

East Salem Extension Units Will Prepare 'Company Meals'

East Salem, March 12—The first of the March meetings of East Salem home extension clubs will be held Friday. There will be all day meetings with "Company Meals" the subject of the lessons. Lansing Neighbors unit which usually meets on Thursday will meet Friday at the Mayflower Dairy Co-op hall in Salem. They are meeting there to have room for all attending to watch the preparation of a full course meal.

East Salem unit will meet at the home of Mrs. William Damery just east of Fruitland church. This group will not only prepare a company luncheon but will study menus for full course dinners. Project leaders will prepare all meals. East Salem project leaders are Mrs. Ralph Becker and Mrs. E. E. Brandt. Women are invited to attend the meeting most convenient to their home but should notify the unit committee of their plans. A charge will be made at these meetings to cover the cost of the food used in the preparation. Lansing Neighbors has set the hour for 11 a.m. and East Salem at 10:30.

The third meeting of the Four Corners Rod and Gun club was held at the Community hall. An invitation is extended to anyone interested in this sport to join the group. The next meeting will be Thursday, March 20, at the hall. Applications for membership may be obtained from any of the present members. Attending last Thursday's meeting were Dwight Ritchie, Ross Chrisman, Sr., Terry Gagnon, Cliff Herman, Harding Phillips, Oliver Rickman, Ed Davis, Al Brandt, Ross Chrisman, Jr., Burl Davis, Delbert Chrisman, Dick Hooper and William Futrel.

A large crowd enjoyed the program arranged and put on by the Auburn Women's club at the March meeting of the Auburn Community club last Friday night. A play by the members was especially good. The book for the room having the largest number of parents present was won by the fifth and sixth grades. A community sing was led by Mrs. Roy Kresh with Mrs. Ben Hawkins at the piano. Several articles made for a bazaar by the members of the Women's club were auctioned by Ben Hawkins. Refreshments were served, and it was decided to have a pie social at the next meeting. Mrs. Delores Jager, teacher of the fifth and sixth grades, made an appeal for dark curtains for use when the children are having moving pictures.
