

# Preview of That \$545 Coupe You Hear About

By Frank Bartholomew

San Diego, March 21 (AP)—This is about a dark young man coming into your life pretty soon with a brand new red leather convertible coupe he says he'll sell you for \$545, or a sedan or station wagon for \$50 more. A few years ago he was a kid cleaning looms in Fall River, Mass., for 50 cents a week. His mother was a widow with nine sons to support and this boy we're talking about said it was pretty tough going even with the groceries supplied by city welfare.

## Orders Pile Up

The family is going to do better now since this particular son whose name is S. A. Williams, took a mail order course in engineering and invented an automobile for which he says he has one hundred and ten million dollars' worth of confirmed orders so far, based on a total production of two completed cars to date.

In addition the company he organized has sold another million dollars worth of dealerships all over the place. It is called the Bobbi-Kar Corporation and it is already spread over three former airplane manufacturing plants around here and is dickering with the government for a fourth. Tooling is going ahead and volume production of 1500 cars a day is scheduled for October.

I saw a finished model of the little car which has caused all the commotion.

The convertible coupe I look-

ed at is standing in the reception room of the company's executive offices in the former Ryan Aircraft plant. It's a smart and substantial looking little job finished in red leather, including the instrument panel which is mounted on sponge rubber. It has a semi-circular windshield with no center post. Engine and transmission are in the rear, and removable as a single unit by loosening 13 bolts. Idea is that when you have repair work to be done the shop will install a loan motor in 10 minutes while it keeps yours for fixing. The top is all metal, and when removed folds up into the luggage compartment under the hood.

The Bobbi-Kar will do 40 to 45 miles to the gallon, I was told by Vice President and Production Manager John Liefeld, a curly haired automotive veteran who attained the ripe old

**SAID SHE FELT "DOWN AND OUT"...**

**But Famous Cereal Helped Relieve Her Constipation**

Harsh laxatives got you feeling dragged out? Then read this sincere, unsolicited letter:

"Constipation had me feeling down and out and lacking pep and energy. But not any more. Not since I take ALL-BRAN instead of harsh laxatives. It's miraculous what this fine-tasting cereal can do for a person in such a short time." Miss Marion Krause, 1483 Faircrest Avenue, Detroit 5, Michigan.

You, too, may never have to take another harsh laxative for constipation due to lack of bulk in the diet, if you eat KELLOGG'S ALL-BRAN every day and drink plenty of water. Try it as a delicious cereal—and in muffins.

KELLOGG'S ALL-BRAN is not a purgative. It's a wholesome cereal made from the vital outer layers of wheat. It provides gentle bulk helpful to normal laxation. Try it for ten days. If not completely satisfied, send empty carton to the Kellogg Company, Battle Creek, Michigan. Get double your money back!

Get ALL-BRAN at your grocer's. Made by Kellogg's of Battle Creek and Omaha.

**FOR WASHING DISHES**

**MARVNE SUDS** does a better job than any soap ever could!

No soapy film or streaks so dull your dishes, or hardwater scum to clog drains. Dishes dry sparkling clean—without wiping!

**MARVNE SUDS** SOFTENS HARDEST WATER

**Can any sauce beat it for flavor?**

Let's ask the women who cook with Del Monte—2 out of 3 of them have used it more than 10 years\*

"No other sauce I've tried suits me so well!" says an actual user. "Del Monte has the true tomato flavor—and its fine, clear color makes any dish look so good. It's a fast worker, too! In 15 or 20 minutes you can make a sauce or gravy that used to take hours of mixing, blending and simmering. I'd be lost without Del Monte—it always gives me just the right flavor!"

\*From actual interviews with a representative cross section of housewives in Pacific Coast cities of 10,000 and over

Have a real treat next time you make **MEXICAN BEANS**

Cook in Del Monte Tomato Sauce! After the beans have boiled tender in the time to put in the chili powder, other seasonings, and the sauce. Be sure to bake slowly a long time, so that the spice-and-tomato flavor goes all through the macaroni, too! All profit by this concentrated tomato sauce for "just-right" spiciness, rich tomato flavor.

-be sure you get **Del Monte TOMATO SAUCE** America's favorite

age of 33 last Sunday. It weighs 1600 pounds, has a 92-inch wheel base and develops 24½ horse power. Started as Toy

Asked how he became interested in small cars, he left his office and returned with a 14-inch model automobile powered by a tiny single cylinder engine. "Built this five years ago and it still runs like a top," he said. "I did that just for fun and to kill time."

"Then when my son Bobbi was born, less than three years ago, I decided to build a larger and more practical model."

"One day a friend offered me \$2,000 to build another for his son. So I rented a garage and hired a mechanic for that job, and before I was finished I had more and more orders."

# Church Leaders Hear Dr. Jones

Men from 10 western Oregon Congregational churches gathered at Salem First church Wednesday night to hear an address by Dr. William C. Jones, president of Whittier college, Calif. Dr. Jones, former professor of economics at Willamette university for several years, later at the University of Oregon, is a prominent church layman. He was once president of the Oregon Laymen's Fellowship and now holds that position in California.

Laymen were present from Eugene, First church of Portland, Park Rose of Portland,

Staub Memorial of Portland, Beaverton, Pilgrim of Portland, Forest Grove, Knight Memorial and First of Salem.

Paul Davies of Portland, superintendent of the Oregon Congregational conference, spoke briefly, and Dr. Jones was introduced by Dr. Fred Richards of Forest Grove, now president of the Oregon Laymen's Fellowship.

Luncheon was served by the women of the Salem First church.

**Mary Lee Taylor's Custard Pie** Broadcast: March 23, 1946

1/4 cup Fat Milk 1/4 teaspoon salt  
1/2 cup water 2 slightly beaten eggs  
1/2 cup sugar 1 teaspoon vanilla  
1 teaspoon cornstarch

Turn on oven; set at very hot (450° F.). Heat to boiling mixture of milk and water. Add mixture of sugar, cornstarch and salt to eggs and vanilla. Stir in milk mixture. Pour into deep 7-inch pie pan lined with unbaked pastry. Bake on center shelf of oven 15 min., then reduce to slow (325° F.) and bake 20 min. longer, or until knife inserted near outer edge comes out clean. Cool.

You Will Need:  
**PET MILK**  
**CORNSTARCH**  
**EGGS**
