The officer, who had completed his second year in electrical engineering at Oregon State college at the time of leaving for duty with the armed forces, on reporting for duty was sent to Boca Raton, Fla., where he received electrical training and then went to Yale university for his officer training. His radar training was taken at Boca Raton after he had received his commission.

EATS CEREAL—PRAISES RESULTS

Suffer from constipation? Want relief without drugs? Then read this sincere, unsolicited letter:

"I am nearly 37 years old. I've been eating KELLOGG'S ALL-BRAN every morning for more than 15 years. I am glad to make this unsolicited testimonial. KELLOGG'S ALL-BRAN has every fine and beneficial quality which you claim for it." William Thrush, R-4, Weebah, Indiana.

You, too, may never have to take another laxative as long as you live—for constipation due to lack of bulk in the diet—if you eat ALL-BRAN every day, and drink plenty of water. Try it as a delicious cereal—and in muffins.

KELLOGG'S ALL-BRAN is not a purgative. It's a good, wholesome cereal made from the vital outer layers of wheat, supplying gentle bulk, helpful to normal laxation. Eat it every day for ten days and drink plenty of water. If not completely satisfied, send empty carton to the Kellogg Company, Battle Creek, Mich. Get double your money back.

Get ALL-BRAN at your grocer's. Made by Kellogg's of Battle Creek and Omaha.
