

Earlier Class Work in Order

Mill City—Mill City schools opened with an enrollment of 313 students. Grade school enrollment is 238 and high school, 75. This year the high school classes are beginning at 8:45 a.m. in order that a seventh period can be gained. Three new subjects are being offered—French, shorthand and public speaking.

Teachers include: Principal, Roger Johnston; Mrs. Edith Mason, Miss Ina Pearl Allen, Oren W. Hankins, Vernon S. Todd and Stephen Beck. Enrollment statistics show 19 seniors, 14 juniors, 16 sophomores and 26 freshmen.

The first meeting of the student body was held the second day of school and the following officers were sworn in: President, Dwane McFadden; vice president, Gordon Kay; secretary, Mildred Toman; treasurer, Isabelle Case; sergeant-at-arms, Clyde Richards; athletic manager, Verle Moberg. Following trials before the student body the yell leaders and song leaders will be chosen.

In the grade school due to the large number of students in the first grade another room is being prepared and another teacher will be hired in order that the group can be divided. At the present time half the pupils are coming in the morning and the others in the afternoon. Vernon Todd, local school superintendent, states that the third grade may have to be done the same way.

Krause, 23; seventh grade, Miss Delia Ohlsen, 30; sixth grade, Mrs. Dora Rogers, 16; fifth grade, Mrs. Fern Sletto, 30; fourth grade, Miss Alice Smith, 25; third grade—Miss Sigrun Grimstad, 38; second grade, Miss Zeta Prichard, 26; and first grade, Mrs. Catherine Lyon, 50.
