

Powell Tribe Will Gather

Silverton—The 29th annual reunion of the Powell Memorial Society will be held Sunday at the Dallas city park, is being announced by the secretary, Frank M. Powell of Silverton.

Jay Powell of Monmouth is clan president; F. M. Powell is secretary-treasurer; James Powell of Drain is chaplain and first vice president; Quincy E. Probst of Albany, second vice president; and Lee Powell of Corvallis, third vice president.

The society is organized in memory of Rev. John A. Powell, his two brothers and a sister, Noah and Alfred Powell and Lucinda Powell-Probst, pioneers to Linn county, Oregon, in 1852 from Illinois and Missouri. The family worked in organizing Christian churches throughout the Pacific Northwest, many of prominence today.

The group has met in reunion each year since 1917 when interest was created concerning the lives of the Christian church organizers. Many of their generation were then living. This resulted in Dr. J. Powell, now deceased, compiling a family history dating back to the year 1626 when the first families were residents of Wales, and later came to America. Many settled in Kentucky later moving to states farther west.

An early afternoon picnic dinner will be served Sunday. Business meeting and program of entertainment will be during the afternoon.

Several hundred members in the west make up the personnel of the clan.

Labor Supply Below Demand

Dallas—Cherry harvest started this week over much of the county, although a few cherries actually were picked a week or ten days ago. The supply of harvest labor, according to the county agent's office in Dallas is insufficient according to present prospects.

The Dallas office has orders for more than 350 cherry pickers, and it seems unlikely that this number can be located for the peak harvest load which now appears will come about the first of next week.

Those who wish to work in the cherry harvest should contact a farm labor office in order to secure a job as soon as possible. Three offices supply farm labor for Polk county. They are at Dallas, Independence, and Salem. The Dallas and Independence offices service their corresponding territories, which the Salem office services only that portion of Polk county east of the Eola Hills and north of the Brunk's Corner-Salem highway.

The prevailing price for cherry harvesting has been set at 3 1/2 c per pound, states W. C. Leth, county agent, who has received notification to this effect from Alden E. Orr, executive officer for the Oregon USDA wage board. Two and one half cents is the price set for sour cherries. These prices are for Marion, Polk and Yamhill counties.

Highway Project Now Abandoned

Silverton—Following a conference at the city hall with Judge Grant Murphy of Salem, the local delegation headed by Mayor George Christensen, decided to cancel their proposed conference with members of the state highway commission in the interests of speeding the completion of the new highway project. For many years this road project has been a question of most any thing but a soft spot in the minds of Silverton travelers to Salem. The plea was to have been for the finishing of the long-hoped-for road by the end of the year 1946.

North Marion Fair Dropped This Year

Woodburn—After interviewing members of the Farmers' Union and the granges of this community the Woodburn Chamber of Commerce has decided that it is too late to hold a North Marion County fair this year but plans are underway to hold a fair in 1947. W. Earl Dunn, president, has appointed Fred Hecker chairman for the 1947 fair to be assisted by Dean Bishoprick and Ray Glatt.

Other matters discussed at the directors' meeting were sanitation and rodent control and a dumping ground for the North Marion county towns.

Rainbow Plans Affairs

Woodburn—The girls of Evergreen Assembly No. 12, Order of the Rainbow, will have their annual picnic at Silverton park Sunday and Wednesday evening will hold the annual mother-daughter banquet. The 19th anniversary of the organization of Rainbow in Woodburn was celebrated at the last meeting, June 12.

FIRECRACKER BAN IRKS YOUNGSTERS

Silverton—Small boys and some larger folk are wondering if the city council, mayor and manager will be generous and call off the within the city limits its fire-cracker ordinance and let down the bars for a rip roaring time over the Fourth of July. The question is aggravated by the presence of fire-cracker and other explosives for the holiday season being publicly on sale on down-town streets.

Church Groups Plan Affairs

Silverton—Special church week-day announcements are giving place to after-summer Bible schools vacations, church conventions and seasonal employment for saving crops prevalent in this section.

Rev. S. L. Almie of Immanuel Lutheran and Rev. M. J. K. Fuh of Trinity Lutheran are in the middle west attending the national conference of the Lutheran church of America during the month of June. Their congregations are meeting jointly with supply Sunday speakers.

Beginning Monday and continuing through Sunday, June 30, will be the Oregon convention of Christian churches in observing the centennial of beginning of Christian churches in the state. No week events are to be announced for the First Christian church during that time as many are spending the time at Turner.

Miss Olga Johnson will be hostess to the Naomi society of the Calvary Lutheran church Tuesday evening, 7:30 o'clock at her home, 414 S. Third street. The Calvary Ladies' Aid will meet Wednesday, 2:30 p.m., with Mrs. O. E. Lee as hostess.

Rev. and Mrs. O. Leonard Jones are in attendance at the 94th annual Methodist conference this week at Seaside.

Overloaded Trucks Bring Stiff Fines

Silverton—On complaint of the state highway department weighmasters, Olson and Townsend, four men were brought before Judge Alf. O. Nelson's justice court and handed stiff fines in the "penny-a-pound" rule meted out to those responsible for over-load log trucks.

Thomas E. Stanton was fined costs and \$72.80; Herman Reidler, \$50 and costs; Hugh Aldrich, \$123.50 and costs; and Frank M. O'Conner, costs and \$33.

Also on the justice court records was the case of the state vs. M. D. Dunlap preferred by H. A. Moll charged with writing a check without sufficient funds, dismissed on request of private prosecutor on payment.

Dorothy Lough was sent from the local court to juvenile court at Salem.

Doctor said, "Keep her right on Borden's"

When I came out of the hospital right after Mary Anna was born, the doctor said it would be fine to continue giving her Borden's Vitamin D Evaporated Milk. He told me the 400 units of Vitamin D in every pint would help her grow strong teeth and bones. Now she's ten months old, and my doctor says she's as sturdy as babies come!

P. S. to mothers: Borden's Evaporated Milk is accepted by the American Medical Association, Council on Foods and Nutrition.

And Borden's makes the grandest sauces!

With Borden's in the house for Mary Anna, I got to cooking with it, too. It makes the smoothest, richest sauces you ever tasted! In fact, I use Borden's in lots of my cooking and baking, and everything I use it in turns out just fine!
