

Vernon Barnard of Silverton Wounded

Washington, D. C., March 21 (P)—The war department today announced a list of 451 men wounded in action, including four Oregon soldiers injured in the Mediterranean area. They were:

Barnard, PFC, Vernon B.—Mrs. Grace Bunch, mother, 906 South

Charles Fair of Salem Has Adventure Aboard Bomber

An 8th AAF Station, March 21—Bouncing "live" bombs, in basketball fashion, off the bomb bay doors of their plane, is a far cry from the hardwood court game, but that was the only way two members of a Fortress crew could get their deadly cargo free during a recent mission.

As their Fortress, "Round-Tripper," piloted by Second Lt. Wallace R. Smith of Winnabow, Louisiana, passed over the target in Frankfurt, warped bomb bay doors prevented one of the two hatches from opening and made it impossible to salvo the bombs.

F/O Donald A. Faulhaber, copilot, of Lincoln, Nebraska, enlisted the aid of his top-turret gunner, S/Sgt. Charles H. Fair, of Salem, Oregon, in releasing the bombs.

Carefully prying loose the toggles that held them in their

racks, the would-be-hoopsters succeeded in bouncing the bombs against the side of the stuck door and through the half-opened hatch.

One by one, the deadly missiles hit the back board and swished through the imaginary net in the bottom of the Fort. Faulhaber and Fair were way ahead in this aerial basketball game, thousands of feet over Germany, until the fuse of the last bomb broke off. Gambling on the final point—either being blown to bits, or returning safely, F/O Faulhaber aimed and won. The unshackled bomb neatly dropped between the doors.

"Round-Tripper," H—, related the Fort's bombardier, 2nd Lt. James G. Levey, of Bronx, New York. "If Don and Chuck

Ken Dalton Now Lt.-Col.
Washington, March 21 (AP)—The War Department today announced temporary promotions, assignments for 5 officers from Oregon, and 2 from Washington.
