Rovena's Pumpkin Pie

Thanksgiving calls for pumpkin pie and here is one that calls for encores and requests for the recipe. It is just a bit "different" and we feel certain that your family will like it as much as we do at our house.

Take 2 cups canned pumpkin, 3 slightly beaten eggs, 1/2 cup brown sugar, 1 1/2 cups milk, 1/2 cup cream, 3 tablespoons honey, 1/2 teaspoon cinnamon, 1/2 teaspoon allspice, 1/2 teaspoon ginger, pinch grated nutmeg, 1 teaspoon salt and 3 tablespoons cooking sherry. Mix all the ingredients except the pumpkin and beat slightly. Then add pumpkin and beat until creamy and smooth in texture. Pour the mixture into an unbaked pie shell and bake in a hot oven at 425 degrees for 10 minutes, then reduce heat to 350 degrees and bake for 25 minutes longer or until a silver knife will come out clean. This recipe makes one large pie. It is equally as good when the mixture is poured into individual pie shells and baked.

Mrs. Ellis Lauderbach with Mrs. L. Pease as co-hostess. Mrs. Roy DeArmond was appointed as installing officer.
