

Dewey Program Fully Accepted

Albany, N.Y., March 19 (AP)—The republican-dominated New York state legislature ended a turbulent 11-week session today after approving all of Gov. Thomas E. Dewey's legislative program, including a record \$670,900,000 budget and a bill to outlaw strikes by public employees.

Even as the lawmakers prepared to return home, the democratic minority, organized labor and civil service groups hurled fresh attacks at the Dewey administration.

The senate adjourned at 1 a.m. and the assembly at 3:08 a.m. (EST).

Democratic legislators, in a parting shot at the potential 1948 republican presidential nominee, assailed the Dewey administration for the no strike measure and the record high budget.

They were Charles Sederstrom, shovel operator, and Nick Anderson, oiler, both of Astoria. They were working near a cut, loading fill material for the Spokane, Portland and Seattle railroad, when thousands of tons of rock and sand slid down toward them.

They leaped from the shovel, but were hit by rolling boulders.

Youth Handles Show Dogs

Children's handling of show dogs will again be a feature of the annual all-breed dog show to be held this week-end at the State Fair grounds.

In a competition Sunday at 8:30 p.m. prize trophies will be awarded to youngsters judged best in their presentation of dogs in the judging circle. Besides the grand trophy, other prizes will be awarded winning children in each of four groups, the boys and the girls between ages 6 and 12 and the boys' and girls' groups between ages 12 and 16.

Dog judging in all classes of the six main groups will be continuous on Saturday and Sunday, beginning at 10 a.m. each day and going through late evening. Final judging of the best dog in the show, from the six dogs which win top honors in the main groups, will be conducted Sunday night following the children's event.

More than 450 dogs are entered in the show this year, the largest entry list in the history of the Salem show and the largest list in any western dog show this year. They are entered by various breeds and classifications within the following main groups: Sporting, hounds, working, terriers, toys and non-sporting.

About 30 breeds will be represented in the show, ranging

from the familiar and popular spaniels and terriers to the "barkless" Basenjis, massive Great Danes and St. Bernards, great white Pyrenees, tiny Chihuahuas and many others.
