Stocks Advance

New York, Aug. 7 (P)-The

stock market railied selectively today, but without a great deal

of vigor, after forenoon trends had displayed irregularly lower

tendancies. Bonds were narrow

near the end of the fourth hour with assorted steels, motors, li-

quors, rails, utilities and special

industrials leading. Gains of fractions to 2 or more points

were well distributed at the close with a few notably "thin" issues showing wider upswings.

Transfers totaled 670,000 shares

In front were U.S. Steel, Gen-

eral Motors, Youngstown Sheet, Chrysler, Santa Fe, Great Nor-thern Railway, Union Pacific,

Northern Pacific, Pennsylvania Railroad, Standard Gas \$4 pre-

ferred, Gimbel, Spiegel, Wool-worth, Curtis-Wright "A," Am-erican Woolen Preferred, Elec-

tric Auto-Lite, Schenley, Hiram Walkre and CertainTeed.

Sales totalled 870,000 shares

compared with 730,000 shares yesterday. Curb volume was 230,000 shares against 200,0000

shares against 200,000 shares

yesterday, Bond turnover of \$4,490,000 compared with \$2,-

July 7218-14. Barley climbed

opened corn $1\frac{1}{2}$ -2 cents higher and although initial gains were

pared somewhat after the bell

by professional selling, the grain managed to stay better than one

cent above yesterday's levels. Some of the buying in the pit

was attributed to an elevator in-

short covering, commission house and local buying impart ed a firm tone to the market.

Prices moved within relatively

narrow levels. The cash corn market was

Purchases from the country

on a to-arrive basis were fairly

large considering the sharp re-cession yesterday. By noon, 90,

000 bushels of corn had been booked. About 75,000 bushels of oats were sold for shipment.

The Chicago office of the com-modity credit corporation re-

ported purchase yesterday of 330,000 bushels of No. 1 soft red

wheat at 211% delivered to Bal-

timore for export. Total purch-ases by the CCC now aggregate 1,200,000 bushels.

Wheat futures received good

support at both Kansas City and

Minneapolis to close strong in

light trading. Minneapolis oats were up fractionally and Winni-

peg rye remained 10c lower, the

again weaker after yesterday's 15-18c drop and No. 1 yellow cashed at 1.91. Some local inter-

Most Farmers in Dallas Area

Having Good Harvest Season

Dallas-Indications are pointing to a good season for most farmers of this area, provided the weather is not too capricious for the remainder of the harvest time. Cherries and cane berries

are successfully harvested with a cipate bumper crops in most

good profits expected and at the present time main interest cen-ters on grain and snap beans. Combining operations are in will be the hop harvest, al-
