Butterfat—Wholesale: Premium 78c, No. 1 77c, No. 2 74c.

Hop Picking at Independence

Independence—The picking of the early varieties of hops in the Independence area is in full swing. While a couple thousand pickers could be absorbed in the various yards scattered throughout the district to good advantage, picking is progressing satisfactorily.

Growers are paying $3.50 per hundred pounds in all yards, and pickers are making an average of $5 to $7 a day. Several eighth grade students reported making $4.50 the first day of picking on August 19. The early clusters and fuggles are lighter in weight than the late varieties which means pickers will make a better average in the late harvest from September 1 to 15.

The crop this year is said to be much better than average, and a report by the U.S. department of agriculture predicts that prospects were for a record-breaking crop of 58 million pounds. This will be an increase of four per cent over the 1945 record and 48 percent above the 1935-44 average.

The Independence Hop Growers at 148 C street will sign up anyone interested in working in the harvest.

Albany Youths Held For Stripping Auto

Albany—State Police Officer Wayne Huffman Tuesday swore out complaints charging Charles D. McLaren, 16, and Forest M. Pool, 19, with larceny involving the alleged theft of accessories from an automobile which they are accused of stripping after the car had been abandoned on the Pacific highway three miles north of Shedd.

Taken from the abandoned car were the radio, floor mat and almost everything that could be detached, Officer Huffman said. All of the stolen articles were recovered at the spot as Officer Huffman was en route to Shedd to investigate the report that the car owned by Lloyd Vincent, Jefferson, and believed stolen Sunday by Junior Richardson, escaped convict, had been found at Shedd.

The car is registered to Carl J. Brown, Portland. It had a flat tire and had been at the roadside since Thursday.

The Vincent car was found in Shedd. It is being searched for fingerprints.

Stocks Advance Irregularly

New York, Aug. 21 (AP) — Stocks worked the recovery side of the market in today's early proceedings but finally ran into selling which cut advances substantially and put numerous leaders in the losing ranks.

Dealings, slow most of the time, picked up activity in the last half hour as quotations for steels and motors wilted. A few "thin" issues added several points on meager transactions. Assorted special stocks retained modest gains at the close although losses of 1 to 4 points or so were widespread. Transfers of around 800,000 shares were the best in a week.

Improved were Consolidated Edison, Chesapeake & Ohio, Keystone Steel, American Sumatra Tobacco, South Puerto Rico Sugar, Standard Oil (N. J.), Johns-Manville and Air Reduction.

Bonds were narrow.

Corn and Oats Futures Decline

Chicago, Aug. 21 (U.P.)—Both corn and oats futures on the board of trade today declined beneath openings which were weak for corn prices and fractionally lower for oats. Some of the selling appeared to believe that restoration of price ceilings on livestock would, in the long run, have an unfavorable influence on grain. Only barley took a strong tone.

Corn closed off 3⅞ to 4¼; oats finished the session off ½ to 1⅝; barley finished up ⅞ to 1.

Corn futures, after a weak opening, met fairly active professional buying and rallied throughout most of the session until toward the closing bell when interest dropped off. Some of the selling which did develop in corn was believed to have been induced by expectations of a further upward revision in corn crop prospects.

Shortage of Cars Halts Road Paving

With about 21 miles of the 28 mile county building road program completed, the balance of seven miles is threatened with having to go over into another year with telegraphic advices from the California oil company which has been furnishing asphalt that further asphalt deliveries are being held up indefinitely because of a car tie-up in Northern California.

County Commissioner Rice said the work would await tomorrow night, and if there is no oil in sight then the balance of the program will be abandoned and the equipment sent into the shops to be put in condition for storage for the winter. He said the equipment cannot wait an indefinite time for arrival of oil and the telegram gave no hope of any early alleviation of the situation. He said about six more cars are needed to finish the work mapped out.

Land Bought for Garbage Dump

The county court Wednesday morning in a conference with G. C. Baker, owner of 12 acres of land north of Woodburn, virtually completed negotiations for its purchase for $2500, the land to be used for a garbage disposal dump for the towns in the north end of the county.

This is outgrowth of hearings held several months ago when the county virtually committed itself to assist cities and towns of the county to solve their garbage disposal problems, city officials from Woodburn stating that their situation had become serious and other towns also asked for help.

County Judge Murphy stated that while the maintenance and operation costs of the dump will be on a 50-50 basis it was believed by the court to be preferable that the county itself acquire the land by purchase so if at any time in the future it is abandoned for the uses for which it has been bought it can be disposed of without any complications such as would arise if the cities and towns went in on a joint ownership proposition.

He stated that the tract is adjacent to a good gravel road, with a road leading into it that can be converted into a county road and thus be property maintained. The county will pay 50 per cent of the operating and maintenance expense, the other 50 per cent being prorated among the cities and town using the disposal plant, according to its use. The tract is about two and a half miles from Woodburn, which will be the heaviest user, about five miles from Gervais and 10 miles from Aurora. Expenses will include cost of road and maintenance, cost of a caretaker and rental of county equipment for putting and keeping the place in shape. Revenues also will come from that and it is expected there will be revenues from commercial garbage handlers.

$1,000,000 Starr Cannery Planned

Portland, Aug. 21 (AP)—A modern canning plant to cost $1,000,000 is planned here by the Starr Fruit Products company, H. G. Howiesner, vice president, reported today.

Application for construction approval called for completion in time for the 1947 season. The plant will replace one occupied for 30 years and recently sold. The company expects to employ 1,500 workers compared to the present 500.

The firm has other plants at Salem and Yakima.

Poland's Crops Short 400,000 Tons

Warsaw, Aug. 21 (AP)—UNRRA officials in Poland prepared a report today for Director General F. H. LaGuardia asserting that Poland's probable harvest would be at least 400,000 tons short in bread grains needed to supply the country until the next crop.

M. E. Hays of Drexel Hill, Pa., in charge of the agricultural rehabilitation of UNRRA, said crops were cut radically by lack of proper seed and fertilizers; field mice and hail storms.

Reich Food Rations Raised in Winter

London, Aug. 21 (AP)—John B. Hynd said today the United States and Britain would raise the basic food ration in their zones in Germany to 1,500 calories per person daily during the coming winter, "whatever the cost."

Hynd, as chancellor of the duchy of Lancaster, is the Attlee cabinet minister responsible for conditions of the British occupation of Germany. He told a news conference the food situation in the British zone still was critical.

Obituary

Mrs. Anna Tschantz
Silverton — John Tschantz of Cherry street had word Sunday of the death of his aged mother, Mrs. Anna Tschantz in Akron, Ohio, Sunday morning. She was 96 years old. Born in Switzerland June 5, 1850. On her 95th birthday anniversary, her seven children were with her at the family home. She came to America as a young woman. Her husband, Charles, died 23 years ago in Akron. She had spent some time in Silverton on two occasions. Besides her son here she has a niece and two nephews here, Mrs. Will Liechty of Central Howell and Charles and Oscar Meyer of Silverton; also seven of her children, John of Silverton, Will and Charles of Akron, Ohio, Otto of Orville, Ohio, Anna Richards of Kent, Ohio, Lena Wright and Miss Elizabeth Tschantz of Akron, and 39 grandchildren and 26 great grandchildren survive. Funeral services were to be held Wednesday at Akron.

Miss Tommy Mozell Shipp
Silverton—Miss Tommy M. Shipp, died at the family home Monday night at the age of 24 years. Born in Seymour, Texas, April 18, 1922, and had lived in Silverton seven years. Survived by parents, Mr. and Mrs. Tom Shipp; brothers, Talmadge, Doyle and Hubert, all of Silverton. Services will be held Thursday, Aug. 22, at 2 p.m. at the Memorial chapel of Ekman Funeral home. Rev. E. S. Jones officiating. Interment in Silverton cemetery.
