Darn it though, it's just TOO humble!

Wheat Soars 5 Cent Top Today

Chicago, Oct. 21 (UP)—Wheat soared the 5 cent top today as grain futures extended gains from an uneven start of the board of trade.

All three wheat deliveries closed a nickel higher. Corn gained 3½ to 4¼ cents and oats were 2¼ to 3⅜ cents higher. Barley was unchanged to up 3½ cents.

Wheat opened ½ cent up and down, and was sold to mills as shorts covered. Buyers expected the government to lift ceilings and restrictions soon. Lomal May sales were absorbed in the uptill.

Corn led early gains and started ⅝ to 1 cent higher through commission house support. The firm market apparently was influenced by a steadier cotton trade following governmental investigation of last week's three-day tumbles.

Cash house hedges sold January corn, but local traders and commercial interests absorbed the offerings. Corn advanced further through a hog price raise as well as spot market strength.

Oats climbed on light receipts. Shorts and commission houses bought, while operator interests sold the May. Some accumulative purchases were attributed to hampered oats movement because shippers favored corn and wheat.

Cash corn was strong, but weaker for lower grades. No. 2 yellow sent for $1.68. Soybeans were strong, and $3.13 was bid for the year's to-arrive balance.

Turkey Rejects Russian Proposal

Ankara, Oct. 21 (UP)—Turkey rejected Soviet efforts to conduct bilateral negotiations on the Dardanelles today and proposed instead an international straits conference of Montreux convention signatories, except Japan, plus the United States.

A Turkish note to Russia, replying to recent Soviet proposals, turned down the plan for joint Soviet-Turkish defense of the Dardanelles. It said Turkey considered her exchange of views with Russia, as envisaged at Potsdam, was complete.

The Turkish government said it felt Soviet fears of aggression against Russia through the straits should be allayed by the fact that United Nations forces would aid the national armies to defeat aggression from any quarter.

Bose Died in Hospital From Plane Crash

Singapore, Oct. 21 (AP)—An official announcement said today a thorough investigation in Tokyo had established the death of Subhas Chandra Bose, commander of the Japanese-sponsored Indian national army, in a Taihoku, Formosa, military hospital the night of Aug. 18, 1945.

The cause of Bose's death was given as heart failure resulting from multiple burns and shock suffered in the crash of a plane en route from Singapore to Japan, the announcement said. The Tokyo investigation was made at the request of the supreme allied commander for southeast Asia.

The Tokyo radio announced Bose's death Aug. 23, 1945. Mohandas K. Gandhi was quoted as saying last January that he believed the Indian nationalist leader was still alive and was "biding his time somewhere."

Storm Warnings Hoisted

Portland, Ore., Oct. 21 (UP)—Storm warnings were hoisted at 2 p.m. today, along the Oregon and Washington coasts, including the inland waters of Washington, Straits of Juan de Fuca and mouth of the Columbia river, for strong to gale southeasterly winds, the U. S. weather bureau here announced.

Stocks Advance Irregularly

New York, Oct. 21 (AP)—Both buyers and sellers made idle passes at the stock market today, with the former holding a shade the advance, but dealings were among the slowest of the past month or so.

Neither bullish nor bearish enthusiasm was in evidence from the opening on although, near the close, advances or fractions to a point or so were in the majority. Steels attracted support at the last. Transfers for the full proceedings were in the neighborhood of 800,000 shares.

A rally in recently weak cotton futures and grains propped sentiment for stocks to some extent, brokers suggested, although gyrating commodities still provided a cautionary influence.

Closing Dow-Jones averages: Industrial, 171.93, up 0.59; rail, 47.68, up 0.18; utility, 35.11, up 0.26; 65 stocks, 61.90, up 0.25.

Sales totaled 830,000 shares compared with 920,000 shares last Friday. Curb volume was 210,000 shares against 260,000 shares last Friday. Bond turnover of $2,850,000 compared with $31,791,000.

Dog Saves Life of Girl in Seattle Home

Seattle, Oct. 21 (UP)—Meat shortage or not, Jiggs, a 3-year-old mongrel dog is going to get the biggest chunk of bone he's ever had by way of a reward.

The dog, choked by smoke from a fire in the basement of his home, yesterday pulled the covers off 16-year-old Ruth Brown and tugged at her arm to waken her in time to escape.

Firemen who entered the house a few minutes later were nearly overcome by fumes.
