

Byrnes Text On Russ Radio

London, Aug. 8 (AP)—The full text of Secretary of State James F. Byrnes' attack on V. M. Molotov was broadcast from Moscow today, for publication in Russian newspapers.

An official Tass news agency dispatch reported the Byrnes' peace conference speech verbatim. It made no comment on the speech. Tass also distributed the text of Molotov's reply, in which the Soviet foreign minister accepted Byrnes' challenge to publish the American's speech in the Russian press.

PAC Will Seek Norblad' Defeat

Astoria, Aug. 8 (AP)—The CIO citizens' political action committee, accusing local Democrats of lack of interest in defeating the incumbent Republican, Rep. Walter Norblad, threatened today to take action alone.

The PAC declared that the clatsop county democratic central committee had cold-shouldered a proposed combine rally for Lyman Ross, Aloha, democratic nominee who is running

HE'S FATHER FOR FIRST TIME AT 85

South Pasadena, Calif., Aug. 8—At the age of 85 Joseph Curtis Beedle is a father for the first time.

A son, named Joseph, was born three days ago to his 42-year-old wife, Mrs. Opal Beedle. The Beedles were married 14 years ago.

The father, whose red hair is only slightly peppered with gray, formerly was public prosecutor at Holdrege, Neb., and retired 10 years ago as an attorney in Los Angeles.

Pole Lines Okayed For Road No. 505

The county court Wednesday gave the Portland General Electric company a permit to set up pole lines along county road No. 505 between the intersections with roads Nos. 65 and 70, and along road No. 57 from its junction with Butte Creek crossing. The court authorized the alteration of county road No. 524 by including property given the county by P. L. and Anna V. Wilkinson.

for Norblad's seat in the house of representatives.

"Organized labor is determined to defeat Rep. Walter Norblad this fall, and if it fails to get proper cooperation and support from the democratic central committee, most likely labor will act on its own initiative," says Fred Winchester, secretary of the Northwest Oregon PAC.

Three Hurt in 4-Car Smash

Three persons were injured, but not seriously, in a traffic snarl involving four cars Wednesday night at Market and Winter streets. Dr. R. L. Edwards, 1580 Fairmount, who drove one of the cars, incurred a scalp laceration and had first aid, but was not hospitalized. Mary and Betty Anderson of Independence were taken to Salem Deaconess hospital with lacerations, but were soon released.

The Anderson girls were in a car driven by James H. Cuthbert of Independence. The other two vehicles involved were parked cars with which the Cuthbert car collided after the first im-

pact. They were registered to Noah W. Barham, 195 1/2 Park Lane, and Mrs. Helen Ennert, route 2.

Riding with Dr. Edwards was John Duncan, a visitor in Salem from New York.

Thumb Is Injured In Saw Accident

With a severely wounded thumb caused by an accident with a saw at the Beavercraft company plant where he is employed, W. A. Blackmore, route 4, was taken to Salem General hospital Wednesday. First aid was given Dick Snyder, 150 Hansen avenue, who cut both feet on glass fragments while swimming at Paradise Island.

Three States Fighting Fires

Forest fires scattered throughout Montana, Idaho and Wyoming burned out of control today, with the major blaze in the southern part of the Yellowstone National Park spreading beyond 600 acres after routing 40 firefighters.

More than 2000 acres of valuable timberland already had been destroyed, and forestry officials said rough and inaccessible terrain added to the difficult job of bringing the blazes under control.

The Yellowstone park fire was the first major one since 1943. Additional firefighters

were brought from Glacier National Park to help battle the lightning-caused blaze.

Elsewhere, nearly 300 volunteers battled a 600-acre fire in the Kootenai National Forest bordering northern Montana and Idaho.

A fire on Wolf creek, near Helena, Mont., raged despite efforts of 120 firefighters. Three more fires were reported on adjoining private lands and were being fought by ranch hands and hay crews.

"Give her a head start!"
said Doctor

Susan was our first baby, and we were pretty anxious to start her off on the right formula. When we asked our doctor, he suggested Borden's Vitamin D Evaporated Milk. He said it now has three times as much Vitamin D as before... and that each pint contains 400 units—a full day's supply. Now we're sure Susan's growing strong teeth and bones!

P. S. to mothers: Borden's Evaporated Milk is accepted by the American Medical Association, Council on Foods and Nutrition.

And whee! What Borden's does for salad dressing!

With plenty of Borden's Evaporated on our shelf, we just had to try it ourselves. Am I glad we did! I'm making my own salad dressings these days, and Borden's is just the thing for them! They always turn out rich, smooth, and luscious! Borden's blends beautifully with other ingredients—doesn't separate in cooking. Just try it!

"FOR A WELL-DRESSED SALAD—TRY THIS!"

Savory Salad Dressing

- 2 tablespoons flour
- 1 tablespoon sugar
- 1/4 teaspoon dry mustard
- 1 teaspoon salt
- Dash of pepper
- 1/2 cup Borden's Vitamin D Evaporated Milk
- 1/2 cup water
- 1/2 cup vinegar or lemon juice
- 1 tablespoon butter or margarine

In the top of a double boiler, mix flour, sugar, dry mustard, salt, and pepper. Gradually add Borden's Vitamin D Evaporated Milk, stirring until smooth. Add water. Blend well. Cook over boiling water, stirring constantly, until thick and smooth. Remove from heat. Stir in vinegar or lemon juice and butter or margarine. Blend well. Chill. Makes about 1 cup.

No finer milk in any can!
