More Than 10,000 Pickers

Dallas—Over 10,000 persons are now engaged in the hop harvest in Polk county and by next week this number will swell to well over 12,000, according to John Pfaff of the county farm labor office.

The harvest is proceeding well but for some complaint on the part of pickers because of the growers' insistence on clean picking. As a result, dissatisfied harvesters are moving from yard to yard but the same condition is general since growers are faced with the same demand from their markets—that the hops are kept free from foliage and debris.

Maintenance Costs Listed

Albany—High school maintenance costs per pupil were higher last year at Gates than in any other high school district of the county, union or standard, while Lebanon's cost was lowest, County School Superintendent J. M. Bennett announced Tuesday.

The superintendent's statement was based upon computations from total costs for use in determining tuition payments to be made during the 1946-47 year by the non-high school district. His records show the following total costs and costs per pupil for the 1945-46 year ending June 30:

	Total	Per Pupil
Albany	\$114,018.40	\$177.84
Lebanon	74,030.44	152.89
Gates	7,337.75	403.17
Brownsville	13,158.03	184.03
Solo	11,970.02	174.74
Mill City	19,585.77	274.45
Sweet Home	87,572.93	245.94
Halsey	12,008.41	337.31
Shedd	12,781.39	264.62

The last four districts are union high school districts.
